Francoeur, Martha Cornog, Timothy Perper,1999 Love sex and marriage are changing faster than ever before in human history The current tidal wave of social changes will continue into the next century and we will have to adapt our sexual values and relationships to these accelerating changes These 22 honest authentic stories tell of the unconventional paths pioneering church leaders and spiritually aware women and men have taken in their quest to link their sexuality with their spiritual needs Some might see in these unorthodox explorations only tales of promiscuous couplings But these are not stories of wild thrill seekers These are tales told from the core of their being about their deeply felt need for genuine responsible love and intimacy within a spiritual context Their journeys do not promise paradise or instant happiness as popular magazines do with recipes for lifelong marital bliss and fiery passion These sojourners have much to teach us even when we decide that this or that path is not for us Their individual paths are not nearly as important as the simple message of God and Eros being inseparable that underlies journey God and

Raney Wright, 1981 The Theatre of Love, Sex, Marriage and Beyond Gaglozoo H. A. Berdie, 2016-04-25 It is through a deep reflection that I have been able to frame the title of this book which is The Theatre of Love Sex Marriage and Beyond In fact the contents of this book take their roots from the title This book is designed to cover as much as possible a substantial number of the various aspects of the subjects I have discussed as dealt with specifically by the innumerable authors at one time or the other It is without the slightest doubt that not all or every aspect of the subjects of love sex and marriagewritten or propounded by authors researchers psychologists sexologists and medical scientistscan be found in one book These different and innumerable ideas theories hypothesis and research findings are as scattered in uncountable books articles newsprints or papers and magazines I will in all honesty admit that what I have attempted to do in this book is only a tip of the iceberg considering the infinitude of the intellectual input and output of others in the myriad of data on the subject I have divided this book into four parts love sex marriage and the beyond These notwithstanding I hope this humble rendition however inadequate would give readers a general overview of the essentials of these enigmatic subjects of love sex marriage and the beyond A Biblical Guide to Love, Sex and Marriage Derek Thomas, Rosemary Thomas, 2007 This book is about marriage and its relationships based on the Song of Solomon Interpreting this book of the Bible has been a controversial issue for many years First it is a book about love marriage and sex It is thoroughly immersed in the goodness of the created order Second in teaching us about intimate relationships in marriage it helps us understand how marital union reflects Christs relationship to the church corporately and the believer individually Thirdly the Song of Solomon is Gods inerrant Word It is breathed out by God and profitable for teaching for reproof for correction and for training in righteousness that the man of God may be adequate equipped for every good work 2 Tim 3 16 17 We cannot keep this issue buried beneath the surface but hovering over everything we understand of the Song Being persuaded of its divine authorship and sanctifying intent should keep us from embarrassment on the one hand and sentimentality on the other The Holy Spirit thought it necessary that we be given these love poems to teach and exhort us to love more deeply the one he has provided to share our lives with It is only right therefore that we reciprocate with gratitude for this gift Love, Sex, & Marriage Volume 1 Barrington O. Burrell Ph.D,2013-04-09 This is a valuable book on the topical subjects of love sex and marriage from a practical Christian perspective The author uses clear understandable language to point out the God given purpose of sex in marriage and some of the potential dangers of sexual abuse He explores the early beginnings of new born babies and their subsequent growth over the years to puberty and adolescence Teenagers are like strangers in a foreign country They are experiencing a difficult period of transition between childhood and adulthood At this crucial stage of their development young people have a keen interest in fashion music and sex Many are sexually active and some begin to think about marriage and family life although they often confuse love with lust and they are not mature enough to assume the responsibility of parenthood Love, Sex and Marriage Khalid Sohail, 2004 In this intellectually stimulating dialogue between two
