John Whalen-Bridge, Gary Storhoff (1947 2011)

Love S Bittersweet:

Remembrance of Lost Loves Gene Jackson, 2009-11 All lives and the loves contained within them may be thought of as journeys Each of us at any certain time will occupy a space along such a pathway It leads from youth with its excitement hope and foolishness through mistakes omissions and the recognition of self delusion by degrees into maturity and confidence and finally to serenity This is the story of one such journey It is true in essence and in such details as memory at this distance will allow Those who might recognize themselves as fellow travelers along this path may equally share feelings of nostalgia regret self reproach and memories of love lost None should feel any of these emotions past the level that I myself do and all I hope will recall those times with affectionate remembrance **Greek Erotic Epigram** Maria Kanellou, 2025-03-19 Despite its small size epigram attracted some of the best poetic talents of antiquity exerting a strong influence on Latin literature and continuing to inspire poetic creativity until today During the last decades research on epigram flourished to an unprecedented degree Greek Erotic Epigram A Diachronic Approach draws on and engages with this renewed scholarly interest in the briefest of the ancient Greek genres By shifting focus away from a particular poet collection and the epigrammatic production of a specific historical period it explores diachronically erotic epigram from various interpretative angles treating the surviving material as an organic whole Four motifs drive diachronic research encompassing a wide chronological span from the Hellenistic up until the early Byzantine era the lamp sea and nautical imagery the beloved s comparison to Aphrodite and Eros and the Erotes By analysing how these motifs were shaped and adapted over the centuries the book illustrates the epigrammatists changing attitudes towards the material inherited from earlier poetic tradition and leads to a deeper appreciation of the narrative techniques adopted by them as well as of the inner dynamics of poetic imitation and competition Moreover the scrutiny of the motifs within wider literary and historical backgrounds reveals the influence exerted by different cultural and sociopolitical environments on the epigrammatists work in the course of centuries The book offers a model for the type of diachronic research that can be applied to other epigrammatic subgenres and other motifs and to Latin epigram The Paradox of Love Pascal Bruckner, 2012-02-13 A provocative reflection on the dilemmas of modern love The sexual revolution is justly celebrated for the freedoms it brought birth control the decriminalization of abortion the liberalization of divorce greater equality between the sexes women s massive entry into the workforce and more tolerance of homosexuality But as Pascal Bruckner one of France's leading writers argues in this lively and provocative reflection on the contradictions of modern love our new freedoms have also brought new burdens and rules without however wiping out the old rules emotions desires and arrangements the couple marriage jealousy the demand for fidelity the war between constancy and inconstancy It is no wonder that love sex and relationships today are so confusing so difficult and so paradoxical Drawing on history politics psychology literature pop culture and current events this book a best seller in France exposes and dissects these paradoxes With his customary

