Piano Lessons with Claudio Arrau Victoria A. von Arx, 2014-05-28 *Piano Lessons with Claudio Arrau* provides an insider's view of the art of piano performance as exemplified by one of the great artists of the twentieth century Chilean pianist Claudio Arrau devoted his life to the piano and its music As a child prodigy he gained national recognition from government officials in Chile including President Pedro

Montt who funded Arrau's education in Germany Arrau studied in Berlin with Martin Krause a pupil of Franz Liszt and later immigrated to New York City where he taught and mentored a sizeable group of pupils while at the same time managing an international performing career Arrau's profound musical insight and unique style of teaching inspired his pupils and motivated them to teach his principles to the next generation of students This in depth study of Arrau's principles and philosophy of technique and performance draws on information from published interviews with Arrau from numerous interviews with Arrau's pupils and from the author's experience in studying piano with two of them Transcripts of actual lessons given by Arrau and preserved on tape present in his own words a detailed account of his technical and interpretive ideas about five major works of the piano repertory References to over one hundred examples from Arrau's filmed recordings enable readers to observe the elements of Arrau's famed technique in action

The Levinskaya System of Pianoforte Technique and Tonecolor Through Mental & Muscular Control Maria Levinskaya, 1930

Figures of Modernity Rūta Stanevičiūtė, 2024-11-11 The subject of this book is the activity of the Lithuanian Section of the International Society for Contemporary Music its pre history 1936 1939 and post war reception as well as the history of the Vilnius Chapter of the ISCM Polish Section which is seen as integral part of the modernisation of Lithuanian and international musical culture With the aim of including the modern music movements in Kaunas and Vilnius in the international context the book presents a critical review of ISCM strategies and a history of festivals in the interwar and early Cold War periods In the said context not only the artistic but also the political contexts of the Society's activities are important The Lithuanian Section of the ISCM is attributed to typical organisations of small countries stimulated by an international movement of modern music However in an environment of cultural transfer not only the migration of ideas from the centre to the periphery is important but also the response from the periphery to the centre The author addresses the issues which are only marginally represented in many histories of the 20th century musical modernisation
