Return Of Christ:

The Second Coming John MacArthur, 2006-01-09 And if I go and prepare a place for you I will come again and will take you to myself that where I am you may be also John 14 3 ESV Jesus Christ was very clear One day He will return and none of us knows when Vocal fanatics claim to know the details of the Second Coming causing many Christians to all but ignore the good news that Jesus is coming again Yet God s own Word commands us to know the signs of the times to remain watchful and to be ready whenever Christ comes This book is a straightforward in depth exploration of the key biblical texts regarding the Second Coming most notably Christ s longest and most important eschatological message the Olivet Discourse As you study what the Word of God says about these matters it will stir in your heart an earnest longing for Christ s return as well as a certainty about how to live expectantly until He comes again Triumphant Return Grant R. Jeffrey, 2010-05-12

Triumphant Return is an upbeat positive proclamation of the tremendous prophecies about the Second Coming and the awesome transformation of humanity that will unfold when Christ ushers in the Kingdom of God Key Features Include Christ s Triumphant Return your role in the coming Kingdom of God Why are the Rapture and the Second Coming under attack today How should we understand the Bible s prophecies Literal or symbolic Past or future The coming Millennial Kingdom of God the key to understanding prophecy Historical evidence disproves the false theory that Revelation s prophecies were fulfilled in A D 70 What did the Early Church believe about the Second Coming The early Christians taught Christ s return will be literal imminent and premillennial Fascinating new research about the remarkable prophecies pointing to the nearness of Christ s premillennial return Astonishing evidence the Muslim Koran acknowledges Israel s right to the Promised Land How should the promise of Christ s return transform your faith and daily walk with God **The Return of the Lord**

Jesus Reuben Archer Torrey, 1913 The Second Coming of Christ Aimee Semple McPherson, 2014-05-05 The Lord will come again He promised us that But is His church ready We know neither the day nor the hour of Christ s return but we are instructed to be ready at all times Aimee Semple McPherson felt the urgency of this call and she urges the church to be ready for His glorious return Join Sister Aimee whom Time magazine named one of the most influential people of the twentieth century in discovering what the second coming of Christ means to the church today In this book she answers questions that face many believers Is Christ coming How is He coming When is He coming For whom is He coming The harvest is ready and the Lord will come back to reap a bountiful mature body of believers Be prepared to rise up and meet Christ when He appears in the clouds of glory Post Tribulation Rapture Roy W. Abernethy, 2008-04 Every person on Earth will one day stand before God and give an account of what they have done whether it be good or evil in addition to their acceptance or rejection of Jesus Christ the Son of God as their personal Saviour Whether or not you believe it Jesus Christ is coming back again to judge the world for their iniquity That s what God s prophets have said and His prophets have never been wrong From a pre millennial viewpoint Post Tribulation Rapture evaluates the three major positions regarding the timing of the

return of Jesus Christ to Earth in relation to the final seven years of man's history Will there be signs of Christ's coming Will everyone see Him coming Does Christ return two more times What is the Day of the Lord Who are the elect people on Earth When will the Antichrist be revealed Is the return of Christ imminent Who will populate the kingdom What are the three main rapture positions How do they differ Who is the restrainer Post Tribulation Rapture includes fourteen detailed charts and an extensive glossary dictionary defining the most commonly used phrases and terms in Bible prophecy **The**

All-Encompassing Return of Christ Michael Carpenter, 2024-07-16 The All Encompassing Return of Christ brings fresh perspective to age old debates surrounding Christ's return The return of Christ is a topic of fervent debate within the Christian Church Although orthodox Christians agree Christ will return the specifics are confusing and laden with controversy These divergences can be attributed to differences in biblical presuppositions and interpretative principles One pivotal point of contention is the interpretation of the millennium in Revelation chapter 20 The All Encompassing Return of Christ presents the amillennialism view as the proper understanding of that chapter asserting that end times are a singular event While there are multiple events associated with Christ's return they all occur around the time of His second coming This work provides an insightful introduction to amillennialism addressing prevalent objections particularly those arising from the dispensational perspective *The Second Coming of Christ, and the Resurrection* Ephraim Currier, 1841 **The**

The Time of Christ's Return Revealed - Revised Edition Charles P. Pierce, 2009-08-31 This is the real thing If you want to know when Jesus Christ will return to reign as LORD over all the earth this book will tell you The book is controversial because it is unique The time given directly from the Bible is distant unlike the majority of current views expounding the theory that the time of Christ's return is imminent in their lifetime Multiple witnesses of scripture are used to provide Biblical evidence for definite timing of events The book of Daniel gives the number of years between when the second Temple was destroyed in 70 AD until the Lord builds the Millennial Temple Daniel also tells us the number of days it will take the Lord to replace the third Temple with the Millennial Temple In the Gospel of John Jesus tells us when He will build the Millennial Temple Many witnesses throughout the Bible including the book of Joshua each confirm the same timing of events The Church is given truth with the goal of increasing The Kingdom of God The cause of problems and their effects are revealed along with a solution Those who have ears to hear will do more than just listen 523 page count 37 black and white images The Return of Jesus ... Wiersbe,2010-08-01 Experience eternity Today During His life and ministry Christ assured the apostles that He would one day return for His people But how should this future event affect our lives today In Paul s letter to the Thessalonians he reveals that the promise of Christ s return is more than a doctrine of our faith It is a remarkable truth that can shape how we live how we connect and how we view ministry Part of Dr Warren W Wiersbe s best selling BE commentary series Be Ready has now been updated with study questions and a new introduction by Ken Baugh A respected pastor and Bible teacher Dr Wiersbe balances the prophetic with the practical and shares how Christ s powerful promise can impact every aspect of life So be encouraged Be revived And Be Ready **99**

BOOK JACKET **Are We There Yet? A Common Sense Guide To End Times Scriptures** Michael Reed,2017-08-25 The subject of the return of Jesus has fueled speculation ever since He left When is He coming Will we know when He is about to return Are the things happening in our world today signs of the times What does the book of Revelation say about the return of Jesus And what about the nation of Israel What role do they play in end times scenarios Mike Reed attempts to address these and other questions about Christ s return in this book For the average person and even for those who have studied the topic for awhile the subject of Christ s return can be overwhelming In this book the author will attempt to guide the reader into an understanding of the return of Christ first based upon what Jesus said about it and then looking at what the apostles

and prophets have said The basis for the confusion on the subject is because most authors have not followed that sequence This is a book written for laymen It attempts to utilize good scholarship but it is written for the nonacademic follower of Jesus who wants to understand what our Lord said about this most important topic The book is also written with the desire to be a good example of how to utilize sound and time honored methods of interpretation which can be applied to any topic of scripture
