Satan's Strategy to Curse Christ's Congregation Andy Woods, Keith A. Sherlin, 2010-10-01 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ's body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem **Herein is Love, Vol. 1: Genesis** Nancy

Ganz,2009-10-30 Herein is Love is a series of Bible commentaries for parents to read to their children They provide what children need most solid truths to grow in In these books Nancy Ganz draws out the beautiful implications of the Old Testament narrative that are foundational for Christian faith The beginning books of the Bible are essential to our understanding of God s redemptive story The Herein is Love series creatively focuses our attention on the events that bring this story to life combining the richness of literature and the depth of a commentary *Destroying Satanic Attacks* Okwudili Eze,2018-03-29 Our God is a man of war In the book of Psalm 144 1 the scripture says that He teaches our hands to do war Whenever there is a question mark in the destiny of a man causing delay there is always a strange personality sponsoring it When champions cannot excel there is a personality behind the veil **Learning to Stand Against the Attacks of Satan** Kenneth D. Reed Sr,2012-08 Satan has caused some believers to lower their standards and to place limitations on life by influencing them to think they can t do any better This book was written to be your weapon of resources to learn to stand against the attacks of Satan Jesus states in John 10 10 that the thief cometh not but for to steal and to kill and to destroy And to counter that Jesus says I am come that they might have life and that they might have it more abundantly Satan doesn t want to see you living in abundance and he doesn t want to see you walking upright with the Lord He comes to steal your riches kill your inheritance and destroy your faith in God But you can walk in the abundant life God intended You can fight and win It s time to gather your weapons Your greatest arsenal is to stand on the true word of God **The Thomas Watson Collection. Illustrated** Thomas Watson,2021-06-14 Thomas Watson was a 17th century minister at the church of St Stephen Walbrook in London As a pastor he set himself two goals First he wanted unbelievers to grieve over their fate and realize the necessity of God s grace On the other hand he wanted believers to rejoice in the assurance that they had received God s grace His books are simple but exciting commentaries with many practical examples and applications He explains the paradox that both good and bad events contribute to the benefit of believers He spends a great deal of time explaining what it means to love God and be called by His will In this book Watson manages to answer one of the most plaguing theological questions of all time Why do bad things happen to good people This eBook includes the following 14 volumes by Thomas Watson Body of Practical Divinity The Ten Commandments The Lord s Prayer The Beatitudes The Godly Man s Picture The Art of Divine Contentment A Treatise Concerning Meditation The Great Gain of Godliness The Doctrine of Repentance The Mischief of Sin A Divine Cordial The Christian Soldier The Christian s Charter The Duty of Self Denial **The Lord's Prayer** , **God's Plan for Good Mental Health** Ron E. meticulous attention to detail as evidenced by the descriptively laden excerpt which immerses readers in an environment where the mundane becomes a harbinger of dread The story not only delves into the horrors that arise from human deeds but also insinuates the existence of malevolent forces beyond comprehension all while maintaining a solid grounding in the protagonist's academic perspective Author Randall Craig infuses *Satan's Incubator* with a profound understanding of the duality of human nature which may be reflective of his own intellectual pursuits It is this innate grasp of the human psyche that allows Craig to explore the intricate relationship between real world trauma and its possible amplification through sinister unseen forces His characters are thoroughly crafted with Dr Skull serving as a conduit for readers to navigate the convergence of logical inquiry and the unexplainable a balance that Craig expertly strikes possibly drawing from his own experiences or research within the realm of psychological complexities *Satan's Incubator* comes highly recommended for readers who revel in the confluence of mind and the macabre Randall Craig's novel is an intellectual odyssey that will resonate with aficionados of gothic horror and psychological suspense alike It is an unyielding exploration of the human condition where even a seasoned professional like Dr Skull is confronted with the limitations of science in the face of pure evil This masterfully penned tale is certain to captivate and terrify promising an experience that is as thought provoking as it is spine chilling

Macchia, 2023-03-28 In this volume Frank Macchia offers a systematic theology written with Christ's outpouring of the Holy Spirit from the heavenly Father at Pentecost as its dominant motif Christ's death and resurrection provide for our reconciliation with God and make way for the Spirit for the divine overflowing onto all flesh The church is born in the grace of that overflowing From the abundance of this divine self giving spring forth many different tongues aflame with the church's praise and witness This systematic theology seeks to join and further guide these tongues in their diverse contexts by reflecting in a coherent fashion across the spectrum of Christian doctrine The first three chapters offer an extensive treatment of modern approaches to theology Subsequent chapters explore all of the major topics of importance to theology historically This is theology written from a Pentecostal interest yet seeking to speak beyond it to a larger ecumenical horizon

A Divine Revelation of Satan's Deceptions Mary K. Baxter, 2015-06-15 In 1976 Jesus took Mary K Baxter on a spiritual journey for thirty nights to witness the torments of hell charging her to reveal the terrible reality of God's judgment and to relate the urgent message of salvation through Jesus Christ Mary wrote about her journey to hell in her best selling book *A Divine Revelation of Hell* which has sold more than 1.3 million copies After those thirty nights Jesus told Mary I will close up your mind and you will not remember some of the things I have shown and told you But I will reopen your mind and bring back your understanding in the latter days Then I will open up your remembrance Recently God has brought back to Mary's remembrance many of those experiences because these revelations are particularly for our day *A Divine Revelation of Satan's Deceptions* contains new images of hell that Mary has not related in her other books as well as crucial insights into the deceptions Satan uses to destroy people and the tactics he employs to defeat believers God has given
