Secret Assignments A Humorous Look At A Dangerous Job:

"Secret Assignments" Kevin R. Illia, 2003-06-06 Have you ever wondered what its like to be an FBI Agent investigating a case and actually interviewing criminals or chasing terrorist in the Caribbean SECRET ASSIGNMENTS takes you there It is a humorous look at a dangerous job where not everything goes right and the criminals do not tell the truth In spite of all that happens agent man perseveres and accomplishes the mission Trying Hard Not To Believe? Carolyn Steger, 2023-04-12 This book was written in the hopes of strengthening the faith of believers and of presenting strong evidence to nonbelievers of the veracity of the Scriptures Over and over again the Bible has come under attack only to be vindicated And over and over again professing atheists have become strong believers in God after doing research with the very purpose of disproving the Scriptures I believe there is overwhelming evidence from various fields of study to support Christian beliefs This book could be valuable in helping teachers to address areas of doubt that students may have regarding the Scriptures The chapters could be used as individual lessons For nonbelievers the gospel message is for us to realize that we are sinners in need of a Savior and that Jesus the sinless Son of God provided the perfect sacrifice to pay for our sins on the cross By acknowledging this to God we are saved by grace The story of the prodigal son is a well known Bible story Really it is much more the story of the father than of the son It shows that if we repent and come to God he will run to meet us with open arms Instead of seeing God as someone with a spindly finger shaking at you I hope you will realize his great love for you and come to him He is just a prayer away We are all left with our own choice to make I hope you choose Jesus Corridors of Deceit Peter Wolfe, 1987 John le Carr is viewed by many critics as one of the best spy and espionage novel writers His most famous works are The Spy Who Came in from the Cold Tinker Tailor Soldier Spy and The Little Drummer Girl Peter Wolfe has produced an informative study of le Carr s works showing how le Carr s five years in the Service British Intelligence helped him become a keen observer social historian and expert in bureaucratic politics He has supplanted the technological flair marking much of today s spy fiction with moral complexity and psychological depth He shows us what spies are like how they feel about spying and how spying affects their minds and hearts A Monster Ate My Homework Arne Christiansen, 1995 Secrets Uncovered: A Romantic Suspense Collection Tess Gerritsen, Julie Miller, Janie Crouch, 2016-07-18 For the first time in one collection three romantic suspense stories from New York Times bestselling author Tess Gerritsen Julie Miller and Janie Crouch Never Say Never by Tess Gerritsen Twenty years after her father s plane crashes Willy Jane Maitland is finally tracking his last moves She recognizes the danger but her search for the truth is the only thing that matters Willy knows she can t proceed without the help of ex army officer Guy Barnard But in a place where truth has many faces she suspects even Guy has hidden motives Kansas City Cover Up by Julie Miller As the Kansas City Police Department s archenemy reporter Gabriel Knight never expected to need its help But the sexy journalist suspects the death of a politician s aide will shed light on the long unsolved murder of his fianc e He demands to team up with tough beautiful detective Olivia Watson Sharing a mutual distrust and a

disturbingly mutual attraction Gabe and Olivia discover that someone's working hard to keep old secrets buried and stop their investigation dead Infiltration by Janie Crouch Omega Sector agent Cameron Branson is on the most important case of his career recovery of classified software that has fallen into the wrong hands After months of undercover work he's on the verge of cracking the case Until Sophia Reardon a familiar face from his past shows up in the wrong place at the wrong time Knowing that she could expose him Cameron is forced to hurl Sophia into his world of deception and terror And as it all begins to unravel Cameron must choose finish the mission or save the one woman he's never been able to forget
