- The Rituals and Teachings of the Alpha Et Omega Nick Farrell, 2011 The Golden Dawn Tradition is experiencing a period of rapid growth and development For over 100 years the rituals of the Rosicrucian Order of Alpha et Omega R O A O have been locked away in private collections and unavailable for many occultists to study and compare The publication of these rituals are particularly interesting as they demonstrate the direction Mathers moved after he was expelled from the original Order of the Golden Dawn As Nick Farrell clearly demonstrates in this book Mathers moved to a Masonic style of operation in marked contrast to the Stella Matutina which developed in a Magical direction Nick Farrell has made every effort to keep the rituals and diagrams true to the original Nisi material even when the discrepancies were likely incorrect This is valuable for those who want to examine the material as close to the original manuscripts as possible Nick Farrell's Mathers Last Secret will be discussed many years from now right along with Pat Zalewski's Golden Dawn Rituals and Commentaries and Israel Regardie's The Golden Dawn     Mathers' Last Secret Nick Farrell, 2011-01-01 For many people the Alpha et Omega Order and its teachings under Mathers was a mystery The assumption was that Mathers continued a pure strain of the Golden Dawn unsoiled by the Stella Matutina its Golden Dawn rival and which took the bulk of the Golden Dawn membership with it after the break in 1900 The contrast between what the Golden Dawn originally taught and Alpha et Omega via the rituals has never seen the light day until Nick decided to write this book What Nick has uncovered about the Alpha et Omega rituals will be a disappointment for Golden Dawn fans as the later papers and ritual changes by Mathers appeared to be going backwards rather than forwards Nick lays all this out plainly for the readers with Alpha et Omega ritual examples to contrast with the original Golden Dawn rituals This has been an area that has cried out for more research and Nick has provided an excellent opportunity for us to gaze through the window of the later operations of the Alpha et Omega
