Revolt In The North Antrim And Down In 1798:

Revolt in the North Charles Dickson,1997 In 1798 fired by the great examples of America and France the men of County Antrim and County Down attempted a Revolution This book is a unique examination of this short but significant conflict

Revolt in the North. Antrim and Down in 1798 Charles DICKSON (M.C., M.D., F.R.C.P.I.),1960 *Canadian State Trials: Rebellion and invasion in the Canadas, 1837-1839* Osgoode Society for Canadian Legal History,1996-01-01 And incompetent justice Legal responses to the 1885 Crisis North West Rebellions Bob Beal and B Wright Another look at the Riel Trial for Treason Louis Riel J M Bumstead The White Man governs The 1885 Indian trials Indians First Nation Aboriginal or Native peoples Bill Waiser Securing the dominion High handed impolite and empire breaking actions radicalism anti imperialism and political policing in Canada 1860 1914 Andrew Parnaby Gregory S Kealey with Kirk Niergarth Codification public order and the security provisions of the Canadian Criminal Code 1892 Desmond H Brown B Wright Appendices Sir John A Macdonald Fonds Archival Sources in Canada for Riel s Rebellion **The Wars of the French Revolution** Charles J Esdaile,2018-10-03 The Wars of the French Revolution 1792 1801 offers a comprehensive and jargon free coverage of this turbulent period and unites political social military and international history in one volume Carefully designed for undergraduate students through twelve chapters this book offers an introduction to the origins and international context of the French Revolution as well as an in depth examination of the reasons why war began Aspects unpicked within the book include how France acquired a de facto empire stretching from Holland to Naples the impact of French conquest on the areas concerned the spread of French ideas beyond the frontiers of the French imperium the response of the powers of Europe to the sudden expansion in French military power the experience of the conflicts unleashed by the French Revolution in such areas as the West Indies Egypt and India and the impact of war on the Revolution itself Offering extensive geographical coverage and challenging many preconceived ideas The Wars of the French Revolution 1792 1801 is the perfect resource for students of the French Revolution and international military history more broadly **William Wickham, Master Spy** Michael Durey,2015-10-06 A biography of William Wickham 1761 1840 Britain s master spy on the Continent for more than five years during the French Revolutionary wars It follows Wickham s career to narrate the rise and fall of his secret service community **Ireland in the Age of Revolution, 1760-1805, Part II, Volume 4** Harry T Dickinson,2020-04-03 The latter half of the eighteenth century saw Irish opposition movements being greatly influenced by the American and French revolutions This two part six volume edition illustrates the depth and reach of this influence by publishing pamphlets dealing with the major political issues of these decades **Ireland in the Age of Revolution, 1760-1805, Part II** Harry T Dickinson,2021-02-25 The latter half of the eighteenth century saw Irish opposition movements being greatly influenced by the American and French revolutions This two part six volume edition illustrates the depth and reach of this influence by publishing pamphlets dealing with the major political issues of these decades **Canadian State**

Trials, Volume II F. Murray Greenwood, Barry Wright, 2002-12-15 This second volume of the Canadian State Trials series focuses on the largest state security crisis in 19th century Canada the rebellions of 1837 1838 and associated patriot invasions in Upper and Lower Canada Ontario and Qu bec Historians have long debated the causes and implications of the rebellions but until now have done remarkably little work on the legal aspects of the insurrections and their aftermath Given that over 350 men were tried for treason or equivalent offences in connection with the rebellions this volume is long overdue The essays collected here written by prominent Canadian historians legal scholars and archivists break new ground in the existing historiography of the rebellions by presenting the first comprehensive examination of the legal dimensions of the crises In addition to examining trials and court martial proceedings the essays examine their political social and comparative contexts including the passage of emergency legislation and executive supervision of legal responses the treatment of women and the plight of political convicts transported to the Australian penal colonies Canadian State Trials Volume Two contributes significantly to the ongoing reassessment of the rebellion period

