Managing The Gift Alternative Approaches For Attention Deficit Disorder:

Managing the Gift Kevin Ross Emery, 2000-08 The A D D impacted person is part of the evolutionary process of humanity It is time to acknowledge that these people have many gifts and insights that can help us move more clearly into the 21st century They possess a kind of intelligence that allows them to where We have never gone before What is our reaction We complain that they are inconvenient that they do not fit in the box We often decide that the best option is to medicate and try to forget them Well change is long over due and many of our institutions and paradigms will need to shift in the process That too is long overdue Managing the Gift provides an opportunity to truly understand this thing we call A D D and how to utilize the gifts that accompany it *The Complete Idiot's Guide to Indigo Children* Carolyn Flynn, Wendy H. Chapman Dir. MA Ed, 2007-08-07 Forget the Age of Aquarius and hang on tight The term Indigo Children entered the lexicon in 1982 when psychic and author Nancy Ann Tappe talked about the coming Indigo Age in her book *Understanding Your Life Through Color* In this guide the authors explain why Indigo Children require lots of attention they tend to think holistically and intuitively and they process emotions differently Parenting these high level children is a challenge and their years in school may be challenging Articles about the Indigo phenomenon have appeared in newspapers throughout the U S and as far away as Russia over the last few years including one in the New York Times 1 06 Author Wendy H Chapman is considered one of the foremost experts on Indigo Children *Ad/Hd Generation* Cecilia Zuniga, 2010-02 This holistic parenting book is aligned with current research and with the shifts that are apparent today in support of healthier living a greener planet and a peaceful world It not only honors children s individuality and wholeness it is filled with safe effective and reliable facts and holistic parenting tools that honor all aspects of children s being their physical mental emotional spiritual and energetic bodies This easy to read guidebook also has step by step do able practices that can be used immediately to strengthen overall family relationships so that parents and kids can settle into an open flowing and more loving space with each other In AD HD Generation Dr Lopez Zuniga challenges modern society s medical approach to children s functioning proposing that its heavy reliance on intrusive drugs is both insufficient and dangerous for developing youngsters Given the risks of stimulants and other prescription drugs it is time to recognize the value of a holistic approach that includes a nurturing parent child relationship healthy lifestyle choices and full support for children to grow into well balanced adults **BOOK SUMMARY** Part One of the AD HD Generation guidebook sifts through the history causes treatment issues and controversies surrounding the AD HD diagnosis today and reviews the history and benefits of a more holistic approach to health and wellness Part Two of the AD HD Generation guidebook provides valid practical facts and information about holistic options PLUS easy to use tools charts tables and guidance for better understanding holistic parenting and supporting ALL children s wholeness and wellness Here you find answers to decide which tools and options might be supportive and do able with your child right now You get up to date accurate information so you can make the best decisions for your family Every chapter covers the history safety
