counseling You don't have to worry anymore in any difficulties in analyzing cases which is no answer for you as a counselor. With this book you are able to use as a guideline or you name it as a backbone in the world of counselling whereby any expert in counselling or psychologist trapped finding an answer of a person with another person or solving self personal issue as a counselor they are unable to solve own problem but others they can. Majority of counselors throughout the world have an internal issue with themselves which they are unable to separate the truth of this existence on this planet earth especially their patient or client. By becoming as a counselor and involved in the profession as a counselling teacher, counselling practitioner or counselor in respective company or organization for them black is black and white is white. There are only two answers that arise for them: the black and white or yes and no. In their world there are no colors that exist in their book of profession. Now you've come to know this book. This book is able to paint your unknown answer, unknown color and the subjectivity of black and white into a beautiful picture, beautiful colors of rainbows. Any problems and difficulties in arising in your profession now onward you'll be able to use this book as the string of guide in psychology and counselling world. This string of guide originates from 'The Red Thread Of Fate', a sole invented formula of love and relationship. This is an expansion of the author's book 'The Red Thread Of Fate: The Time Machine Of Love' in the capability with human relation.