Ireland in the Age of Revolution, 1760-1805, Part II, Volume 5 Harry T Dickinson, 2020-03-25 The latter half of the eighteenth century saw Irish opposition movements being greatly influenced by the American and French revolutions This two part six volume edition illustrates the depth and reach of this influence by publishing pamphlets dealing with the major political issues of these decades

Forgetful Remembrance Guy Beiner, 2018 *Forgetful Remembrance* offers a new approach to the study of memory by focusing on vernacular historiographies and the notion of forgetting Using the 1798 Irish Rebellion Beiner explores how communities try to obscure inconvenient and uncomfortable events from the past

Irish Immigrants in the Land of Canaan Kerby A. Miller, 2003 Publisher's description *Irish Immigrants in the Land of Canaan* is a monumental study of early Irish Protestant and Catholic immigration to America Through exhaustive research and analysis of the migrants letters and memoirs the editors explore why the immigrants left Ireland how they adapted to colonial and revolutionary America and how their experiences and attitudes shaped society culture and politics and created modern Irish and Irish American identities in America and Ireland alike

Transatlantic Radicals and the Early American Republic Michael Durey, 1997 In the transatlantic world of the late eighteenth century easterly winds blew radical thought to America Thomas Paine had already arrived on these shores in 1774 and made his mark as a radical pamphleteer during the Revolution In his wake followed more than 200 other radical exiles English Dissenters Whigs and Painites Scottish lads o parts and Irish patriots who became influential newspaper writers and editors and helped change the nature of political discourse in a young nation Michael Durey has written the first full scale analysis of these radicals evaluating the long term influence their ideas have had on American political thought *Transatlantic Radicals* uncovers the roots of their radicalism in the Old World and tells the story of how these men came to be exiled how they emigrated and how they participated in the politics of their adopted country Nearly all of these radicals looked to Paine as their spiritual leader and to Thomas Jefferson as their political champion They held egalitarian anti

federalist values and promoted an extreme form of participatory democracy that found a niche in the radical wing of Jefferson's Republican Party. Their divided views on slavery however reveal that democratic republicanism was unable to cope with the realities of that institution. As political activists during the 1790s they proved crucial to Jefferson's 1800 presidential victory then after his views moderated and their influence waned many repatriated others drifted into anonymity and a few managed to find success in the New World. Although many of these men are known to us through other histories their influence as a group has never before been so closely examined. Durey persuasively demonstrates that the intellectual ferment in Britain did indeed have tremendous influence on American politics. His account of that influence sheds considerable light on transatlantic political history and differences in religious, political and economic freedoms. Skillfully balancing a large cast of characters *Transatlantic Radicals* depicts the diversity of their experiences and shows how crucial these reluctant migrants were to shaping our republic in its formative years.

John Mitchel, Ulster and the Great Irish Famine Kenneth Dawson, 2017-07-25 *The Belfast Jacobin* is the first ever biography of Samuel Neilson a founding member of the Society of United Irishmen whose profound influence on this radical movement was to alter the course of Irish history. Samuel Neilson joined Wolfe Tone and Thomas Russell at the inaugural meeting of the United Irishmen in 1791 forming a radical front that would challenge the political realities of the day in increasingly strident ways. As editor of the *Northern Star* Neilson was to be a principal figure in shaping the United Irishmen's ideology before the newspaper was suppressed by the military. He brought the excitement caused by the French Revolution into Irish focus putting public dissatisfaction into words and later gathering the forces necessary for revolt. Kenneth Dawson conducting original research and drawing upon innumerable archive sources reveals Neilson's formidable strength as an organiser of radical politics, his incessant run-ins with the authorities and his central role in planning the United Irish Rebellion of 1798. Samuel Neilson brought talk of revolution to the street. *The Belfast Jacobin* is a pivotal history that illuminates the true import of his deeds and writing sorely obscured in many accounts of the 1790s.