brilliance and wit Bruckner traces the roots of sexual liberation back to the Enlightenment in order to explain love s supreme paradox epitomized by the 1960s oxymoron of free love the tension between freedom which separates and love which attaches Ashamed that our sex lives fail to live up to such liberated ideals we have traded neuroses of repression for neuroses of inadequacy and we overcompensate Our parents lied about their morality Bruckner writes but we lie about our immorality Mixing irony and optimism Bruckner argues that when it comes to love we should side neither with the revolutionaries nor the reactionaries Rather taking love and ourselves as we are we should realize that love makes no progress and that its messiness surprises and paradoxes are not merely the sources of its pain but also of its pleasure and glory Bernstein's On the Waterfront Anthony Bushard, 2012-12-27 Released in 1954 On the Waterfront is considered one of the greatest films of all time winning eight Academy Awards including Best Picture and placing in the top 20 on the American Film Institute s 100 Films survey The film s Oscar nominated score represented a rare venture into film music composition by Leonard Bernstein one of the towering figures of classical music in the 20th century In Leonard Bernstein's On the Waterfront A Film Score Guide Anthony Bushard examines this landmark work a score that continues to influence composers of film and classical music alike The book begins with a biographical survey of Bernstein's work followed by an exploration of Bernstein's compositional method a look at the context of the film and an analysis of the score itself Though other volumes have focused on Bernstein's overall career Bushard's book is the first to look specifically at the score of this film A welcome examination of one of Bernstein's most accomplished works Leonard Bernstein's On the Waterfront A Film Score Guide highlights the invaluable contributions of this great composer and will be appreciated by fans of classical music and film Musings of a Mocha Sista, 2001-05 Welcome to the world of love self realizations and spirituality Come and join scores the mocha revolution Come and taste a different flava of mocha Pam Osbey author of Musings of a Mocha Sista brings you into her world Her readers are treated to Poetree In Motion where poems that infuse musicality with powerful passionate vibes take over the reader's soul In Spiritual Break mocha sista expresses her joyful feelings of love to a higher power to help her through this struggle this journey this thing called life In Mocha's Storyboard wonderful stories that explore intricate relationships being realistic about relationships and loving one s self are the themes that are explored Mocha Sez essays embrace the spirit of sistahhood and sistahfriendships Loving the Skin You re In provokes readers to challenge their beliefs on their body image and how they feel about themselves The Single Life invites single sistahs to embrace their singleness Nurturing Your Soul encourages all women to take time to treat themselves royally like gueens Come inside to taste and explore the different flavors of this powerful mocha sista This collection of literature will bring you to new levels of understanding your soul mind and heart **Spiritual Wounds** Síobhra Aiken, 2022-03-01 This book challenges the widespread scholarly and popular belief that the Irish Civil War 1922 1923 was followed by a traumatic silence It achieves this by opening an alternative archive of published testimonies which were largely produced in the 1920s and 1930s

testimonies were written by pro and anti treaty men and women in both English and Irish Nearly all have eluded sustained scholarly attention to date However the act of smuggling private painful experience into the public realm especially when it challenged official memory making or even forgetting demanded the cautious deployment of self protective narrative strategies As a result many testimonies from the Irish Civil War emerge in non conventional hybridised and fictionalised forms of life writing This book re introduces a number of these testimonies into public debate It considers contemporary understandings of mental illness and how a number of veterans both men and women self consciously engaged in projects of therapeutic writing as a means to heal the spiritual wounds of civil war It also outlines the prevalence of literary representations of revolutionary sexual violence challenging the assumptions that sexual violence during the Irish revolution was either rare or hidden **The Receiver** Samara Mae,2021-02-28 What would you do if you were cursed by a terrible decision to take on the pain of others or to make others take on your pain For one woman and her girlfriend it isn t a question Unnamed though anything but insignificant these girls take on the world's burdens on top of their own as marginalized gueer women Accepting the legendary role of the Receiver both girlfriends represent the resilient voices of those who aren t often heard bearing the weight of struggles they shouldn t have to face alone As a story with an unconventional approach to literary style told in three parts and an epilogue The Receiver is about fighting for love family and a better future But is the world too much for one person to handle alone Can these women withstand the pain of the curse on top of the discrimination from society from their own family Who is the Receiver and will her love sustain her The Varieties of Love as **Interpersonal Attraction** Victor Karandashev, 2024-07-22 Joining other publications on love by this author the current volume examines the great varieties of love as interpersonal attraction Drawing on classical and recent studies from global perspectives it explores the components dimensions and contexts of interpersonal attraction Its comprehensive coverage includes biological physical psychological social and cultural perspectives to give a full scientific picture of love as attraction in animals and humans This book is relevant to professionals and researchers who seek an in depth knowledge of love and interpersonal attraction the key aspects of studies in a range of scientific areas The Murmur of Everything Moving Maureen Stanton, 2025-03-15 When Maureen and Steve met in their twenties he d left behind a difficult marriage and she had ended a troubled relationship In each other they found a passionate love and shared a dream of a living off the land in rural Michigan Three years later when Steve at twenty nine was diagnosed with cancer they embarked on an all out effort to save his life When Steve's childhood friend Joey a drug addict learned that Steve needed money for experimental cancer treatments that insurance wouldn t cover he offered to sell Steve s pain medication a synthetic opioid with a high street value to help pay the costs only one of the friends would survive The Murmur of Everything Moving chronicles a young working class couple s odyssey through the medical mileu as they navigate the terrain of illness and caregiving of compassion and loss This beautiful and aching memoir is ultimately a story of love romantic brotherly and spiritual in all its challenging but
