Secret Mice:

The Secret Mice Margaret McAllister, 2002 The St Michael's mice are no ordinary mice When Rachel saves them from the church's Mouse Man it just seems like a good deed But it soon becomes clear that they are very special mice indeed They can talk And not only that they have a very special task for Rachel to perform one that will help her save her father's church And they also have a mystery for her to solve which stretches back through generations involving children who have lived in the vicarage Good old fashioned story telling with an interesting and sympathetic heroine and a plot that draws together beautifully its various strands of history magic and mystery *Max the Mouse and the Secret of Mars* Michael

Cantwell, 2016-12-14 Max the mouse didn't mean to run away from home He had a good gig with his owner Melissa He was well fed and he liked riding on the little girl's shoulder when she walked around the house But Max was really curious to see what was on the other side of the fence in the backyard Once over the fence Max joins a group of endangered mice to found a new colony in a deserted field where mice are safe from the evil urban alley cats But life especially for mice being what it is the little group finds no peace in their private Eden So Max cleverly rigs up a balloon for an escape to Mars He deals with a pompous senator who helps create the hot air for their sails a scholar mouse a church mouse and a love interest Max and his little band of explorers discover that Mars is even more dangerous than Earth For mice that is A science fiction book for young readers Max the Mouse and the Secret of Mars delivers important messages about kindness bravery and the need to save the Earth through Max's adventures **Little Mouse's Big Secret** Éric Battut, 2011-12-16

Shh Little Mouse has a secret He's found a delicious looking apple and doesn't want to share a bite So he buries it and no matter how many of his friends ask what he hid Little Mouse won't tell But when a tree sprouts from the seeds of the fruit there are enough apples for everyone and Little Mouse realizes some secrets are even better when they're shared Award winning illustrator Éric Battut has created a charming picture book that will delight and teach children Kids will delight in knowing more than Mouse as they watch the apple tree sprout behind him Simple text and illustrations encourage sharing but avoid preachiness Subtle green subtext about the abundance and importance of nature RIC BATTUT was born in Chamalières France where he still lives and works today After studying economics and civil rights for six years he went on to study illustration at LEcole Emile Cohl in Lyon He has since created many successful and award winning books for children *The White Mice* Richard Harding

Davis, 2021-04-24 In Richard Harding Davis's *The White Mice* readers are drawn into a compelling narrative that intertwines themes of love duty and the moral complexities inherent in human relationships Set against a backdrop of early 20th century societal expectations the novella showcases Davis's distinctive literary style characterized by vivid imagery and sharp dialogue Through his nuanced characterizations Davis explores the inner turmoil of his protagonists presenting a narrative that is not only reflective of the zeitgeist but also rich with psychological depth and social critique mirroring the evolving dynamics of American society during this period Richard Harding Davis was a prominent American journalist and author

whose experiences in war zones as a war correspondent greatly influenced his literary voice His travels and encounters with diverse cultures imbued his writing with realism and a keen awareness of human nature all of which are palpably reflected in *The White Mice* Davis who was often celebrated for his adventurous spirit and progressive attitudes towards societal issues crafted this novella during a time when traditional gender roles were being challenged thus providing a unique perspective on the struggles between romantic desire and societal obligation This book is a must read for those interested in early 20th century literature and the intricate relationships that define human experience Davis s adept storytelling compels readers to engage with complex moral dilemmas making *The White Mice* not only an entertaining read but also a profound exploration of the human psyche Dive into this masterfully written novella to uncover timeless themes that resonate even today

The White Mice Richard Harding Davis,1909 **White mice** Richard Harding Davis,1916 **The Secret Dairy** , This anthology *The Secret Dairy* is a perfect combination of the senses collected from the group of spectacular writers from all over India These heart touching senses are expressed in the form of quotes poems and short tales in English language The writers have very nicely cooperated with us to complete this project and we too tried to analyze the content perfectly In case any plagiarism found neither the compiler nor the publisher is responsible for that Co authors are solely responsible for their own contents

Core Samples Anna Farro Henderson,2024-10-22 People live by their stories how can we use them to accelerate action on climate change Climate scientist and policy expert Anna Farro Henderson embarks on a remarkable narrative journey in *Core Samples* exploring how science is done discussed legislated and imagined Through stories both raucous and poignant of far flung expeditions finding artistic inspiration in research and traversing the systemic barriers women and mothers face in science and politics she brings readers into the daily rhythms and intimacies of scientific research and political negotiation Grounded in her experiences as a climate scientist an environmental policy advisor to Minnesota Senator Al Franken and Governor Mark Dayton and a constant juggler of the many roles and responsibilities of professional moms Henderson s eclectic unconventional essays range from observations confessions and meditations on lab and fieldwork to a packing list for a trip to the State Capitol and a lactation diary Readers are invited on voyages as far afield as the Trinity nuclear test site in New Mexico the Juneau Icefield in Alaska and a meteor crater in Ghana and as close to home as a town hall meeting in America s corn belt A love letter to science and a bracing and sometimes hilarious portrait of the many obstacles women mothers and people digging for truth navigate *Core Samples* illuminates the messy contradictory humanity of our scientific and political institutions Bringing us behind the closed doors of discovery and debate Henderson exposes the flaws in research institutions the halls of government and the role of science in policy yet she shows how each crack is also an invitation for camaraderie creativity and change
