many ways to approach this type of research **Cries of a Tortured Soul** R.I. IYEMERE,2013 Since the beginning of time sometimes some peoples chose to write about their life experiences In these works I have just done that but in a form of Poetry because Love is the Stranger Who disagrees should go on and write their version of stories about me is their prerogative I have been discredited by those strangers that think that they hold the powers but I have stated the facts of the matters The things that I heard them say about my daughter and me but I do not possess the powers to rectify the mistakes that have been made As we lead our lives we all make mistakes daily because we are all humans and we are all fallible Due to all that have gone on so many times I cried myself to bed In my darkest hours I was consoled by my Wonderful Daughter Instead of being the Child She grew up faster and became the shoulders to cry on and so I dedicate the entirety of these works to my late daughter s foundation FOUNDATION IN MEMORIES OF ADA EMILA RUTH VALMORI Bsc Hons BECAUSE THESE HONOURS ARE YOURS AND MUST REMAIN YOURS ALONE TILL THE END OF TIME To her Father the Kindest Man truly with a heart of gold the kindest Man on Earth of whom without I probably would not have been here today The Man who brought up his Stepson with the Kindest Heart as he would bring up His Own Natural Child and To My Grandson To another Man a wonderful Person of whom without we would have been homeless for much longer than necessary He who saw that wrong was done and asked that things should be put right To those freedom fighters of yester years and those of today To they who fight for the rights of the weak due to injustices in our World To All the Descendants of Immigrants the World Over those from the beginning of time since Humankind because they were the courageous pioneers who set the pace that some of us followed To those who have travelled abroad to cure their Child To those that believe in Fairness and those who believe in Kindness To those who believe in Love To the Just Women and the Just Men of This Our Great Universe R I IYEMERE *McClure's Magazine* ,1924 Women & Aging Helen Rippier Wheeler,1997 Guide with more than two thousand bibliographic entries and cross references It includes journal articles book chapters essays and doctoral dissertations as well as complete books Buffy Conquers the Academy U. Melissa Anyiwo,Karoline Szatek-Tudor,2014-07-24 Buffy Conquers the Academy represents the cusp of pioneering research into a television show that has inspired a wealth of academic study since its cancellation in 2003 As a reflection of the current obsession with all things vampiric this text offers an alternative perspective on the vampire myth from the point of view of scholars in the field and thereby celebrates the continuing existence of Buffy Studies as an endlessly fruitful academic discipline that is truly global and interdisciplinary The Associations of Popular Culture and American Culture PCA ACA have a tradition of encouraging growth in intellectual inquiry and the acceptance of Buffy Studies as a subgenre of the Vampire area in 2008 reflected the belief in this globally recognized sustainable discipline In this volume Buffyologists delve into the intricate world of Sunnydale from multiple perspectives that cut across all academic disciplines ranging from gender sexuality to religion making this collection an excellent reflection of the current body of work under the umbrella of Buffy Studies **The Writer**

,1916 **The Homiletic Review** ,1913 *Master Kierkegaard: The Complete Journals* Ellen Brown,2013-05-08 In this serial work of religious historical fiction Magda a fallen woman from Berlin turned maidservant in the house of Sren Kierkegaard seeks the full life that has thus far eluded her Two journals set in the summer of 1847 record Magda s responses to the Luther Bible Goethe s Faust and her elusive yet compelling master who is simultaneously crafting his Works of Love Three journals set in the fall winter and people s spring of 1847 and 1848 reflect Magda s ongoing engagement with secular and sacred writings her sporadic yet intimate interactions with her master the precariousness of her position in his household and the rapidly changing social landscape at the same time as Kierkegaard begins revises or completes several of his most existential and prophetic works A sixth journal set in the summer of 1848 reveals Magda s final disposition Is she judged or is she saved One Year with Dicky Elizabeth Aguilar,2015-03-09 Dicky and Lizzie despite being in their sixties and living alone for almost twenty years got their lives intertwined something which they both acknowledge as destined by God Conservative Lizzie grew up in a household where sex was not mentioned in daily conversations while modern day Dicky s outlook on the matter was the opposite Every day he sent Lizzie text messages of sexual jokes which caused their budding friendship to be turbulent But after months of daily exchange of text messages they slowly chipped away the edges of their rough relationship sculpting a beautiful friendship such that not a day passed by without one missing the other Then something suddenly happened to Dicky He fell into depression shutting himself away from the outside Will it be the end of Dicky and Lizzie *Telling Lives* Marianne Horsdal,2011-07-15 Both interest in and understanding of narrative analysis had developed rapidly in recent years and is now a mainstream element of research across many disciplines In the groundbreaking *Telling Lives* Exploring dimensions of narratives the author illustrates as many facets as possible of the stories people tell about their lives She demonstrates *The Legendary Daddy* Alejandro Magallanes,2017-06-20 A fathers journey is legendary The life he lives after the birth of his child casts a light or shadow onto his progeny This is the story of a father who realizes that his legend is as glorious as it is heartbreaking His life changing adventure serves as a guide for new parents sending imperfect adults onto a life of heroic self sacrifice Patient Listening Loreen Herwaldt,2017-01-01 From the fictional portrayal of Dr Gregory House to Jerome Groopman s bestseller *How Doctors Think* both medical professionals and the general public recognize that there is more to the doctor s job than technical practice Yet why do so many patients come away from their doctors offices feeling dissatisfied with their interactions In this welcome addition to the growing field of narrative medicine physician Loreen Herwaldt uses the illness narratives of two dozen writer patients to teach listening skills to medical students residents physicians and other health care providers Herwaldt skillfully pares each narrative down to its most basic elements rendering them into powerful found poems that she has used successfully in her role as a teacher and in her own practice Drawing from narratives by writers who are both emerging and well known including Oliver Sacks Richard Selzer and Mary Swander each poem reveals the experience of illness and treatment from the patient s perspective

Patient Listening includes a detailed general introduction and a how to guide that will prove invaluable in the classroom and in clinical practice This book will inspire thoughtfulness in everyone who reads it It is also designed to foster discussions about all aspects of the patient experience from ethics to stigmatization to health insurance Patient Listening is not just about bedside manner but also about how health care providers can gain the most from their interactions with patients and in turn offer more appropriate treatments develop more cooperative and responsive relationships with their patients and thus become better doctors
