Man-Made Eva Tutchell, John Edmonds, 2016-03-09 Why are so few women in positions of power Why are government business the institutions and so much of British life dominated by men Eva Tutchell and John Edmonds find the answers by interviewing over a hundred successful women and discovering what it takes for a woman to get to the top The statistics are startling Britain is an 80/20 nation 80 per cent of the most powerful jobs are occupied by men and only 20 per cent by women Tutchell and Edmonds uncover the cultural and historical reasons for this extraordinary imbalance of power Their book is entitled Man Made because men have made the rules and women must do their best to fit in In spite of its claim to be a modern nation Britain is conditioned by a legacy that views men as doers and leaders and expects women to be helpers and supporters Many men still judge women more by their appearance than by their ability Most shocking of all Man Made reveals that the birth of children pushes the careers of most women into crisis Mothers are paid less and promoted less Ambitious women are tempted to make their children invisible to employers Man Made provides a rigorous and convincing analysis of the inadequacy of current policy and proposes a more thoroughgoing programme to achieve fairness and equality Tutchell and Edmonds speculate about whether a new generation of female activists can produce the political pressure to change the culture of Britain

The Secret Success of Marriage BRANFORD B YEBOAH, 2015-05-18 Prayer has always been a vital part of Christian life By studying the prayers of men of God in the Scriptures you will begin to understand the concept of prayer The men whose prayers moved God to act were ordinary men like us Nevertheless they knew the power of prayer and its benefits The prayer these men prayed was not ordinary prayer but intense prayer People who pray with God have a relationship with Him If you carefully study Scripture you will notice that the way the prophets prayed reveals how married couples should pray to move God to intervene in their failing marriages Their prayer demonstrates the principles that can be gleaned and clearly identified and which if applied to marital life can work wonders When studied the prayers of these great men who walked with God provide a wealth of insight The New Testament offers us prayer to which we even better relate The Gospels centre on key events in the life of Christ including examples of prayer These examples do not only give us insight into the heart of Christ but also give us key instructions on how to pray
