The Battle For Love: Part Two Denise Vern McCray Williams, 2021-10-22

The battle for love 2 talks about my life experiences in life and the drama I had to go through just to feel some type of companionship in life rather it was with associate to get the respect and love that I thought people had to give to me until I had to learn how to give it to myself whether it was boyfriends, girlfriends, family members, or exes. It talks about how I had to learn things the hard way in life. Because I thought I knew it all and was too hardheaded to listen to anyone for advice. What I had to implement into my own life to get the love I so much desired. How I went about getting the results. Learning not to settle for less because I am worthy of self-love and respect to myself.

For the Love of Mom Maria Bailey, 2013-04-02

From teaching us to tie our shoes to parallel park, from outfitting us for our first dance or our first day in the dorm room, our moms have been our chief counselors, cheerleaders, critics, chauffeurs, and chefs. *For the Love of Mom* pays homage to the special women who rocked us, raised us, championed us, challenged us, and at times exasperated us. Whether a woman becomes a mom by giving birth or through the

blessings of adoption or step parenting she will be moved inspired and entertained by these true stories that share both the monumental milestones and everyday moments of motherhood Some stories are humorous some heartfelt others will help moms through the trying times yet all underscore the devotion and dedication we admire most about mothers While the experience of motherhood is different for every woman one thing is universal it s almost impossible to fathom the myriad of joys and triumphs encountered on the journey For the Love of Mom celebrates moms and the uniquely important roles they play in our lives
