Native Americans In The Saturday Evening Post

Robert R. Redfield

Native Americans In The Saturday Evening Post:

The Native American in Short Fiction in the Saturday Evening Post Peter G. Beidler, Harry J. Brown, Marion F. Egge, 2001-01-22 The authors focus on the Indian in the short fiction from the magazine giving summaries of the plots including dialogue from the characters to show how American Indians were presented by story writers The earliest of these stories appeared in 1897 the last in 1968 Over this period of approximately seventy years 265 stories contain one Indian or many In some they are only mentioned in others they are central actors Editor's foreword p xi

Native Americans in the Saturday Evening Post Peter G. Beidler, Marion F. Egge, 2000 Researchers can now access in one volume information that was previously scattered throughout 161 rolls of microfilm Significantly the authors do more than simply list references to American Indians and Eskimos in the magazine they provide extensive summaries of many of the writings and in a number of important articles they have quoted excerpts so that we can read the originals Also included are reproductions of the images and illustrations from the magazine

The Saturday Evening Post, 1915

The Cambridge Companion to Native American Literature Joy Porter, Kenneth M. Roemer, 2005-07-21 An informative and wide ranging overview of Native American literature from the 1770s to present day

Indigenous Peoples and the Second World War R. Scott Sheffield, Noah Riseman, 2019 A transnational history of how Indigenous peoples mobilised en masse to support the war effort on the battlefields and the home fronts

Native American Literature Sean Kicummah Teuton, 2018 North American indigenous literature reaches back thousands of years to when the continent's original inhabitants first circled fires and shared tales In this Very Short Introduction Sean Teuton tells the story of indigenous literature from its ancient and largely oral beginnings to its contemporary stature in North America

The Native American, 1927

American Indians at the Margins H. Roy Kaplan, 2022-05-11 Since the earliest days of America racist imagery has been used to create harmful stereotypes of the indigenous people In this book the conflict between invading European white settlers and the indigenous groups who occupied the land that became the United States is described through the context of race and racism Using depictions from art literature radio cinema and television the origin and persistence of such stereotypes are explained and their debilitating effects on the well being of Indians are presented This text also explores their accomplishments in attempts to maintain their sovereignty dignity and respect

King Football Michael Oriard, 2005-12-15 This landmark work explores the vibrant world of football from the 1920s through the 1950s a period in which the game became deeply embedded in American life Though millions experienced the thrills of college and professional football firsthand during these years many more encountered the game through their daily newspapers or the weekly Saturday Evening Post on radio broadcasts and in the newsreels and feature films shown at their local movie theaters Asking what football meant to these millions who followed it either casually or passionately Michael Oriard reconstructs a media created world of football and explores its deep entanglements with a modernizing American society Football claims Oriard served as an agent of Americanization for

immigrant groups but resisted attempts at true integration and racial equality while anxieties over the domestication and affluence of middle class American life helped pave the way for the sport's rise in popularity during the Cold War. Underlying these threads is the story of how the print and broadcast media in ways specific to each medium were powerful forces in constructing the football culture we know today.

Unsanctioned Voice Bruce Ramsey, 2009-06-01 Distributed by the University of Nebraska Press for Caxton Press. *Unsanctioned Voice* is the story of a writer who found himself on the losing side of a national debate about the limits of government, a debate that is even more crucial today. Garet Garrett was the most eloquent enemy of FDR's policies at home and abroad and he paid the price for it.

Finding Your Native American Ancestors Guy Nixon, 2011-07-11 The environmental disaster of the Dust Bowl which turned days to nights in the far off cities of New York and Washington D C for Oklahoma tore families apart sending survivors to all corners of the country. For many people now trying to find their lost relatives and ancestors from Oklahoma the task is often more difficult than they expected. This is a compilation of my research of the Native American part of my families roots. Not only do I present my findings in their historical context but also where and how I looked to find them. I detailed the members of my family from the early 1700s to the present. A history you don't see in the school books that has fascinated me from little on. For those trying to find more about their Native American roots or those simply interested in American History from the Native American point of view this book is invaluable.

