Second Victory

Howard W. French

Second Victory:

The Second Emancipation Howard W. French, 2025-08-26 Named one of the Most Anticipated Books of 2025 by Foreign Policy Howard French's *The Second Emancipation* stands the second half of the last century on its geopolitical head David Levering Lewis winner of the Pulitzer Prize From the acclaimed author of *Born in Blackness* comes an extraordinary account of Africa's liberation from colonial oppression a work that fundamentally reshapes our understanding of modern history A work of epic dimension that recasts the liberation of twentieth century Africa through the lens of revolutionary leader Kwame Nkrumah *The Second Emancipation* the second work in a trilogy from best selling author Howard W French about Africa's pivotal role in shaping world history underscores Adam Hochschild's contention that French is a modern day Copernicus The title referring to a brief period beginning in 1957 when dozens of African colonies gained their freedom positions this liberation at the center of a movement of global Blackness with one charismatic leader Kwame Nkrumah 1909 1972 at its head That so few people today know about Nkrumah is an omission that French demonstrates is typical of our deliberate neglect of Africa's enormous role in the birth of the modern world Determined to re create Nkrumah's life as an epic twentieth century story *The Second Emancipation* begins with his impoverished unheralded birth in the far western region of Ghana's Gold Coast But blessed with a deep curiosity a young Nkrumah pursued an overseas education in the United States Nowhere is French's consummate style more vivid than in Nkrumah's early years in Depression era America especially in his mesmerizing portrait of a culturally effervescent Harlem that Nkrumah encountered in 1935 before heading to college During his student years in Pennsylvania and later as an activist in London Nkrumah became steeped in a renowned international Black intellectual milieu including Du Bois Garvey Fanon Padmore and C L R James who called him one of the greatest political leaders of our century and formed an ideology that readied him for an extraordinarily swift and peaceful rise to power upon his return to Ghana in 1947 Four years later in a political landslide he engineered while imprisoned Nkrumah stunned Britain by winning the first general election under universal franchise in Africa becoming Ghana's first independent prime minister in 1957 As leader of a sovereign nation Nkrumah wielded his influence to promote the liberation of the entire continent pushing unity as the only pathway to recover from the damages of enslavement and subjugation By the time national military and police forces aided by the CIA overthrew him in 1966 Nkrumah's radical belief in pan African liberation had both galvanized dozens of nascent African states and fired a global agenda of Black power In its dramatic recasting of the American civil rights story and in its tragic depiction of a continent that once exuded all the promise of a newly won freedom *The Second Emancipation* becomes a generational work that positions Africa at the forefront of modern day history

The Memory of the Second World War in Soviet and Post-Soviet Russia David L. Hoffmann, 2021-08-26 This volume showcases important new research on World War II memory both in the Soviet Union and in Russia today Through an examination of war remembrance in its various forms official histories school textbooks museums monuments

literature films and Victory Day parades chapters illustrate how the heroic narrative of the war was established in Soviet times and how it continues to shape war memorialization under Putin This war narrative resonates with the Russian population due to decades of Soviet commemoration which continued virtually uninterrupted into the post Soviet period Major themes of the volume include the use of World War II memory for political legitimation and patriotic mobilization the striking continuities between Soviet and post Soviet commemorative practices the place of Holocaust memorialization in contemporary Russia Putin s invocation of the war to bolster national pride and international prestige and the relationship between individual memory and collective remembrance Authored by an international group of distinguished specialists this collection is ideal for scholars of Russia across a range of disciplines including history political science sociology and cultural studies , **The Second Punic War** Thomas Arnold,1886 **Livy: The Fragments and Periochae Volume II**

,2023-09-27 Livy s 142 volume history of Rome is one of the high points of ancient historical writing but three quarters of that history is lost known only from indirect sources such as epitomes and quotations D S Levene s Livy The Fragments and Periochae provides a text translation and commentary on all of the surviving para Livian material from antiquity This includes the various epitomes and fragments quotations from or references to the lost books but it also covers citations from the surviving books and all testimonia to Livy s life work and readership between his death in A D 17 and the end of classical antiquity approximately A D 650 This collection of material provides the fullest account ever developed of the reputation of Livy in antiquity and the way he was used and read by later writers Through it Levene explores an important but under studied aspect of the intellectual life of the Roman world This second volume contains the first part of the Periochae the fullest surviving epitome of Livy s history The text has been newly translated and reedited with a new scholarly apparatus there is also a full literary textual and historical commentary The volume s extensive introduction offers the fullest ever study of the Periochae as a literary text with new evidence for the nature of the text and the circumstances of its writing Works

of Love Søren Kierkegaard,2013-04-21 The various kinds and conditions of love are a common theme for Kierkegaard beginning with his early Either Or through The Diary of the Seducer and Judge William s eulogy on married love to his last work on the changelessness of God s love Works of Love the midpoint in the series is also the monumental high point because of its penetrating illuminating analysis of the forms and sources of love Love as feeling and mood is distinguished from works of love love of the lovable from love of the unlovely preferential love from love as the royal law love as mutual egotism from triangular love and erotic love from self giving love This work is marked by Kierkegaard s Socratic awareness of the reader both as the center of awakened understanding and as the initiator of action Written to be read aloud the book conveys a keenness of thought and an insightful poetic imagination that make such an attentive approach richly rewarding Works of Love not only serves as an excellent place to begin exploring the writings of Kierkegaard but also rewards many rereadings

