The Columbia Granger's Index to African-American Poetry Nicholas Frankovich, David Larzelere, 1999 Responding to the enormous interest in African American literature Columbia University Press is publishing a

Granger's R index devoted exclusively to poetry by African Americans To compile the Index to African American Poetry a team of consultants identified the best most widely available anthologies and volumes of collected and selected works The result this new index includes more than 11 000 poems by 659 poets Constructive Wallowing Tina Gilbertson, 2014-05-19 Constructive wallowing seems like an oxymoron Constructive is a good thing but wallowing is bad Right But wait a minute is it really so terrible to give ourselves a time out to feel our feelings Or is it possible that wallowing is an act of loving kindness right when we need it most Just about everyone loves the idea of self compassion the notion that maybe in spite of our messy emotions and questionable behavior we really aren't all that bad In recent years there's been an explosion of books that encourage readers to stop beating themselves up for being human which is terrific Unfortunately readers who aren't interested in Buddhism or meditation have been left out in the cold Self compassion is an everyday habit that everyone can learn even if they aren't particularly spiritual but find most books about self compassion too serious or else have already overdosed on meditation Constructive Wallowing How to Beat Bad Feelings by Letting Yourself Have Them is the first book to cut right to the chase bypassing descriptions of Eastern philosophy and meditation techniques to teach readers exactly how to accept and feel their feelings with self compassion for greater emotional health and well being while making them laugh from time to time It seems that the wisdom of keeping your friends close and your enemies closer applies to emotions as well as people It's tempting to turn away from menacing uncomfortable feelings like anger grief or regret and treat them like unwanted guests however ignoring them just seems to make them stick around They lurk in the background like punks with switchblades waiting to pounce as soon as they see an opening By learning to accept and embrace rather than suppress difficult feelings people can keep their sense of personal power and better yet gain greater understanding and ultimately esteem for themselves Feeling bad can actually lead to feeling better faster **Cumulated Index Medicus**, 1975 The Greatest Works of French Literature: 100+ Novels, Short Stories, Poetry Collections & Plays Stendhal, Jules Verne, Gustave Flaubert, Anatole France, Émile Zola, Victor Hugo, Guy de Maupassant, Jean-Jacques Rousseau, Alexandre Dumas, François Rabelais, George Sand, Marcel Proust, Gaston Leroux, Charles Baudelaire, Molière, Pierre Corneille, Jean Racine, Voltaire, Pierre Choderlos de Laclos, Alexandre Dumas fils, 2023-12-18 The Greatest Works of French Literature 100 Novels Short Stories Poetry Collections Plays represents a comprehensive exploration into the heart and soul of French literary brilliance spanning several centuries of intellectual and creative thought This anthology encapsulates the diversity and depth of French literature covering a gamut of genres from the tragic to the comedic the romantic to the realist Significant for its inclusion of a variety of literary styles this collection brings together the monumental works of renowned authors like Voltaire Marcel Proust and Gustave Flaubert among others offering readers an unparalleled mosaic of French literary heritage Each piece carefully selected for its historical and cultural significance invites readers into the complexities and beauties of human experience as seen through a distinctly French lens The contributing authors and editors hailing from varied backgrounds

Victorian Poetry ,2009 **A ^ACentury of Sonnets** Paula R. Feldman,Daniel Robinson,2002-12-20 A Century of Sonnets is a striking reminder that some of the best known and most well respected poems of the Romantic era were sonnets It presents the broad and rich context of such favorites as Percy Bysshe Shelley s Ozymandias John Keats s On First Looking Into Chapman s Homer and William Wordsworth s Composed Upon Westminster Bridge by tracing the sonnet revival in England from its beginning in the hands of Thomas Edwards and Charlotte Smith to its culmination in the poetry of Elizabeth Barrett Browning and Dante Gabriel Rossetti Expertly edited by Paula R Feldman and Daniel Robinson this volume is the first in modern times to collect the sonnets of the Romantic period many never before published in the twentieth century and contains nearly five hundred examples composed between 1750 and 1850 by 81 poets nearly half of them women A Century of Sonnets includes in their entirety such important but difficult to find sonnet sequences as William Wordsworth s The River Duddon Mary Robinson s Sappho and Phaon and Robert Southey s Poems on the Slave Trade along with Browning s enduring classic Sonnets from the Portuguese The poems collected here express the full sweep of human emotion and explore a wide range of themes including love grief politics friendship nature art and the enigmatic character of poetry itself Indeed for many poets the sonnet form elicited their strongest work A Century of Sonnets shows us that far from disappearing with Shakespeare and the English Renaissance the sonnet underwent a remarkable rebirth in the Romantic period giving us a rich body of work that continues to influence poets even today
