Selling Words R. George Wright,1997-08-01 All of us grumble from time to time about the ever increasing commercialization of American life Whether in the form of overt corporate sponsorship as evidenced by the branding of every major sporting event or the less conspicuous role of commercial interests in the funding of the arts America's corporations are a ubiquitous presence While debates rage over the televising of liquor ads and the degree to which Joe Camel encourages adolescent smoking of far greater concern R George Wright argues should be the passivity with which we accept excessive commercialization For many the spread of commercialization by any means other than fraud or deception today seems merely a reflection of the capitalist pursuit of well being Yet owning and spending for the middle class consumers Wright discusses is at best only weakly related to their happiness In recent years corporate America has shrewdly sought shelter from reasonable regulation by embracing the First Amendment Focusing on such flashpoint issues as the Internet tobacco advertising and intentionally controversial ads and exposing the dangerous elephantiasis of our commercial culture Selling Words serves up a forceful warning about the perils of conflating commerce with First Amendment rights

The New Power Base Selling Jim Holden,Ryan Kubacki,2012-04-18 An updated and revised version of the business classic Power Base Selling Power Base Selling originally published in 1990 left readers with an understanding of and language for gaining political advantage within accounts Now famous among sellers the concept of aligning with powerful customer individuals or Foxes is taken to a new level The New Power Base Selling offers an updated and more in depth edition of the original classic with an empirically based breakthrough to significantly increasing sales performance It explains how competitive selling is as much a matter of politics customer value and strategy as it is a management science Based on data from one of the most comprehensive sales surveys in the sales training industry along with over 50 000 deal reviews The New Power Base Selling will help salespeople quickly outfox the competition impress customers with unexpected value and achieve new levels of professional success Create Demand as well as competitively Service Demand Quickly leverage Situational Power Bases to drive up win rates Provide customers with value that advances their critical business initiatives Effectively use LinkedIn Facebook Twitter and other social tools in a sales campaign Increase customer satisfaction and competitive differentiation See measurable gains and exceed quota when you leverage customer politics value and competitive strategy
