

**THIS IS HOW WE KNOW WHAT LOVE IS:
JESUS CHRIST LAID DOWN HIS LIFE FOR
US. AND WE OUGHT TO LAY DOWN OUR
LIVES FOR OUR BROTHERS. IF ANYONE
HAS MATERIAL POSSESSIONS AND SEES
HIS BROTHER IN NEED BUT HAS NO
PITY ON HIM, HOW CAN THE LOVE OF
GOD BE IN HIM? DEAR CHILDREN, LET
US NOT LOVE WITH WORDS OR TONGUE
BUT WITH ACTIONS AND IN TRUTH.**

Jesus My Valentine Henrietta Hunter,2019-05-07 The greatest gift the world has is God s love for us The love God has for us precipitated God sending us Jesus to bring us back into a loving fellowship with him With all the hate evil and pain that exist in the world humanity cannot forget the power of love and the sovereignty of God God is love and since God is sovereign love still reigns not only in the hearts of men and women but in the heart of God and it is inextricably interwoven within our salvation story Our Christian salvific story is one of love it is a narrator of love We were made to love and made to be loved We were made in the image of God and God being love denotes we were made to love be loved and desire a relationship with those we love God desires a relationship with us because he loves us The love of the Father is manifested through the deeds of Jesus Christ in the Father s desired to be back in relationship with his creation The love God has for his creation must be dramatize and visualized in how we love one another and relate to those we love God s will need to be done on earth as it is in heaven Henrietta Hunter s Jesus My Valentine explores how interconnected the love we experience in our personal lives i e romantically platonically to our love for God She demonstrates this by outlining how the love and passion that the lover in Songs of Solomon possesses for his love is an extended analogy to God s love for us and how God s people ought to pursue him as their lover Her work calls readers to experience God s love through the way we experience love with others reciprocally the way readers experience love with one another is the same way readers are to experience being in love with God Henrietta introduced the magnitude of love on a horizontal level which is eye level a level reader can grasp and then raise our spiritual conscious to above eye level which is a vertical love Jesus My Valentine argues both are necessary to truly make Jesus our valentine It is when Jesus become our valentine that we come to know true love and the true meaning of true love realizing it is impossible for Jesus to be your valentine without the love of people and the people without Jesus being your valentine is not possible Henrietta s journey within Jesus My Valentine takes us from the historicity of Valentine s Day to the evolution of how we contemporarily celebrate Valentine s Day She matriculates from a historical view of Valentine s Day to a theological view of Valentine s Day moving from an anthropocentric human view of love to a theocentric God view of love Jesus My Valentine calls readers to replicate the wooing they extend on Valentines for their lovers to how readers approach and love on Jesus Henrietta outlines how readers are to love Jesus and make him their valentine in very practical ways If you asked Henrietta how to make Jesus your valentine According to this text she would suggest it is like the way a wife knows her husband and the way a husband gets to know his wife It is a love that comes from a knowledge that is only generated by living together by responding to each other s daily interests and by the needs and by listening and being present Of the love of our lord Jesus Christ, and the means of acquiring it. View Love Through Jesus Christ And The Holy Spirit. Stephanie DeLeon,2018-08-24 My Book How do we view love through Jesus Christ and the Holy Spirit explains that we need to show action when we love through Jesus Christ **Everyone Needs Love... Jesus And The LGBT** Margaret Lee,2025-02-10 A persecuted population what happens next The history of the LGBT population has included resentment even violence Many lay blame on the LGBT while others believe that the straight population is to blame This asks the long held questions of How do we Fix This and not just Who is to blame This book presents information that People Are Born People First With the assistance of five fictional stories the similarities of the characters are called to bear These common experiences and attributes how people gay or straight can have similar life experiences independent of their claimed sexuality These examples demonstrate the People First belief And where does Jesus fit in Does He believe that all LGBT people are wrong and going straight to hell Or is all forgiven by Jesus Christ and everyone is okay no matter what their beliefs are The question remains how did this happen Why does it happen More importantly can it be resolved *Loving Jesus More* Philip Graham Ryken,2014-09-30 Do you love Jesus more than your spouse Your reputation Your kids Your health Your job Your money As Christians we re called to love Jesus more than anyone or anything else But do we really do this Emphasizing that God s love for us is the source of our love for him Phil Ryken challenges us to take Jesus s words seriously and think carefully about where our affections truly lie **He Taught Love** Ellen G. White,1997 A beautiful devotional on the parables of Christ Jesus prescription for happiness in today s hectic world Stress relieving and inspiring stories Thousands of readers have found strength in these pages to deal with life s many problems Stories With a Point Sowing the Good Seed What Makes It Grow Weeds in Your Garden The Smallest Seed Partnership With Power Guaranteed Justice The Little Lost Lamb The Runaway No Warning From the Grave The Wedding Garment The Wise Embezzler Are You My Neighbor To Meet the Bridegroom **The Love of God** Christopher W. Morgan,2016-09-30 Our understanding of the love of God has been tragically distorted The comfortable sentimentalized version we commonly encounter today is far from the biblical depiction of God s love Featuring contributions from well known evangelical scholars this multi disciplinary study presents the biblical view of the love of God from the perspectives of systematic theology biblical theology apologetics pastoral theology and ethics The contributors including D A Carson Andreas J K stenberger Raymond C Ortlund Jr Robert L Plummer and many others address a variety of issues related to how God s love is expressed in the Old and New Testaments the Trinity apologetics Christian living social justice and more This addition to the Theology in Community series will promote clear sound thinking about what Scripture means when it declares that God is love Part of the Theology in Community series *The Duty of Children to Love and Seek Christ* Duncan Grant,1840 *A Place Called Heaven* E. M. Bounds,2003-11-01 If heaven is truly a paradise where God dwells we should desire it more than anything on this frail fleeting earth The trials and difficulties of life should each be seen in light of the coming glory of heaven Unfortunately we rarely view things from this perspective Our schedules are filled with the present allowing no time

for contemplating or desiring eternity Our incorrect perspective makes us spend our time on the least important things while ignoring those things that are most crucial Take a break from the present and let E M Bounds help you discover A Place Called Heaven Examining virtually all the Scriptures that pertain to heaven Bounds masterfully explains the nature of heaven and our purpose in it Get a taste of heaven here on earth learn a true Christian attitude toward eternity and discover a purer truer life

Morning and Evening Meditations from the Word of God Michael J. Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God
