

A painting featuring two faces. On the left, a face with long, flowing blonde hair is illuminated by a warm, golden light, giving it a halo-like appearance. This face has a serene expression. To the right, a second face is visible, but it is much darker and less distinct, appearing to emerge from the shadows. The background is dark and textured, suggesting a night sky or a deep void. The overall mood is mysterious and ethereal.

Hollywood v. Beauty and the Synchronicity of the Six Kirk Henderson, 2020-05-04 *Hollywood v Beauty and the Synchronicity of the Six* presents the biographies of six movie actresses from the 1920s to the 1970s with a single actress representing her decade of activity Louise Brooks 1920s Jean Harlow 1930s Hedy Lamarr 1940s Barbara Payton 1950s Jean Seberg 1960s and Sondra Locke 1970s The synchronicity between the lives of these women is phenomenal and their stories are as dramatic and exciting as any to come from that town stretching all the way from complete ruination to thrilling triumph Along the way the story of movies in the Golden Age unfolds as six movie actresses try to survive in the most artificial place on Earth The power elite of Hollywood could transform unknowns into movie stars or erase the famous into oblivion Since beauty has its own innate power it is inevitable these two entities would face off Nightmare Movies Kim Newman, 2011-04-18 Now over twenty years old the original edition of *Nightmare Movies* has retained its place as a true classic of cult film criticism In this new edition Kim Newman brings his seminal work completely up to date both reassessing his earlier evaluations and adding a second part that assess the last two decades of horror films with all the wit intelligence and insight for which he is known Since the publication of the first edition horror has been on a gradual upswing and taken a new and stronger hold over the film industry Newman negotiates his way through a vast back catalogue of horror charting the on screen progress of our collective fears and bogeymen from the low budget slasher movies of the 60s through to the slick releases of the 2000s in a critical appraisal that doubles up as a genealogical study of contemporary horror and its forebears Newman invokes the figures that fuel the ongoing demand for horror the serial killer the vampire the werewolf the zombie and draws on his remarkable knowledge of the genre to give us a comprehensive overview of the modern myths that have shaped the imagination of multiple generations of cinema goers *Nightmare Movies* is an invaluable companion that not only provides a newly updated history of the darker side of film but a truly entertaining guide with which to discover the less well trodden paths of horror and re discover the classics with a newly instructed eye *The Manson Family on Film and Television* Ian Cooper, 2018-10-20 For half a century the Manson Family has captured the public imagination the lurid inexplicable violence in a glamorous Hollywood setting the bizarre and lengthy trials and Charles Manson's strange charisma and willingness to embrace the role of evil icon For years the story has been documented dramatized and lampooned in dozens of films and television programs This comprehensive study examines the various on screen portrayals from factual accounts based on prosecutor Vincent Bugliosi's true crime classic *Helter Skelter* to prime time TV dramas to a claymation spoof and even hardcore porn Leonard Maltin's 2014 Movie Guide Leonard Maltin, 2013-09-03 Summer blockbusters and independent sleepers masterworks of Alfred Hitchcock Billy Wilder and Martin Scorsese the timeless comedy of the Marx Brothers and Buster Keaton animated classics from Walt Disney and Pixar the finest foreign films ever made This 2014 edition covers the modern era from 1965 to the present while including all the great older films you can't afford to miss and

Leonard Cohen Christophe Lebold, 2024-09-05 Leonard Cohen has aimed high to be all Jewish heroes at once Like Jacob he struggled with angels Like David he sang psalms and seduced women But he never ceased doing what he did best going from city to city and reviving our hearts Leonard Cohen *The Man Who Saw the Angels Fall* follows the singer's cosmopolitan life from Montreal and New York to the Greek island of Hydra and examines his perpetual dialogues with himself God and avalanches We see how six decades of radiant pessimism and a few thousand nights in hotel rooms transformed a young Jewish poet who longed to be a saint into an existentialist troubadour in love with women and a gravelly voiced crooner who taught a thousand ways of dissolving into love After more than two decades of research and travels Christophe Lebold who befriended the poet and spent time with him in Los Angeles delivers a stimulating analysis of Cohen's life and art Gracefully blending biography and essay he interrogates the mission Cohen set out for himself to show us that darkness is just the flip side of light