American Indian Sovereignty and Law Wade Davies, Richmond L. Clow, 2009-02-04 *American Indian Sovereignty and Law: An Annotated Bibliography* covers a wide variety of topics and includes sources dealing with federal Indian policy, federal and tribal courts, criminal justice, tribal governance, religious freedoms, economic development, and numerous sub topics related to tribal and individual rights. While primarily focused on the years 1900 to the present, many sources are included that focus on the 19th century or earlier. The annotations included in this reference will help researchers know enough about the arguments and contents of each source to determine its usefulness. Whenever a clear central argument is made in an article or book it is stated in the entry unless that argument is made implicit by the title of that entry. Each annotation also provides factual information about the primary topic under discussion. In some cases annotations list topics that compose a significant portion of an author's discussion but are not obvious from the title of the entry. *American Indian Sovereignty and Law* will be extremely useful in both studying Native American topics and researching current legal and political actions affecting tribal sovereignty.

Atkinson's Evening Post, and Philadelphia Saturday News, 1929

The Trail of Tears Herman A. Peterson, 2010-10-11 The Removal of the Five Tribes from what is now the Southeastern part of the United States to the area that would become the state of Oklahoma is a topic widely researched and studied. In this annotated bibliography Herman A. Peterson has gathered together studies in history, ethnohistory, ethnography, anthropology, sociology, rhetoric, and archaeology that pertain to the Removal. The focus of this bibliography is on published, peer reviewed, scholarly, secondary source material and published primary source documents.

that are easily available The period under closest scrutiny extends from the passage of the Indian Removal Act in 1830 to the end of the Third Seminole War in 1842 However works directly relevant to the events leading up to the Removal as well as those concerned with the direct aftermath of Removal in Indian Territory are also included This bibliography is divided into six sections one for each of the tribes as well as a general section for works that encompass more than one tribe or address Indian Removal as a policy Each section is further divided by topic and within each section the works are listed chronologically showing the development of the literature on that topic over time The Trail of Tears An Annotated Bibliography of Southeastern Indian Removal is a valuable resource for anyone researching this subject **Indian**

Metropolis James B. LaGrand, 2002 More than an outgrowth of public policy implemented by the Bureau of Indian Affairs the exodus of American Indians from reservations to cities was linked to broader patterns of social and political change after World War II Indian Metropolis places the Indian people within the context of many of the twentieth century s major themes including rural to urban migration the expansion of the wage labor economy increased participation in and acceptance of political radicalism and growing interest in ethnic nationalism Jacket **American Indian Culture and Research Journal**, 2000 American Indians and the Mass Media Meta G. Carstarphen, John P. Sanchez, 2012-10-01 Mention American Indian and the first image that comes to most people s minds is likely to be a figment of the American mass media A war bonneted chief The Land O Lakes maiden Most American Indians in the twenty first century live in urban areas so why do the mass media still rely on Indian imagery stuck in the eighteenth and nineteenth centuries How can more accurate views of contemporary Indian cultures replace such stereotypes These and similar questions ground the essays collected in American Indians and the Mass Media which explores Native experience and the mainstream media s impact on American Indian histories cultures and communities Chronicling milestones in the relationship between Indians and the media some of the chapters employ a historical perspective and others focus on contemporary practices and new technologies All foreground American Indian perspectives missing in other books on mass communication The historical studies examine treatment of Indians in America s first newspaper published in seventeenth century Boston and in early Cherokee newspapers Life magazine s depictions of Indians including the famous photograph of Ira Hayes raising the flag at Iwo Jima and the syndicated feature stories of Elmo Scott Watson Among the chapters on more contemporary issues one discusses campaigns to change offensive place names and sports team mascots and another looks at recent movies such as Smoke Signals and television programs that are gradually overturning the movie Indian stereotypes of the twentieth century Particularly valuable are the essays highlighting authentic tribal voices in current and future media Mark Trahant chronicles the formation of the Native American Journalists Association perhaps the most important early Indian advocacy organization which he helped found As the contributions on new media point out American Indians with access to a computer can tell their own stories instantly to millions of people making social networking and other Internet tools effective means for combating

stereotypes Including discussion questions for each essay and an extensive bibliography American Indians and the Mass Media is a unique educational resource

