Love Letters from the Depression H. C. Byler, 2001-07

Passions and secrets lie panting and torrid beneath the placid surface of the lives of the genteel women and men of Amelia Island. The island's own charms have seduced me to lay claim to this place Fernandina, Florida, as my own. The Golden Years after the Civil War brought completion of the railroad and affluence with the influx of carpetbaggers from the North. Beauty arrived as well in the form of Katie Eppes, newly wed to one of our town's most dashing young conductors of the Florida Peninsular Railroad, T. J. Jeff Eppes, great-great-grandson of President Thomas Jefferson. Katie's zest for life and disregard of acceptable social etiquette start tongues wagging and lead Jeff on a husband's less than ideal start to married bliss. Her determination to have things her way culminates in the worst of tragedies. So my story begins. **Everyday Love Letter**

DaChana Blaydes, 2020-01-21. **Everyday Love Letter** 365 Days of Love Letters is a collection of love letters written by DaChana Blaydes in 2019. Hannah Brencher, 2016-04-19. A memoir of love and faith from Hannah Brencher, who has dedicated her life to showing total strangers that they are not alone in the world. Fresh out of college, Hannah Brencher moved to New York, expecting her life to look like a scene from *Sex and the City*. Instead, she found a city full of people who knew where they were going and what they were doing. Lonely and depressed, she noticed a woman who looked like she felt the same way on the subway. Hannah did something strange: she wrote the woman a letter. She folded it, scribbled "If you find this letter, it's for you" on the front, and left it behind. When she realized that it made her feel better, she started writing and leaving love notes all over the city, eventually sending 400 handwritten letters as a result of an Internet post and starting the website *The World Needs More Love Letters*. **HumanKind** Brad Aronson, 2020-04-14. An elegant, wise book of love in action. Deepak Chopra: "These stories will inspire you." Gabrielle Bernstein: "1 New York Times bestselling author of *The Universe Has Your Back*." **HumanKind** is the heartwarming, feel-good book that we all need right now. Brad Aronson's life changed in an instant when his wife Mia was diagnosed with leukemia. After her diagnosis, Brad spent most of the next two and a half years either by her side as she received treatment or trying to shield their five-year-old son Jack from the worst of Mia's illness. Amid the stress and despair of waiting for the treatment to work, Brad and Mia were met by an outpouring of kindness from friends, family, and even complete strangers. Inspired by the many demonstrations of humankindness that supported their family through Mia's recovery, Brad began writing about the people who rescued his family from that dark time, often with the smallest of gestures. But he didn't stop there. Knowing that simple acts of kindness transform lives across the globe every day,

he sought out these stories and shares some of the best ones here In HumanKind you ll meet the mentor who changed a child s life with a single lesson in shoe tying the six year old who launched a global kindness movement the band of seamstress grandmothers who mend clothes for homeless people and many other heroes Brad also provides dozens of ways you can make a difference through the simplest words and deeds You ll discover how buying someone a meal or sharing a little encouragement at the right time can change someone s world as well as your own The resource section at the back of the book provides guidance and organizations that will help you channel and amplify your own acts of kindness Here you ll discover How you can fund a surgery to cure someone s blindness with a donation of less than 200 Organizations through which you can provide a birthday gift for a child who otherwise wouldn t receive one Multiple places where you can send letters of encouragement to support hospitalized kids lonely seniors refugees veterans and others in need And over fifty more ways you can change a life HumanKind will leave you grateful for what you have and provide a refuge from the negativity that surrounds us This feel good book will touch your heart You ll laugh you ll cry and you ll be reminded of what really matters All author royalties go to Big Brothers Big Sisters

into the here and now to build the life God has designed for you Life is scary Adulting is hard When faced with the challenges of building a life of your own it s all too easy to stake your hope and happiness in someday But what if the dotted lines on the map at your feet today mattered just as much as the destination you dream of Hannah Brencher TED Talk speaker and founder of The World Needs More Love Letters thought Atlanta was her destination Yet even after she arrived she found herself in the same old chase for the next best thing somewhere else And it left her in a state of anxiety and deep depression Our hyper connected era has led us to believe life should be a highlight reel where what matters most is perfect beauty instant success and ready applause Yet as Hannah learned nothing about faith relationships or character is instant So she took up a new mantra be where your feet are Give yourself a permission slip to stop chasing the next big thing and come matter here Engage the process as much as you trust the God who lovingly leads you If you are tired of running away from your life or tired of running ragged toward the next thing you think will make you feel complete Come Matter Here will help you do whatever it takes to show up for the life God has for you Whether you need to make a brave U turn take a bold step forward or finish the next lap with fresh courage find fuel and inspiration for the journey right here Queer Opera Andrew Sutherland,2023-03-27 In Queer Opera Andrew Sutherland argues that operas often reflect characteristics of the society and epistime in which they are written but that they also do much more than that operas have agency LGBTQ social cultural and political issues have become an increasingly defining feature of twenty first century life and as agency for change composers have turned to opera to underscore the lived queer experience Sutherland posits that operas written before the sexual revolution of the mid twentieth century utilized a codified language both in the libretto and score communicating with those observers open to a queer reading He explores the growing trend of local small scale independent opera companies seen around the world towards the end of the first decade of the twenty first century and argues that this has emboldened queer artists to reclaim opera as a queer space He further argues that for several centuries opera houses have been safe havens for queer composers librettists performers and designers and yet it is only relatively recently that any serious attempt at queer representation in operatic works has begun to be realized In this book he examines narratives and music of selected operas to walk through queer history in Western societies and shines a light on how many of opera s well known characters based on historical figures who represent pivotal moments in the queer story are responsible in a variety of ways for the continued struggle for queer acceptance Cruise the World for \$50 a Day H. C. Byler Jr.,2008-06 In this Thirty Days of Focus Prayer Apostle R Joshua Mitchell carefully unfolds key passages from the Bible demonstrating how to be a prayer asking Christ Jesus to teach us to pray understanding that men must always pray and not faint The apostolic prayer strategies found in this book will draw the reader more into becoming a prayer and not just praying when things happen or when you want something from the Lord You will be a prayer meeting The time has come when all Christians must realize the power of prayer knowing the way Jesus prayed which was authoritative powerful prayers that Heaven heard and always responded to and these
