they need and who they are but to do so with compassion rather than competitiveness or vengefulness This book is about the reality of committed intimate relationships which are designed to inspire both people to grow up It challenges some common misperceptions about what makes for a successful partnership It also rocks the boat of psychotherapy calling out therapists who don't bring their best to their clients Instead of comforting fantasies or false promises *Monsters in Love* offers you and your partner a chance to make your relationship and your lives much bigger and more emergent *Code of Federal Regulations* United States.