Injun Joe's Ghost Harry John Brown, 2004 What does it mean to be a mixed blood and how has our understanding of this term changed over the last two centuries What processes have shaped American thinking on racial blending Why has the figure of the mixed blood thought too offensive for polite conversation in the nineteenth century become a major representative of twentieth century native consciousness In Injun Joe's Ghost Harry J Brown addresses these questions within the interrelated contexts of anthropology U S Indian policy and popular fiction by white and mixed blood writers mapping the evolution of hybridity from a biological to a cultural category Brown traces the processes that once mandated the mixed blood's exile as a grotesque or criminal outcast and that have recently brought about his ascendance as a cultural hero in contemporary Native American writing Because the myth of the demise of the Indian and the ascendance of the Anglo Saxon is traditionally tied to America's national idea nationalist literature depicts Indian white hybrids in images of degeneracy atavism madness and even criminality A competing tradition of popular writing however often created by mixed blood writers themselves contests these images of the outcast half breed by envisioning hybrid vigor both biologically and linguistically as a model for a culturally heterogeneous nation Injun Joe's Ghost focuses on a significant figure in American history and culture that has until now remained on the periphery of academic discourse Brown offers an in depth discussion of many texts including dime novels and Depression era magazine fiction that have been almost entirely neglected by scholars This volume also covers texts such as the historical romances of the 1820s and the novels of the twentieth century Native American Renaissance from a fresh perspective Investigating a broad range of genres and subject over two hundred year of American writing Injun Joe's Ghost will be useful to students and professionals in the fields of American literature popular culture and native studies

Serving Their Country Paul C Rosier, 2012-09-03 Over the twentieth century American Indians fought for their right to be both American and Indian In an illuminating book Paul C Rosier traces how Indians defined democracy citizenship and patriotism in both domestic and international contexts Battles over the place of Indians in the fabric of American life took place on reservations in wartime service in cold war rhetoric and in the courtroom The Society of American Indians founded in 1911 asserted that America needed Indian cultural and spiritual values In World War II Indians fought for their ancestral homelands and for the United States The domestic struggle of Indian nations to defend their cultures intersected with the international cold war stand against termination the attempt by the federal government to end the reservation system Native Americans seized on the ideals of freedom and self determination to convince the government to preserve reservations as places of cultural strength Red Power activists in the 1960s and 1970s drew on Third World independence movements to assert an ethnic nationalism that erupted in a series of protests in Iroquois country in the Pacific Northwest during the occupation of Alcatraz Island and at Wounded Knee Believing in an empire of liberty for all Native Americans pressed the United States to honor its obligations at home and abroad Like

African Americans twentieth century Native Americans served as a visible symbol of an America searching for rights and justice American history is incomplete without their story

The Urban Indian Experience in America Donald Lee Fixico, 2000 As the first ethnohistory of modern urban Indians this perceptive study looks at Indians from many tribes living in cities throughout the United States Fixico has had unparalleled access to Native Americans particularly their contemporary oral tradition Through firsthand observations interviews and conventional historical sources he has been able to assess the major impact urbanization has had on Indians and see how they have come to terms with both the negative and enriching aspects of living in cities The result is an insightful and empathetic account of how Indian identity is sustained in cities Today two thirds of all Indians live in cities Many of these urban Indians are third or fourth generation city dwellers the descendants of those who first came to urban areas during the federal government s push for relocation from the late 1940s through the 1960s Fixico looks at both groups of urban Native Americans those who first settled in cities some fifty years ago and those who have grown up there in the past thirty years and finds in their experiences a record of survival and adaptation Fixico offers a new view of urban Indians one centered on questions of how their modern identity emerges and perseveres He shows how the corrosive effects of cultural alienation alcoholism poor health services unemployment and ghetto housing are slowly being overcome particularly since the 1970s After fifty years of urban experiences Native Americans living in cities are better able today than at any other time to balance tradition and modernity
