Japan Now, 1994 *Gambling With Virtue* Nancy R. Rosenberger, 2000-10-01 *Gambling with Virtue* rings with the voices of women speaking openly about their struggle to be both modern and Japanese in the late twentieth century It brings to the fore the complexity of women's everyday lives as they navigate through home work and community Meanwhile women fashion selves that acknowledge and challenge the social order Nancy Rosenberger gives us their voices and experiences interspersed with introductions to public ideas of the last three decades that contribute significantly to the opportunities and risks women encounter in their journeys Rosenberger uses the stage as a metaphor to demonstrate how everyday life requires Japanese women to be skilled performers She shows how they function on stage in their accepted roles while effecting small but significant changes backstage Over the last thirty years Japanese women have expanded their influence and extended this cultural process of multiple arenas to find compromises between the old virtues of personhood and new ideals for self They conform maneuver and make choices within these multiple stages as they juggle various concerns and desires By the 1990s their personal choices have made a difference calling into question the very nature of these multiple arenas

The Journal of Psychohistory, 2005 *Year of the Demon* Steve Bein, 2013-10-01 Detective Sergeant Mariko Oshiro has been promoted to Japan's elite Narcotics unit and with this promotion comes a new partner a new case and new danger The underboss of a powerful yakuza crime syndicate has put

a price on her head and he'll lift the bounty only if she retrieves an ancient iron demon mask that was stolen from him in a daring raid. However, Mariko has no idea of the tumultuous past carried within the mask or of its deadly link with the famed Inazuma blade she wields. The secret of this mask originated hundreds of years before Mariko was born, and over time the mask's power has evolved to bend its owner toward destruction, stopping at nothing to obtain Inazuma steel. Mariko's fallen sensei knew much of the mask's hypnotic power and of its mysterious link to a murderous cult. Now Mariko must use his notes to find the mask before the cult can bring Tokyo to its knees and before the underboss decides her time is up.