Day Fighter Aces of the Luftwaffe Jeremy Dixon,2023-12-30 The second of two comprehensive directories of all the

Luftwaffe's single seater fighter pilots who were awarded the Knight's Cross during the Second World War. The German fighter pilots of the Second World War are among the undoubted heroes of the conflict; their reputation for flying skill, single minded determination and solitary courage hasn't diminished or been clouded by controversy over the years. Their daring and commitment often displayed when towards the end of the war they were fighting against the odds matches that of any of the other air forces they fought against. This detailed highly illustrated reference book which covers the exploits of the most famous and successful individuals among them shows just how effective and undaunted they were. All the Luftwaffe day fighter pilots who flew single seater aircraft and won the Knight's Cross during the war are featured. The entries give information about their early lives and pre war careers and record how many aircraft they shot down, the type of aircraft involved and where and when the combat took place. Included are accounts of particular actions which led to the award of the Knight's Cross and the fate of these remarkable pilots later in the war and in the post war world is described too. Jeremy Dixon's book will be fascinating reading and reference for anyone who is interested in the aviation history of the Second World War. *Gil Hodges* Tom Clavin, Danny Peary, 2012-08-07 A legend during the Golden Era of the 1950s Brooklyn Dodgers baseball player and New York Mets manager Gil Hodges is at the center of this masterful sports biography which delves into the life achievements and sterling character of one of baseball's most overlooked stars. Gil Hodges was the Brooklyn Dodgers powerful first baseman who alongside Jackie Robinson helped drive his team to six pennants and a thrilling World Series victory in 1955. Dutifully following the Dodgers to Los Angeles in 1958, Hodges longed to return to New York City and in 1962 joined the original Mets. He took over the manager's spot on their bench in 1968 and transformed the team from a joke to World Champions in 1969, thus creating the Miracle Mets. Yet behind his stoic demeanor lay a man prone to anxiety and scarred by combat during World War II. His sudden death in 1972 shocked his friends and family and left a void in the hearts of baseball fans everywhere. Acclaimed authors Tom Clavin and Danny Peary deliver a thoroughly researched and poignant view of one of baseball's hidden treasures, shedding light on a fascinating life and career that even his most ardent fans never knew. *Bo Belinsky* David Krell, 2025-08-13 Bo Belinsky's story proves the adage that all that glitters is not gold. One of baseball's most notorious figures, Belinsky began in the minor leagues in the mid 1950s, gained a spotlight with a no-hitter for the Angels during his rookie season and endured severe ups and downs. Along the way he dated the most famous actresses in America, including Mamie Van Doren, Connie Stevens, and Tina Louise. What the fans didn't know about was the disastrous effect of Belinsky's alcoholism and drug abuse. Three marriages resulted in divorces. He couldn't get traction in rehab or Alcoholics Anonymous. Only in the 1990s when he moved to Las Vegas did he embrace sobriety and find a satisfying new career. This first biography of Belinsky's full life draws upon archival newspaper articles to reconstruct his colorful career. Interviews with Belinsky's friends and colleagues show a different side to this controversial player who experienced the benefits and the terrific costs of fame. *Love's Grateful Striving* M. Jamie Ferreira, 2001-06-07 Soren

Kierkegaard's *Works of Love* (1847) a series of deliberations on the commandment to love one's neighbor has often been condemned by critics. Here Ferreira seeks to rehabilitate *Works of Love* as one of Kierkegaard's most important works. He shows that Kierkegaard's deliberations on love are highly relevant to some important themes in contemporary ethics including impartiality, duty, equality, mutuality, reciprocity, self-love, sympathy, and sacrifice. Ferreira also argues that *Works of Love* bears on issues peculiar to a religious ethic such as the role of God as middle term and the possibility of preserving the aesthetic dimensions of love in a religious ethic of relation.

Uncover the mysteries within is enigmatic creation, **Second Victory** . This downloadable ebook, shrouded in suspense, is available in a PDF format (PDF Size: *). Dive into a world of uncertainty and anticipation. Download now to unravel the secrets hidden within the pages.