Who Fears to Speak of '98'? Peter Collins, 2004 The Rebellion of 1798 was one of the most crucial events in modern Irish history and the bicentenary commemorations throughout Ireland in 1998 provided much new understanding of an issue that has down the years been as divisive as it has been formative. Peter Collins provides here an absorbing and sensitively handled account of the changing nature of how the rebellion has been commemorated over the last 200 years. A particularly helpful feature of this book is the detailed almanac it provides of the commemorative bicentenary events held throughout the island of Ireland in 1998. They were notable not only for quality of their output but also encouragingly for their inclusivity. For the most part this time commemoration of 98 was an activity in which people found a common purpose rather than the source of divisiveness it had tended to be in years gone by.

Nationalism and Popular Protest in Ireland Charles H. E. Philpin, 2002-08-08 Essays on Irish nationalism some on particular protest movement others on more general themes

The A to Z of the Wars of the French Revolution Steven T. Ross, 2010-06-07 The French

Revolution rocketed from Paris and made its influence felt throughout the world. Vast changes occurred in the way people related to their governing bodies. Instead of acting as passive onlookers, the people of France directly involved themselves in the affairs of state. The monumental changes brought about by the French Revolution also changed the nature of warfare. A period of nearly uninterrupted conflict existed both within and outside of France from 1792 to 1802. To rise to this daunting challenge, the armies of the French Republic developed a new approach to waging war. Under assault by Europe's great powers and faced with internal struggles, the French Republic mobilized the full range of its natural and human resources. The call for volunteers produced a mass citizen army, and the government moved to provide new officers, new organizations, and new tactics. The French Republic nationalized the economy to equip its patriotic army for a decade-long struggle to preserve the ideals of the revolution.

The A to Z of the Wars of the French Revolution describes significant persons, places, events, encounters, and battles that substantially changed the nature of warfare at the end of the 18th century in Europe. Additionally, it gives a sense of the impact of these changes on the general course of human history, drawing connections between events to map out an entire time period of eventful change. The dictionary contains a detailed chronology from the declaration of the French Republic in 1792 to the Treaty of Amiens in 1802. Numerous maps help to orient the reader. The entries are efficient and generously referenced, giving the reader detailed knowledge while simultaneously allowing a broad picture of this crucial time period. An introduction provides a useful overview for the general reader.

United Irishmen, United States David A. Wilson, 2011-09-16. Among the thousands of political refugees who flooded into the United States during the late eighteenth and early nineteenth centuries, none had a greater impact on the early republic than the United Irishmen. They were, according to one Federalist, the most God-provoking Democrats on this side of Hell. Every United Irishman insisted another ought to be hunted from the country as much as a wolf or a tyger. David A. Wilson's lively book is the first to focus specifically on the experiences, attitudes, and ideas of the United Irishmen in the United States. Wilson argues that America served a powerful symbolic and psychological function for the United Irishmen as a place of wish fulfillment where the broken dreams of the failed Irish revolution could be realized. The United Irishmen established themselves on the radical wing of the Republican Party and contributed to Jefferson's second American Revolution of 1800. John Adams counted them among the foreigners and degraded characters whom he blamed for his defeat. After Jefferson's victory, the United Irishmen set out to destroy the Federalists and democratize the Republicans. Some of them believed that their work was preparing the way for the millennium in America. Convinced that the example of America could ultimately inspire the movement for a democratic republic back home, they never lost sight of the struggle for Irish independence. It was the United Irishmen, writes Wilson, who originated the persistent and powerful tradition of Irish American nationalism.

The Course of Irish History T. W. Moody, F. X. Martin, Dermot Keogh, 2023-09-14. First published over forty years ago and now updated to cover the Celtic Tiger economic boom of the 2000s and subsequent worldwide recession, this new edition of a

perennial bestseller interprets Irish history as a whole Designed and written to be popular and authoritative critical and balanced it has been a core text in both Irish and American universities for decades It has also proven to be an extremely popular book for casual readers with an interest in history and Irish affairs Considered the definitive history among the Irish themselves it is an essential text for anyone interested in the history of Ireland [Eighteenth-century Ireland](#) ,2001 **A Guide to Historical Fiction** Ernest Albert Baker,1914 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
