## Secret Of Prisoner 1167:

*The Secret of Prisoner 1167* James Tully,1997-01-01      **Abberline** Peter Thurgood,2013-04-01 The name Frederick George Abberline has become synonymous with that of Jack the Ripper and he has been portrayed as everything from an alcoholic a drug addict a womaniser and a bully In reality Abberline was none of these but instead was a devoted husband and a dedicated policeman in a time of rampant corruption Furthermore the Whitechapel murders were not the only notorious cases he worked on From his humble origins as a clockmaker through to his rising through the ranks of the Metropolitan Police Abberline tells the story of a man who lead some of the most infamous investigations in criminal history Long before the Ripper Abberline infiltrated an Irish terrorist group known as the Fenians before he became embroiled in the Cleveland Street Scandal an incident that almost brought the Government to its knees When he retired from the police at the age of 49 Abberline had received eighty four commendations and awards a testament to his tenacity and ability      The Encyclopedia of Murder and Mystery B. Murphy,1999-12-09 Bruce Murphy s Encyclopedia of Murder and Mystery is a comprehensive guide to the genre of the murder mystery that catalogues thousands of items in a broad range of categories authors titles plots characters weapons methods of killing movie and theatrical adaptations What distinguishes this encyclopedia from the others in the field is its critical stance      **1888** Peter Stubley,2012-09-01 In 1888 Jack the Ripper made the headlines with a series of horrific murders that remain unsolved to this day But most killers are not shadowy figures stalking the streets with a lust for blood Many are ordinary citizens driven to the ultimate crime by circumstance a fit of anger or a desire for revenge Their crimes overshadowed by the few sensational cases are ignored forgotten or written off This book examines all the known murders in London in 1888 to build a picture of society Who were the victims How did they live and how did they die Why did a husband batter his wife to death after she failed to get him a cup of tea How many died under the wheels of a horse driven cab Just how dangerous was London in 1888      **Jack the Ripper and Black Magic** Spiro Dimolianis,2011-08-10 Jack the Ripper is a gothic tale of Victorian conspiracies the supernatural secret societies and the police Scotland Yard hunted a serial killer shrouded in politics as the mutilator of East End prostitutes This book uses historic sources and rare official reports to reveal dark and supernatural aspects of the Ripper case      **The Ripper Inside Us** Rebecca Frost,2024-04-10 The story of Jack the Ripper has had continual interest since he stalked the streets of Whitechapel during the Autumn of Terror in 1888 During this time the murders of the Canonical Five made headlines all over the world while in the modern day the Ripper story continues to permeate all forms of media on the page screen in podcasts and in fiction We continue to search for something we will likely never and perhaps do not even wish to discover Jack s true name This book looks at the lasting intrigue of Jack the Ripper and how his story and the stories of the Canonical Five victims are brought back to life through modern lenses As psychological approaches and scientific techniques advance the Ripper s narrative evolves opening a more diverse means of storytelling and storytellers How these storytellers attempt to construct a

full tale around the facts including the burning questions of motive and identity says more about us than the Ripper *The Complete Jack The Ripper A-Z - The Ultimate Guide to The Ripper Mystery* Paul Begg & Martin Fido, 2015-03-05 Hugely respected extensively quoted and widely regarded as the bible of Ripper studies The Complete Jack the Ripper A to Z is the ultimate reference for anyone fascinated by the Jack the Ripper mystery This new rewritten up to date edition includes sources and well over 100 photographs The Complete jack the Ripper A Z has an entry for almost every person involved in the case from suspects and witnesses to policemen and journalists plus the ordinary people who became caught up in the unfolding drama Written by three of the world s leading authorities on the case it takes a completely objective look at theories old and new describes all the key Ripper books and gives potted biographies of many of the authors Whether you are new to the mystery of Jack the Ripper or an experienced Ripperologist The Complete Jack the Ripper A Z will keep you turning the pages Fascinating and entertaining reading in its own right it is the essential reference to have beside you when you venture into the dark alleys of Victorian Whitechapel *Ripperology* Robin Odell, 2006 Ripperology a sometimes obsessive interest in studying the crimes of Jack the Ripper is a subject of timeless interest that has suffered from confusion exaggeration and hyperbole for over a century Jack the Ripper was probably the first serial killer to appear in a large metropolis at a time when the general populace was literate and the press was a force for social change The press was also partly responsible for creating many myths surrounding the Ripper *Jack the Ripper - Through the Mists of Time* Peter Hodgson, 2011-08-26 Over a century ago a series of shocking mutilation murders took place in a squalid overcrowded district of Victorian London Five women fell victim to a man driven by rage and violent fantasy The newspapers of the day gave him a chilling nickname a name that evokes images of gas lit foggy streets and a top hatted sinister figure carrying a Gladstone bag From the outset the murderer attained almost mythical status merely by virtue of his name and his uncanny ability to avoid detection The legend of Jack the Ripper was born Peter Hodgson s detailed and entertaining overview of Ripper lore in fact film and fiction analyses the fiend s awesome legacy He explores the institutions and the individuals the Jewish community and their rituals with meat the scandal prone royal family the Victorian police and their simplistic methods of investigation the streetwalkers and their trade This book compares the fiction with the reality of those ghastly events and clearly shows how the real killer has been transformed into a creature of the mind the other Jack the Ripper Examination of the victims mutilations reveals the true nature of Jack s grotesque fantasies This aspect coupled with his elementary anatomical knowledge is used in conjunction with the FBI s appraisal of the case to construct a unique psychological profile From the long list of candidates the author reveals his prime suspect for the role of the world s most infamous serial killer Book reviews online Published Bestsellers website **Jack the Ripper** M. J. Trow, 2009-11-01 The definitive investigation full of colorful details and sensational speculations for those who enjoy whodunits with a bit of real history Book News For more than a hundred and twenty years the identity of the Whitechapel murderer known to us as Jack the Ripper has both eluded us

and spawned a veritable industry of speculation This book names him Mad doctors Russian lunatics bungling midwives railway policemen failed barristers weird artists royal princes and white eyed men All of these and more have been put in the frame for the Whitechapel murders Where ingenious invention and conspiracy theories have failed common sense has floated out of the window M J Trow in this gripping historical reinvestigation cuts through the fog of speculation fantasy and obsession that has concealed the identity of the most famous serial murderer of all time
