Secret Nights:

Secret Nights and Northern Lights Megan Oliver, 2025-11-18 Childhood best friends and first loves are reunited on a make or break work trip to Iceland with old feelings coming to the surface in this charming romance from debut author Megan Oliver. Mona Miller lives her life by platitudes she's just fine thanks all good not a problem. Everything is right as rain even if it's all a lie. Everyone at the travel magazine where she works knows her as a team player in other words the one who won't complain about the endless fluff pieces pushed her way. But feeling snubbed after being passed over for a promotion, Mona jumps at an international assignment to Iceland even though she's woefully unprepared. She's determined to prove her worth though and her can-do attitude will scale any glacier. But the freelance photographer paired with her is none other than Benjamin Carter, Ben, her childhood best friend who understood her even when her family didn't. Ben, her first love, first everything. And Ben, the boy who ghosted her fourteen years ago and left her brokenhearted. There is a decade's worth of resentment Mona needs to ignore if she wants to make it through this trip. She'll put on her No worries facade and hold Ben at a distance. But the more time they spend together the more the ice around her heart melts. And as those old feelings spark back to life, Mona must decide if she's willing to go on the biggest adventure of all. [Secret Nights at Nine Oaks](#) Amy J. Fetzer, 2010-08-01 IF THESE TWO HUNDRED YEAR OLD WALLS COULD TALK They'd tell the story of The Master Cain Blackmore presiding over his vast empire from the confines of an antebellum mansion in a prison of his own making. And of Phoebe DeLongpree who demanded sanctuary, destroying Cain's peace and pushing the limits of his self control, the same woman who enslaved the recluse with a single kiss years ago. Inside these four walls the two of them could indulge their passion. They were safe. But the outside world beckoned, threatening their haven. Would Phoebe ever be able to pull Cain away from the lure of Nine Oaks and the ghosts that held him in their grasp. **One Secret Night** Jennifer Morey, 2014-09-02 After stumbling into the cross fire of a black ops mission, Autumn Ivy is saved by a dark sexy hero and swept away for a night to remember. Weeks later she discovers her secret lover is soon to be a secret daddy. But what's more shocking is when Autumn tracks her mystery man right into the path of a killer. Page 4 of cover **Secret Nights** Anita Mills, 2013-06-06 This tale of love, suspense and mystery in Regency England features a refreshingly different hero and heroine. Publishers Weekly After her wealthy merchant father is accused of murder, Elise Rand goes to the only person she knows who can help: Patrick Hamilton, Regency London's most brilliant trial lawyer. But no amount of cash will convince Patrick to take on what appears to be a doomed case. So a desperate Elise is forced to put her reputation, her sanity and her heart on the line when she offers a very different method of payment for his legal services: herself. Mills does the historical romance genre proud with her latest offering. Tautly written and packed with suspense, the plot moves along at a brisk pace while engaging the reader in the moving love story of a refreshingly different hero and heroine. With a talent for evoking period atmosphere and her knowledge of the Regency underworld, Mills nips at the heels of Anne Perry's Victorian novels of crime and suspense.

Publishers Weekly An insightful and unusual historical that focuses not only on the glittering decadence of Regency upper class society but also on its sinister criminal elements Nicely drawn characters a complex plot and well handled language contribute to this satisfying romance Library Journal
