Second Fireside Of Baseball

Ann Ruth Willner

Second Fireside Of Baseball:

For It's One, Two, Three, Four Strikes You're Out at the Owners' Ball Game G. Richard McKelvey, 2017-07-06 Many assume incorrectly that confrontations between baseball's players and management began in the 1960s when the Major League Baseball Players Association started showing signs of becoming a union to be reckoned with. The tensions of the 1960s prompted the owners to form the Player Relations Committee to deal with them and in February 1968 the two groups negotiated the game's first Basic Agreement. The struggles between players and management to gain the upper hand did not however start there; the two groups have had numerous clashes since baseball began as well as since the 1968 agreement. There have been various periods of conflict and peace throughout the century and before. This work traces the history of the relationship between players and management from baseball's early years to the new challenges and developing tensions that led to spring training lockouts instigated by the owners and to player strikes in 1972, 1981, 1985, and 1994. An important agreement in 1996 brought labor peace once again. The future of player management relations is also covered. *The Lineup* Paul Aron, 2022-07-12 Focusing on the ten most influential baseball books of all time, this volume explores how these landmark works changed the game itself and made waves in American society at large. Satchel Paige's Pitchin' Man informed the dialog surrounding integration. Ring Lardner's You Know Me Al changed the way Americans viewed their baseball heroes and influenced the work of Hemingway and Fitzgerald. Bill James's Baseball Abstract transformed the way managers including those in fields other than baseball analyzed numbers. Pete Rose's My Story and My Prison Without Bars exposed and deepened a cultural divide that paved the way for Donald Trump. *Diamond Classics* Mike Shannon, 2024-10-11 Each work chosen with exquisite care by an expert is analyzed and summarized. Its greatness as baseball literature, its place in the genre, its peculiarities, weaknesses, strengths, how the critics went for it, all are discussed in such a way with quotations that reading or browsing Shannon's book is equivalent to absorbing a rich history of the sport. Baseball Books Mike Shannon, 2024-10-14 It is widely and wrongly assumed that books are never so valuable as when they lie unopened before us, waiting to be read. Good books bear multiple readings and not merely because our memories fail us; the desire to repeat a good reading experience can be its own powerful motivation. And for bibliophiles, books can also be works of art, physical objects with an aesthetic value all their own. This guide for the book-loving baseball fan is written by one of the most knowledgeable collectors in the country, author and editor Mike Shannon. Beginning with a history of baseball books and collecting, it also identifies the most sought-after titles and explains how to find them, what to pay, and how to maintain their condition. **Bobo Newsom** Jim McConnell, 2015-12-14 For three decades, Louis Norman Bobo Newsom, 1907-1962, was one of the most well-known pitchers in baseball. Frequently quoted by sportswriters, he appeared in all the popular sports publications as well as on Wheaties boxes and bubblegum cards and was the undisputed star of the 1940 World Series. Despite his success, he was sold or traded 14 times during his 20-year career. He pitched for nine of 16 Major League teams.

including five stints with the Washington Senators and made sports headlines nearly every year for holding out being suspended or traded In an era when players seldom changed teams more than once and rarely defied authority Newsom seemed always at odds with the powers that be Drawing on interviews with family friends and former teammates this first full length biography of Newsom takes an entertaining look at the life and career of one of sports most memorable characters Despite his nickname and nonstop antics Bobo was much more than a clown and gave more to the game than he ever got from it

Line Drives Brooke Horvath, Tim Wiles, 2002 We wait for baseball all winter long Bill Littlefield wrote in Boston Magazine a decade ago or rather we remember it and anticipate it at the same time We re create what we have known and we imagine what we are going to do next Maybe that s what poets do too Poetry and baseball are occasions for well put passion and expressive pondering and just as passionate attention transforms the prose of everyday life into poetry it also transforms this game we write about play or watch Editors Brooke Horvath and Tim Wiles unite their own passion for baseball and poetry in this collection *Line Drives* 100 Contemporary Baseball Poems providing a forum for ninety two poets Line after line like baseball itself game after game and season after season these poems manage to make the old and the familiar new and surprising The poems in these pages invite interrogation and the reader like the true baseball fan must be willing to play the game for these poems are fun fresh angry nostalgic meditative and meant to be read aloud They are keen on taking us deeply into baseball as sport and intent on offering countless metaphors for exploring history religion love family and self identity Each poem delivers images of pure beauty as the poets speak of murder and ghost runners and old ball gloves of baseball as a tie that binds families and indeed the nation together of the game as a stage upon which no nonsense grit and skill are routinely displayed and of the delight experienced in being one amid a mindlessly happy crowd This book is true to the game s long season and to the lives of those the game engages

The Spellbinders Ann Ruth Willner, 1985-03-01 Examines how charismatic leaders such as Mahatma Gandhi Adolf Hitler and Franklin Roosevelt have come into power and produced great changes in their countries

Baseball's First Indian Ed Rice, 2019-08-21 Born in 1871 on Maine s Penobscot Indian reservation and nephew of a chief Louis Sockalexis became professional baseball s first American Indian player Ultimately his prowess on the diamond inspired the name Cleveland s baseball team carries today Exploring the brilliant but too brief major league career of the Deerfoot of the Diamond Baseball s First Indian follows Sockalexis s rise to the majors his fall to the minor leagues of New England and his final return to the reservation in Maine where he continued to coach baseball and work as an umpire This fascinating study of the life of Louis Sockalexis is filled with game action and leavened by the flamboyant and colorful stories of 19th century sportswriters who frequently invented what the truth would not supply It s a treasure for every student of baseball history

Ball Tales Michelle Nolan, 2014-11-26 This history of American sports fiction traces depictions of baseball basketball and football in works for all age levels from early dime novels through the 1960s Chapters cover dime novel heroes Frank and Dick Merriwell the explosion of sports

novels before World War II and its influence on the authors who later wrote for baby boom readers how sports novels persisted during the Great Depression the rise and decline of sports pulps why sports comics failed postwar heroes Chip Hilton and Bronc Burnett the lack of sports fiction for females Duane Decker's Blue Sox books and the classic John R Tunis novels Appendices list sports pulp titles and comic books featuring sports fiction **The Writers' Game** Richard Orodnenker, 1996 Surveying the vast body of nonfiction writing devoted to baseball and exploring the recurrent themes and myths that typify it the book gives special attention to the familiar essay the in depth personal profile and the memoir or autobiography while never skirting seminal works of baseball lore whether early sports guide dime novel or oral history The result is a dozen thematically arranged chapters that inspect the works of scores of writers including Christy Mathewson Stephen Crane Donald Hall Jim Bouton Roger Angell and Annie Dillard and provide a thoroughly entertaining compendium of the history and culture of baseball
