Love And Devotion:

The Love of Devotion Donna Goddard, 2022-12-30 As students of life we seek relief from suffering and growth of happiness Deeply considering uplifting ideas raises our consciousness from the realm of the material problem into the powerful and harmonious realm of the spiritual Love and Devotion Nitya Chaitanya Yati, 1976 *Songs of Faith, Hope, and Love. For Sunday Schools and Devotional Meetings* Albert Junos Holden, 2024-02-09 Reprint of the original first published in 1883 Love and War Tom Digby, 2014-10-28 Ideas of masculinity and femininity become sharply defined in war reliant societies resulting in a presumed enmity between men and women This so called battle of the sexes intensifies in tandem with dispositions to fight actual wars These are among the fascinating discoveries Tom Digby shares in *Love and War* which describes the making and manipulation of gender in both militaristic and nonmilitaristic societies and the consequences for men and women in their personal romantic sexual and professional lives Drawing on cross cultural comparisons and examples from popular media including sports culture the rise of gonzo and bangbus pornography and Internet trolls Digby shows how misogyny and toughness are deployed to construct masculinity in ways that undermine relations between women and men Through diverse philosophical methodologies he identifies the cultural elements that contribute to heterosexual antagonism such as an enduring faith in male force to solve problems the glorification of violent men who suppress caring emotions the devaluation of men's physical and emotional lives an imaginary gender binary male privilege premised on the subordination of women and the use of misogyny to encourage masculine behavior Digby tracks the collateral damage of this disabling misogyny in the lives of both men and women but ends on a hopeful note He ultimately finds the link between war and gender to be dissolving in many societies war is becoming gendered and gender is becoming demilitarized **Nārada-bhakti-sūtra: Commentary on the Perfection of Devotion** Paramahansa Sri Swami Vishwananda, 2023-04-05 The Nārada bhakti sūtra compiled by Sage Nārada is a foundational text in the path of bhakti and Vaishnavism As one of the Lord's greatest devotees Sage Nārada stands as a role model and an expert guide to all aspiring devotees In these bhakti sūtras he has extracted the essence of devotion and presented it concisely in only 84 verses Each sūtra is infused with the insight of one who truly lives bhakti to its fullest Maximising the effect of this wisdom by His commentary Paramahansa Vishwananda has added the only missing ingredient practical application How can I actually live such elevated principles today How do I walk this path in this present time and in my current circumstances **Addiction and Devotion in Early Modern England** Rebecca Lemon, 2018-02-02 Rebecca Lemon illuminates a previously buried conception of addiction as a form of devotion at once laudable difficult and extraordinary that has been concealed by the persistent modern link of addiction to pathology Surveying sixteenth century invocations she reveals how early moderns might consider themselves addicted to study friendship love or God However she also uncovers their understanding of addiction as a form of compulsion that resonates with modern scientific definitions Specifically early modern medical tracts

legal rulings and religious polemic stressed the dangers of addiction to alcohol in terms of disease compulsion and enslavement Yet the relationship between these two understandings of addiction was not simply oppositional for what unites these discourses is a shared emphasis on addiction as the overthrow of the will Etymologically addiction is a verbal contract or a pledge and even as sixteenth century audiences actively embraced addiction to God and love writers warned against commitment to improper forms of addiction and the term became increasingly associated with disease and tyranny Examining canonical texts including Doctor Faustus Twelfth Night Henry IV and Othello alongside theological medical imaginative and legal writings Lemon traces the variety of early modern addictive attachments Although contemporary notions of addiction seem to bear little resemblance to its initial meanings Lemon argues that the early modern period's understanding of addiction is relevant to our modern conceptions of and debates about the phenomenon **Better**

Divine versus Worldly Love Helena Petrovna Blavatsky, 2017-10-28 Worldly and Devotional Love compared and contrasted Worldly Love is an intoxication of the Astral Light It is a state of severe mental perturbation Divine Love is the Law of Universal Sympathy Worldly and Devotional Love are the two opposing paths of One Divine Love in the mayavic universe of being Monosexual consciousness is a characteristic of psychic development But in spiritual development consciousness is asexual The first step in true occultism is to try to apprehend the meaning of Universal Brotherhood Devotion and aspiration will help to raise consciousness to higher planes where faith self sacrifice and loyalty to the Teachers is rewarded Give it all away or you will lose it Can devotion to inner contemplative life and a life of fine unselfishness allow of the growth of faculties otherwise dormant and a growing recognition of the underlying unity of man and his surroundings so that truth will make itself known from within and help one to develop a greater physical command of the forces of nature Without Esoteric Philosophy guiding the soul neither meditation nor devotion to duty can make the Wisdom of Love bare her bosom to the inner eye and reveal the sublime secrets of Cosmogony to the multitude Angel worship is misplaced and ill advised
