Baseball's Power Shift Krister Swanson,2016-03

From Major League Baseball's inception in the 1880s through World War II team owners enjoyed monopolistic control of the industry Despite the players desire to form a viable union every attempt to do so failed The labor consciousness of baseball players lagged behind that of workers in other industries and the public was largely in the dark about labor practices in baseball In the mid 1960s star players Sandy Koufax and Don Drysdale staged a joint holdout for multiyear contracts and much higher salaries Their holdout quickly drew support from the public for the first time owners realized they could ill afford to alienate fans their primary source of revenue *Baseball's Power Shift* chronicles the growth and development of the union movement in Major League Baseball and the key role of the press and public opinion in the players successes and failures in labor management relations Swanson focuses on the most turbulent years 1966 to 1981 which saw the birth of the Major League Baseball Players Association as well as three strikes two lockouts Curt Flood's challenge to the reserve clause in the Supreme Court and the emergence of full free agency To defeat the owners the players union needed support from the press and perhaps more importantly the public With the public on their side the players ushered in a new era in professional sports when salaries skyrocketed and fans began to care as much about the business dealings of their favorite team as they do about wins and losses Swanson shows how fans and the media became key players in baseball's labor wars and paved the way for the explosive growth in the American sports economy Purchase the audio edition *Feel My Love* Lea

Coll,2023-02-14 As a wedding photographer I get to witness the magic the romance and the fairy tale without getting close enough for it to ever sting me again Until Nick I broke my number one rule and slept with the best man How could I resist his sexy good looks and the seductive offer of one night with no strings attached Except he broke the rules by asking me to stay So I left without leaving a note or my number sure I'd never see him again Until he moves to the same town to take care of his nephew after his dead beat dad goes to jail Suddenly he's everywhere the town's harvest festival playing arcade games at the pizzeria and coaching my son's baseball team The worst part I can't get him off my mind But I won't allow myself to fall in love again Instead I make a new offer friends with benefits It's the perfect solution Until I realize he wants more Love

Baseball's Pivotal Era, 1945-1951 William Marshall, 2021-11-21 With personal interviews of players and owners and with over two decades of research in newspapers and archives Bill Marshall tells of the players the pennant races and the officials who shaped one of the most memorable eras in sports and American history At the end of World War II soldiers returning from overseas hungered to resume their love affair with baseball Spectators still identified with players whose salaries and off season employment as postmen plumbers farmers and insurance salesmen resembled their own It was a time when kids played baseball on sandlots and in pastures fans followed the game on the radio and tickets were affordable The outstanding play of Joe DiMaggio Stan Musial Ted Williams Bob Feller Don Newcombe Warren Spahn and many others dominated the field But perhaps no performance was more important than that of Jackie Robinson whose entrance into the game broke the color barrier won him the respect of millions of Americans and helped set the stage for the civil rights movement Baseball s Pivotal Era 1945 1951 also records the attempt to organize the Pittsburgh Pirates and the Mexican League s success in luring players south of the border that led to a series of lawsuits that almost undermined baseball s reserve clause and antitrust exemption The result was spring training pay uniform contracts minimum salary levels player representation and a pension plan the very issues that would divide players and owners almost fifty years later During these years the game was led by A B Happy Chandler a hand shaking speech making singing Kentucky politician Most owners thought he would be easily manipulated unlike baseball s first commissioner the autocratic Judge Kennesaw Mountain Landis Instead Chandler s style led one owner to complain that he was the player s commissioner the fan s commissioner the press and radio commissioner everybody s commissioner but the men who pay him I Love Baseball
