Second Chance Chet Williamson,2010-11-23 A breathtaking novel of dark suspense and bittersweet nostalgia Second Chance breaks new ground for a writer whose work critics have favorably compared to such disparate writers as Camus Cheever and Stephen King In Second Chance Chet Williamson defines a generation and gives readers the ride of their lives through a disquietingly different and threatened America Thrills romance and nail biting suspense combine to create a novel in which a Big Chill like gathering of old friends could lead to the real Big Chill for every person on Earth It all begins innocently enough Woody Robinson a successful musician gathers his baby boomer friends and recreates an evening in 1969 out of nostalgia for his long dead love Tracy The party quickly becomes a wake for lost ideals and then something more as time and fate play wonderful and terrible tricks on the celebrants By the evening s end Tracy is back in Woody s life as though she had never left But there is another change as well a shocking one His name is Pan An environmental terrorist

who wants to save the world by destroying humanity he has the deadly viral ammunition to do just that Pan will prove that the darker side of the sixties isn t dead it s only been sleeping Now it s awake and furious And only one man and one woman can stop the nightmare With the swirling color and magic of a Fillmore West poster the hallucinogenic impact of a Jim Morrison lyric and the wistful voice of early Dylan Second Chance is an unforgettable tale of love loss and redemption an electrifying synthesis of past and present that will enchant its readers today and haunt them tomorrow PRAISE FOR SECOND CHANCE Publishers Weekly This time travel thriller is great fun throughout capped by an unexpected but suitably quirky finale Time Tunnel a novel of suspense and fantasy but more than that it is a piercing look at idealism unhinged of the world shattering power of love hate and zealous belief one of the most unusual and moving books in a long time Charles De Lint in Magazine of Fantasy and Science Fiction there s a reason for my enthusiasm for Williamson s work he has never let me down And Second Chance is no exception New York Review of Science Fiction Second Chance quirky time traveling ghost story that it is with all its dreams and nightmares blossoming out of the fertile soil of drugs and rock and roll remains a wonderful and dreadful evocation of the way in which history and politics haunt us all Second Chance Kavita Bhatnagar,2020-12-11 She was only 26 pretty intelligent earning well and divorced Ragini has been on cloud nine once her marriage was fixed and certain that she was going to get all the live she has dreamed of her marriage would be perfect and she would really live happily ever after But soon the marriage turned abusive and Ragini walked out of the bitter hurtful existence shaken but determined to create a new life for herself This is the story of Raginis quest for love and companionship Her efforts make her interact with different suitors and take her on a roller coaster emotional ride Raginis travails to marry again show myriad hues where deceit and pretence come face to face with hope and aspiration Will life give her a second chance **Outbreak** Christine Abante,2021-12-20 A dystopian apocalyptic country of the Philippines is overcoming a disease attacking the mental state of a person turning many into a legion of violent humans In this world one must face an apocalypse of merciless murderers Zombies would have been better with their predictable attacks and limited tactics But Dr Allison Delacargua is against intelligent and strategic monsters who brandish both their knives and teeth for two reasons annihilation and contagion She escaped her duties as a doctor due to the death of her beloved only to be pulled back when the country s only hope for a cure knocked on her door She knew that she had one goal to put an end to the outbreak of madness Jewels Danielle Steel,2009-05-14 On Sarah Whitfield s seventy fifth birthday memories take her back to New York in the 1930s To a marriage that ends after a year leaving Sarah shattered A trip to Europe with her parents does little to raise her spirits until she meets William Duke of Whitfield In time despite her qualms William insists on giving up his distant right to the British throne to make Sarah his dutchess and his wife On their honeymoon the newlyweds buy an old French chateau but not long after the war begins William joins the allied forces leaving Sarah their first child an infant and their second child on the way in France After the Nazi forces take over the chateau Sarah continues to survive the terror and
