Teachings of the Masonic Lodge John Ankerberg,John Weldon,1990-04-08 Is Masonry nothing more than a harmless brotherhood a club for men Or is there more behind the camaraderie This in depth book probes the secret teachings and oaths revealing how Masonry conflicts with the very foundations of Christianity **Method Infinite: Freemasonry and the Mormon Restoration** Cheryl L. Bruno,Joe Steve Swick III,Nicholas S. Literski,2022-08-09 While no one thing can entirely explain the rise of The Church of Jesus Christ of Latter day Saints the historical influence of Freemasonry on this religious tradition cannot be refuted Those who study Mormonism have been aware of the impact that Freemasonry had on the founding prophet Joseph Smith during the Nauvoo period but his involvement in Freemasonry was arguably earlier and broader than many modern historians have admitted The fact that the most obvious vestiges of Freemasonry are evident only in the more esoteric aspects of the Mormon faith has made it difficult to recognize let alone fully grasp the relevant issues Even those with both Mormon and Masonic experience may not be versed in the nineteenth century versions of Masonry s rituals legends and practices Without this specialized background it is easy to miss the Masonic significance of numerous early Mormon ordinances scripture and doctrines Method Infinite Freemasonry and the Mormon Restoration offers a fresh perspective on the Masonic thread present in Mormonism from its earliest days Smith s firsthand knowledge of and experience with both Masonry and anti Masonic currents contributed to the theology structure culture tradition history literature and ritual of the religion he founded *The Secret Societies of All Ages and Countries* Charles William Heckerthorn,1897 **The Facts on the Masonic Lodge** John Ankerberg,John Weldon,Dillon Burroughs,2009-03-01 Well known
