, **Munsey's Magazine** ,1909 *Secret of the Woods* William J. Long,2006-05 Voyage to Himavat Navdeep Jethi,2022-01-06 The one who is born has to die Is it applicable to human existence and the blue planet on which we live I am Shankar the ancient sailor Once upon a time when there were no Himalayas or the holy Ganga when even the humans were not the masters of the earth we had to escape towards a new destination in a vast ocean during the great war of nature and its creature to build the youngest mountain of the world But the voyage of life is not over yet as two new species are already evolving to replace humans after their extinction from the earth Vaidyanath a snow white physician of secret woods has declared me a peace warrior and a researcher of a secret to save the existence of the human race on this earth Will it be possible for me First of all I have no desire to be a saint or Baba and secondly I have little knowledge about pralaya If the world is proceeding to a destructive war what can a mortal human do about it Especially if he is not a politician baba or Superman Everything is unclear This voyage was not set in an ocean but in this new mortal body to search for the true meaning of being alive **Secret of the Woods** William J. (William Joseph) Long,2018-06-28 Secret of the Woods by William J William Joseph Long This little book is but another chapter in the shy wild life of the fields and woods of which Ways of Wood Folk and Wilderness Ways were the beginning It is given gladly in answer to the call for more from those who have read the previous volumes and whose letters are full of the spirit of kindness and appreciation Many questions have come of late with these same letters chief of which is this How shall one discover such things for himself how shall we too read the secrets of the Wood Folk There is no space here to answer to describe the long training even if one could explain perfectly what is more or less unconscious I would only suggest that perhaps the real reason why we see so little in the woods is the way we go through them talking laughing rustling smashing twigs disturbing the peace of the solitudes by what must seem strange and uncouth noises to the little wild creatures They on the other hand slip with noiseless feet through their native coverts shy silent listening more concerned to hear than to be heard loving the silence hating noise and fearing it as they fear and hate their natural enemies We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of

literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

THE WHITE PEOPLE (Occult & Supernatural Classic) Arthur Machen, 2024-01-12 In The White People Arthur Machen presents a haunting exploration of the occult and supernatural that delves into the intersections of innocence and darkness Written in a rich evocative style characteristic of late 19th century literature the novella unfolds through the fragmented diary entries of a young girl who encounters a world steeped in myth and eerie existence Machen adeptly employs symbolism and lyrical prose to evoke a sense of both wonder and dread situating his narrative within the broader context of the supernatural genre that was gaining prominence during the Victorian era challenging the era s rationalist view of the world Arthur Machen a Welsh author born in 1863 was deeply influenced by his fascination with folklore mysticism and the hidden layers of reality His early life in rural Wales and exposure to the mysteries of nature informed his perception of an unseen world that thrummed beneath the surface of everyday life Through his experiences and interests he cultivated a writing style that beckons readers to ponder what lies beyond the veil of the ordinary culminating in the creation of The White People This novella is highly recommended for readers intrigued by the uncanny as it masterfully blurs the lines between childhood imagination and the sinister undercurrents of the supernatural Machen s work remains a quintessential piece for enthusiasts of occult literature and those seeking a thought provoking narrative that resonates with both fear and fascination
