The Book of Love James McConnachie, 2008-05-27 An engaging enlightening biography of the ancient Hindu manuscript that became the world's most famous sex manual The Kamasutra is one of the world's best known yet least understood texts its title instantly familiar but its actual contents widely misconstrued In the popular imagination it is a work of practical pornography a how to guide of absurdly acrobatic sexual techniques Yet the book began its long life in third century India as something quite different a seven volume vision of an ideal life of urbane sophistication offering advice on matters from friendship to household decoration Over the ensuing centuries the Kamasutra was first celebrated then neglected and very nearly lost until an outrageous adventurer introduced it to the West and earned literary immortality In lively and lucid prose James McConnachie provides a rare intimate look at the exquisite civilization that produced this cultural cornerstone He details the quest of famed explorer Richard F Burton who along with his clandestine coterie of libertines and iconoclasts unleashed the Kamasutra on English society as a deliberate slap at Victorian prudishness and paternalism And he describes how the Kamasutra was driven underground into the hands of pirate pornographers until the end of the Lady Chatterley obscenity ban thrust it once more into contentious daylight The first work to tell the full story of the Kamasutra *The Book of Love* explores how a remarkable way of looking at the world came to be cradled between book covers and survived

In Love and War: Kiwi soldiers' romantic encounters Susan

Jacobs, 2012-04-26 When New Zealand forces arrived in Italy following the 1943 Armistice with the Allied forces it was inevitable they would mingle with the local population The Italians opened their homes and hearts to the New Zealand soldiers who delighted in finding young Italian signorinas everywhere In *Love and War* tells of the liaisons and love affairs of New Zealand soldiers and their Italian sweethearts during World War Two For some the result was marriage leading to a new and often strained life for the Italian war brides on the other side of the world For others their wartime romance ended in heartbreaking separation when the Kiwi soldiers were posted elsewhere or returned home Unknowingly some left behind children who would grow up without ever meeting their natural fathers While the New Zealand commanding officers did their very best to curtail fraternisation between Kiwi soldiers and the civilian population for servicemen starved of female company relationships were easy to fall into These touching stories of their romantic wartime encounters reveal the human side of war

reveals the heart of twentieth century Italian politics Giovanni and Giorgio Amendola father and son were both highly capable and dedicated Anti Fascists Each failed to make it to the top of the Italian political pyramid but nevertheless played a major part in Italy s history Both also had rich but contrasting private lives Each married a foreign and accomplished woman Giovanni a woman from a distinguished German Russian intellectual family Giorgio a Parisian working class girl who to him embodied Revolution This vivid and engaging biographical study explores the highs and lows of a family that was at the centre of Italian politics over several generations Tracing the complex relationship between Anti Fascist politics and the private lives of individuals and of the family Politics Murder and Love in an Italian Family offers a profound portrait of a century of Italian life **The Love Letters of Honoré de Balzac, 1833-1842** Honoré de Balzac,D. F. Hannigan,1901

Three Modern Italian Poets Joseph Cary,1993-10-16 Focusing on the most recent triad of Italian poetic genius Umberto Saba Giuseppe Ungaretti and Eugenio Montale Joseph Cary not only presents striking biographical portraits as he facilitates our understanding of their poetry he also guides us through the first few decades of twentieth century Italy a most difficult period in its literary and cultural development **Love and Politics in Wartime** Benedict Solomon Alper,1992 History of the Literary Cultures of East-Central Europe Marcel Cornis-Pope,John Neubauer,2006-09-13 Continuing the work undertaken in Vol 1 of the History of the Literary Cultures of East Central Europe Vol 2 considers various topographic sites multicultural cities border areas cross cultural corridors multiethnic regions that cut across national boundaries rendering them permeable to the flow of hybrid cultural messages By focusing on the literary cultures of specific geographical locations this volume intends to put into practice a new type of comparative study Traditional comparative literary studies establish transnational comparisons

and contrasts but thereby reconfirm however inadvertently the very national borders they play down This volume inverts the expansive momentum of comparative studies towards ever broader regional European and world literary histories While the theater of this volume is still the literary culture of East Central Europe the contributors focus on pinpointed local traditions and geographic nodal points Their histories of Riga Plovdiv Timișoara or Budapest of Transylvania or the Danube corridor to take a few examples reveal how each of these sites was during the last two hundred years a home for a variety of foreign or ethnic literary traditions next to the one now dominant within the national borders By foregrounding such non national or hybrid traditions this volume pleads for a diversification and pluralization of local and national histories A genuine comparatist revival of literary history should involve the recognition that treading on native grounds means actually treading on grounds cultivated by diverse people

Women and Men in Love Anthony Edward Waine, 2007 It has often been assumed that Europeans invented and had the exclusive monopoly over courtly and romantic love commonly considered to be the highest form of relations between men and women This view was particularly prevalent between 1770 and the mid twentieth century but was challenged in the 1960s when romantic love came to be seen as a universal sentiment that can be found in all cultures in the world However there remains the historical problem that the Europeans used this concept of love as a fundamental part of their self image over a long period traces of it still remain and it became very much caught up in the concept of marriage This book challenges the underlying Eurocentrism of this notion while exploring in a more general sense the connection between identity and emotions
