Love Hannah A Novel:

Love, Hannah Melinda Jennings, 1989 *Love from Your Friend*, Hannah Mindy Warshaw Skolsky, 1998 From her home in back of the Grand View Restaurant in rural New York Hannah writes letters to her best friend a pen pal and even to President and Mrs Roosevelt [Novel Approaches to Lesbian History](#) Linda Garber, 2022-01-01 Novel Approaches to Lesbian History tells a tale about history and community in our allegedly post identity era examining contemporary novels that depict lesbian characters in recognizable historical situations These imaginative stories provide a politically vital speculative past in the face of a sketchy problematic archive Among the memorable characters in some 200 novels are pirates cowgirls and famous artists ghosts and time travellers immigrants and lovers The best lesbian historical novels are conscientious and buoyant as they engage critical historiographical questions but Novel Approaches also discusses the class and race biases that weigh on the genre Some lesbian historical novels are based on archival evidence others on conjecture or fantasy but all convey the true fact that identity is elusive without a past without which its future is nearly impossible

The Things We Do for Love Kristin Hannah, 2010-02-16 NATIONAL BESTSELLER Kristin Hannah is superb at delving into her main characters psyches and delineating nuances of feeling The Washington Post Book World Years of trying unsuccessfully to conceive a child have broken more than Angie DeSaria's heart Following a painful divorce she moves back to her small Pacific Northwest hometown and takes over management of her family's restaurant In West End where life rises and falls like the tides Angie's fortunes will drastically change yet again when she meets and befriends a troubled young woman Angie hires Lauren Ribido because she sees something special in the seventeen year old They quickly form a deep bond and when Lauren is abandoned by her mother Angie offers the girl a place to stay But nothing could have prepared Angie for the far reaching repercussions of this act of kindness Together these two women one who longs for a child and the other who longs for a mother's love will be tested in ways that neither could have imagined Enormously entertaining Hannah has a nice ear for dialogue and a knack for getting the reader inside the characters heads The Seattle Times **Hannah's Journey** Anna Schmidt, 2011-05-01 What could bring an Amish widow and a wealthy circus owner together Though Hannah Goodloe knew she'd violated countless unwritten laws she had to visit the only man who could help find her runaway son But when the enigmatic Levi Harmon agreed to take her on his train the results were utterly unpredictable Levi never expected to find the embodiment of all he wanted in a woman in the soft spoken plainly dressed Hannah And for Hannah to love an outsider was to be shunned The simple pleasures of family faith and place to belong seemed an impossible dream Unless Levi unlocked his past and opened his heart to God's plan **Sororophobia** Helena Michie, 1992 This book looks at how differences among women have been textually represented at a variety of historical moments and in a variety of cultural contexts including Victorian mainstream fiction African American mulatto novels late twentieth century lesbian communities and contemporary country music Sororophobia designates the complex and shifting relations between women's attempts to

identify with other women and their often simultaneous desire to establish and retain difference Michie argues for the centrality to feminism of a paradigm that moves beyond celebrations of identity and sisterhood to a more nuanced notion of women's relations with other women which may include such uncomfortable concepts as envy jealousy and competition as well as more institutionalized ideas of difference such as race and class Chapters on literature are interspersed by inter chapters on the choreography of sameness and difference among women in popular culture

When Love Calls (The Gregory Sisters Book #1) Lorna Seilstad, 2013-05-01 Hannah Gregory is good at many things but that list doesn't include following rules So when she is forced to apply for a job as a telephone switchboard operator to support her two sisters she knows it won't be easy Hello Girls must conduct themselves according to strict and often bewildering rules No talking to the other girls No chatting with callers No blowing your nose without first raising your hand And absolutely no consorting with gentlemen while in training Meanwhile young lawyer Lincoln Cole finds himself in the unfortunate position of having to enforce the bank's eviction of the three Gregory girls from their parents' home He tries to soften the blow by supporting them in small ways as they settle into another home But fiery Hannah refuses his overtures and insists on paying back every cent of his charity When one of Hannah's friends finds himself on the wrong side of a jail cell Hannah is forced to look to Lincoln for help Will it be her chance to return to her dreams of studying law And could she be falling in love With historic details that bring to life the exciting first decade of the twentieth century Lorna Seilstad weaves a charming tale of camaraderie and companionship that blossoms into love Readers will get lost in this sweet romance and will eagerly look forward to championing each sister's dreams
