## Love Across The Water:

**In Love's Service** Steven M. Mandala,2012-07-12 This story takes you on a journey beyond the bounds of reason and emotion on an epistemic search for answers to life's reasons for loss and pain Inspired by the author's own life we are taught why scars of our past persist and what true love really means Taking place within the confines of a small cell a man is given a choice to either let the past bind his future and suffer in vain or to use the abrasions of his life to answer his own questions about purpose love and reality The choice he is confronted with is the same choice we all have been given Are you ready to know what it means to love and be loved *The Old Dominion* ,1872 **Catalog of Copyright Entries** Library of Congress. but isolating or even tragic Read This When Things Fall Apart is a collection of letters written to organizers in crisis who are struggling with the conflicts heartbreaks and catastrophes that activists so often experience From grief to exhaustion fractured relationships state violence and interpersonal violence the struggle for justice can be tumultuous Each letter invites the reader to the writer s particular world in abortion defense organizing within prison walls recuperating from state repression after the 2020 uprisings or as a new parent struggling to find their way in movement spaces and offers an authentic account of moving through difficult times Personal reflective and hopeful Read This When Things Fall Apart is a new type of book for radicals that harnesses the writers individual moments of despair into living breathing wisdom capable of chipping away at the supposed inevitability of fascist life Restorative like a letter from a trusted friend and invigorating like a story from a mentor the book is an indispensable companion for all of us navigating the challenging times ahead
