in 2001 indicated that in the U S one fourth of the high school seniors have problems with drugs and alcohol nearly two thirds of teenagers experiment with drugs before finishing high school and fifty six percent of seventeen year olds know at least one drug dealer at school Studies also indicate that when a girl chooses to use substances peer pressure is the biggest reason why Many parents believe the best they can do is to teach their daughters right from wrong and hope for the best But there is more that you can do Because while peer pressure may be the biggest influence for girls who choose to use substances parental involvement is the single most important factor for those who decide not to The dangers of substance abuse can actually bring you and your daughter closer Whether you want to help your daughter resist the overwhelming pressures to drink smoke and use drugs have discovered or suspect that your daughter may be using substances or want to help her develop a strong and positive identity in response to negative peer pressure this book shows how the lure of today s teen party culture puts you in your most powerful position ever to connect with and influence your daughter American Book Publishing Record ,2001 Forthcoming Books Rose Army,2001-06 Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004 *Reckoning with Restorative Justice* Leanne Trapedo Sims,2023-09-18 In *Reckoning with Restorative Justice* Leanne Trapedo Sims explores the experiences of women who are incarcerated at the Women s Community Correctional Center the only women s prison in the state of Hawai i Adopting a decolonial and pro abolitionist lens she focuses particularly on women s participation in the Kailua Prison Writing Project and its accompanying Prison Monologues program Trapedo Sims argues that while the writing project served as a vital resource for the inside women it also remained deeply embedded within carceral logics at the institutional state and federal levels She foregrounds different aspects of these programs such as the classroom spaces and the dynamics that emerged between performers and audiences in the Prison Monologues Blending ethnography literary studies psychological analysis and criminal justice critique Trapedo Sims centers the often overlooked stories of incarcerated Native Hawaiian and Pacific Islander women in Hawai i in ways that resound with the broader American narrative the disproportionate incarceration of people of color in the prison industrial complex The Second Family Ron Taffel,2001 **A Semi-centennial Discourse** George Burley Spalding,1878
