Segregated Love Samuel Anderson, 2022-09-05 It's not only segregated love but forbidden love The type of love that's looked down upon in the south It's the type of love that made the Sheriff of Houston an outlaw with a bounty placed on his head Bestselling historical and cultural author Samuel Anderson bestows the fiction story set in the old town of Houston Texas where two friends had turned an early childhood friendship into a kill or be killed relationship Segregated Love is the perfect combination of historical fiction erotica and action Sheriff Hank Thompson is a wealthy plantation owner He inherited his father's empire and the votes of Houston Texas making him a second generation sheriff of the town Like his father Hank treats all people with respect regardless of their skin color unlike Henry who sees the slaves as equivalent to animals Though Hank does not need any more slaves he impulsively buys a new one only for two reasons she was intoxicating to look at and he couldn't let his former friend Henry buy her Hank knew the things Henry would do to this beautiful Black woman and he wasn't going to let that happen The Sheriff introduces this new lady to his farm and other slaves He has a weird affection for her and gradually the two begin to reveal this feeling as a mutual occurrence which resulted in a secret intimate relationship When Hank frees two of his favorite slaves Henry makes it his mission to destroy him his goal all along The town finds out about the freed slaves and the forbidden relationship Hank was involved in and Hank is stripped of his badge and labeled as an outlaw He faces an ultimatum of traveling as far away as he can go or hang by the neck in front of the whole town Meanwhile Henry takes over as sheriff capturing Hank's newly bought slave and using her for sex and torture Tormented by the mental images of abuse she must be going through Hank decides to go back into his old town after disappearing for three months to save the love of his life even if it means somebody will collect the bounty placed on his head And though he's the fastest gun in the south he'll still need the help of his new friends from the Native American village he's been living in this whole time

FALLING IN LOVE AT THE END OF THE ROAD Ronald John Vierling, 2013-03-25 A Most Unlikely Likely American Tale Appearances can be deceptive First impressions can be misleading People who might seem so different that they could never become a couple sometimes turn around and fall in love Perhaps that's part of what makes the world interesting Falling in Love at the End of the Road is that kind of story A young unmarried Haitian woman Isabel Jean fleeing with her ten year old daughter as far away from the dangers of violent abuse as she can all the way to Ely Minnesota crosses paths with a mature Caucasian widower Samuel Woolf who has lived in lonely isolation in his family's lake house for two years following his beloved wife's death Initially drawn together by her financial and his emotional needs as time passes they discover their apparent ethnic differences are superficial their psychological

similarities are profound However be advised while this tale might initially appear predictable and simple it is in fact deceptively compelling and complex as compelling as the heroine and hero s evolving relationship and as complex as the surprising if terrifying climax Isabel Ebony Jean and Samuel Singer Woolf may well be the most unlikely likely couple modern readers have ever had the experience of meeting Joyce Davidsen M Ed University of Central Florida **Ebony** ,2003-02 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *Let's Talk About DEI* Shaun Harper,2025 This much needed resource offers fresh multi sided viewpoints on seemingly divisive politically polarizing issues in education business politics sports entertainment policing and technology It models for professionals and everyday Americans ways to productively critique learn from and respond to other people s perspectives on topics related to diversity equity and inclusion DEI A variety of contested issues are debated including consequences for kids who do racist things in schools the U S Supreme Court s Affirmative Action reversal legacy advantages in college admissions the tumultuous tenure of Harvard s first Black president legislative attacks on DEI initiatives and celebrity coaches at Historically Black Universities Readers will also see how the author and his students engage in respectful disagreements about celebrities and influencers including Beyonc Elon Musk Kanye West Megan Thee Stallion Brittney Griner and Deion Coach Prime Sanders This dynamic book includes chapters on Joe Biden Nikki Haley Ron DeSantis Kevin McCarthy George Santos and Karen Bass Book Features Replicable models for engaging in respectful disagreements about divisive topics Current issues that are being debated amongst everyday Americans teachers and educational leaders politicians and business professionals Concise chapters pertaining to K 12 and higher education institutions as well as DEI issues in business politics sports entertainment policing and technology **Why Does Love Hurt so Good?** Ondray Pearson,2019-10-30 Why Does Love Hurt So Good It s hard to explain why we stay with someone who isn t treating or loving them the way they should Staying some would say is foolish unhealthy and not normal and they re right but for you to understand the why you must experience loving someone first hand because until you do you have no idea the power that love has over many of us Within these stories you will read and experience what people will do to have someone love them Sex lies deception betrayal abuse and infidelity were just a few of the traits used to obtain what they thought would make them happy in their relationship As you read you will at some point have to rethink what you thought you knew about love because contrary to what many think and believe not all love is good love that we receive from those we love Readers are talking Avis Parter from Fayetteville North Carolina says It truly touched my soul I saw myself in it I loved it I cried because it was so my life I needed this book three years ago Deborah Antrum St Louis Missouri says I read your book and I love it I let my daughter read also I am looking forward to what you have in the making you have my FULL support Pastor Ricardo Manuel from Savannah Georgia says The book is a great read I recommend that you get a copy and read it for yourself
