

DANCE ME TO THE END OF LOVE

Dance me to your beauty with a burning
violin

Dance me through the panic 'til I'm
gathered safely in

Lift me like an olive branch and be my
homeward dove

Dance me to the end of love

Dance me to the end of love

The Canterbury Tales and Faerie Queene; with Other Poems of Chaucer and Spenser Geoffrey Chaucer,1870 Some Longer Elizabethan Poems Various Authors,2020-09-28 As there is no need to adopt a strictly chronological order for the poems included in the present volume I have begun with the Orchestra and Nosce Te ipsum of Sir John Davies 1569 1626 who was undoubtedly one of the most brilliant figures of the Elizabethan Age Well born and gently bred educated at Winchester and at New College Oxford Davies was exceptionally fortunate in escaping the pecuniary cares that harassed so many Elizabethan men of letters From the Middle Temple he was called to the bar in 1595 at the age of twenty six In the previous year Orchestra had been entered in the Stationers Register but the poem was first published in 1596 From the dedicatory sonnet to Richard Martin we learn that it was written in fifteen days There are however no signs of haste in the writing and it may fairly be claimed that this poem in praise of dancing is a graceful monument of ingenious fancy Lucian composed a valuable and entertaining treatise on dancing and I suspect that gave Davies the idea of writing Orchestra With this compare Lucian as Englished by Jasper Mayne First then you plainly seem to me not to know that dancing is no new invention or of yesterday s or the other day s growth or born among our forefathers or their ancestors But they who most truly derive dancing say it sprung with the first beginning of the universe and had a birth equally as ancient as love It would be easy to multiply instances Of course Davies borrowings from Lucian do not for a moment detract from his poem s merit indeed they give an added zest In the 1596 edition Orchestra ends with a compliment to Queen Elizabeth and stanzas in praise of Spenser Daniel and others Davies had evidently intended to write a sequel for when Orchestra was republished in the collective edition of his poems 1622 it was described on the title page as not finished some new stanzas were added and it ended abruptly in the middle of a simile The poem is quite long enough as we have it in the 1596 edition and we need not lament that Davies failed to carry out his intention of continuing it To his youthful days belong the Epigrams which were bound up with Marlowe s translation of Ovid s Amores with a Middleburgh imprint occasionally indecorous they are seldom wanting in wit and pleasantry Poems from the Heart Jill Renee Grimm,2016-03-11 I didnt decide to write a poetry it just came to me I have always loved poetry and literature Poetry expresses the emotions inside of us that we cant

express to a person rather it be love sadness disappointment or remorse Poetry is the words that makes our hearts feel but also teaches us others whom listens to the poems I believe in teaching children at a young age to express with words I believe totally in communication in a marriage or relationship for when we hold it so much inside so why not write what I feel if I cant tell a person I write of love for I have love Love from God even if the neighbor hates me I write of love I believe most f writing I express in words comes from being the third child I was shy as a child and in my marriage I never got to speak the way I felt never was important towards the end of my marriage so I just shut down and wrote
