Secret Paths Women In The New Midlife:

Secret Paths Terri Apter, 1997-01-07 The author of *Altered Loves* now turns her analytical eye toward middle aged women The result is both lively and revealing New York Times Book Review **Secret Paths: Women in the New Midlife** Terri Apter, 1997-01-17 The author of *Altered Loves* now turns her analytical eye toward middle aged women The result is both lively and revealing New York Times Book Review In this groundbreaking and insightful study Terri Apter traces women's midlife course drawing on detailed interviews with women in their forties and fifties Apter finds that women experience a renewed sense of themselves and see the second half of life as an opportunity for psychological growth and fulfillment instead of a time of despair over lost youth and beauty She divides midlife women into four categories traditional innovative expansive protesting and shows the cause for the midlife crisis and the path toward resolution for each type

Flux Peggy Orenstein, 2012-06-20 Peggy Orenstein's bestselling *Schoolgirls* is the classic study of teenage girls and self esteem Now Orenstein uses the same interviewing and reporting skills to examine the lives of women in their 20s 30s and 40s The advances of the women's movement allow women to grow up with a sense of expanded possibilities Yet traditional expectations have hardly changed To discover how they are navigating this double burden personally and professionally Orenstein interviewed hundreds of women and has blended their voices into a compelling narrative that gets deep inside their lives and choices With unusual sensitivity Orenstein offers insight and inspiration for every woman who is making important decisions of her own **Best Friends** Terri Apter, Ruthellen Josselson, 2010-02-10 *Best Friends* provides the missing link to understanding and recognizing the impact of some of the most important relationships in girls and women's lives Every woman remembers the sting of betrayal of a girlfriend and every parent of a daughter has seen her come home from school in tears because a girl she thought was her best friend suddenly and inexplicably became her enemy While boys hash out differences with fists and kicks girls' societies are marked by secrets and whispers and shifting affection The lessons learned as an adolescent girl are often carried into adulthood making women fear confrontation especially with other women But the intensity of the struggles reflects the support and healing to be found within these friendships Girls find themselves in the mirror of other girls hence the power each has to influence the other Ruthellen Josselson and Terri Apter's many years of working with hundreds of girls and women have given them insight into the emotionally important relationships that are integral to a girl's self image *Best Friends* explores the bonds of friendship between girls and between women and the sorrows and joys they experience together from early adolescence and throughout their lives **The New Single Woman** E. Kay Trimberger, 2006-10-15 Drawing on stories from diverse women who have been single for many years Trimberger explodes the idea that fulfillment comes only through coupling with a soulmate Instead she presents an exciting new identity for women in the twenty first century the new single woman a woman who is content with her single life These gripping personal accounts of how single women's lives evolve over time combined with Trimberger's incisive analysis blend to

provide a much needed cultural roadmap for every single woman who is striving to create a satisfying and meaningful life Trimberger's all inclusive paradigm shifting notion is one that ultimately strengthens and enriches both single women and couples

If Not Now, When? Stephanie Marston, 2001-04-10 Midlife is a wake up call that requires we pay attention to where we stand in our lives It is a time of intense reevaluation Yet it is also a time of immense opportunity from which every woman can emerge a new person Now in one of the first books to address the spiritual emotional and psychological dimensions of the midlife transition acclaimed family therapist Stephanie Marston acts as a midwife to help women make it the extraordinary and transformative rite of passage it can be

The polemics of Ageing as reflected in Literatures.
