## **Practical Guide To Divorce:**

**A Practical Guide to Divorce in Connecticut** Barry F. Armata, Campbell D. Barrett, **A Common Sense, Practical Guide to Divorce in New York** Lenard Marlow, 2020-07-02 With the exception of the loss of a child or someone very close divorce is often the most difficult experience anyone will have to negotiate in his or her life But what turns it into the tragedy that it so often becomes is the legal nonsense that they will be exposed to when they turn to divorce lawyers Divorce lawyers don't help They only make things worse That unfortunately has been the sad legacy that our adversarial legal system has bequeathed to divorcing husbands and wives But it doesn't have to be that way And it doesn't have to drag out for years or cost a king's ransom A lawyer is not just an advocate someone who uses the law as a weapon in a legal tug of war the object of which is simply to get as much as you can and to give as little as you have to As this book argues a lawyer is also a counselor at law someone who will use the law as a common framework that divorcing husbands and wives can look to in their effort to conclude an agreement There is a name for this It is called divorce mediation and it doesn't take forever or cost a king's ransom **A Practical Guide to Divorce in Connecticut** Barry F. Armata, 2018-12-07 **A Practical Guide to Divorce in Maine** Heather T. Whiting, 2022-03-31 **A Practical Guide to Divorce in Hawaii** Peter J. Herman, 2021-05-25 This new edition of **A Practical Guide to Divorce in Hawaii** explains in clear nonlegal language current Hawaii family law and how it may affect your life The author an experienced divorce lawyer presents the most recent developments in child support guidelines laws affecting property division military retirement alimony taxes and court procedures including the requirement of mediation in all cases Offering dozens of suggestions on how to negotiate a fair settlement with your spouse it answers questions about alimony child custody and support property division and tax and debt responsibilities An entire chapter is devoted to the special problems of military personnel There is even a chapter on pre and postmarital agreements and palimony Not intended as a substitute for an attorney this book will however give you a broad understanding of the divorce process in Hawaii and the knowledge of how to fully protect your rights **The Client's Guide to Collaborative Divorce: Your Quick and Practical Guide to the Benefits and Procedures of Collaborative Divorce** Joanne S. Nadell, Esq., 2015-09-23 Collaborative divorce is a way to put your children's needs first control your costs and avoid divisive and wasteful court proceedings In this concise guide you'll learn What is collaborative divorce and how does it work Who participates in a collaborative divorce How long does it take and what does it cost Get practical helpful advice on how to navigate one of the toughest transitions that you could ever go through with **The Client's Guide to Collaborative Divorce** The collaborative process was excellent in enabling my ex husband and me to achieve the equitable divorce we each wanted Instead of two lawyers and the two of us butting heads the four of us worked together for the most part to achieve a fair division of our assets My ex and I came out of the process still able to talk to one another J B 2015 **A Practical Guide to Divorce in New Hampshire** Massachusetts Continuing Legal Education, 2025-03-12 **A Practical Guide to Divorce in New**

Lichtman Ph. D., 2011-04 Countering the Tiger Mother parenting style this research based practical guide provides an excellent framework for raising competent and compassionate children In an era of helicopter parents moms and dads who constantly hover over their children to monitor and manage their lives and our culture s focus on personal gain and corporate greed there is great need for a parenting guide that outlines how to raise children who are well adjusted A Practical Guide for Raising a Self Directed and Caring Child fills that void In response to Amy Chua s recent bestseller *Battle Hymn of the Tiger Mother* psychologist Louis J Lichtman PhD presents a compelling case for the notion that children will be more successful if they are self directed rather than parent controlled Through anecdotes and research studies Lichtman illustrates how to build a child s self esteem and delves into how parenting styles and disciplinary practices influence a child s behavior and character Lichtman also gives special attention to the topics of achievement parenting during the adolescent years and how family structure impacts children In addition Lichtman discusses how to avoid common parenting mistakes issues to consider before deciding to become a parent and how to give children the best possible start in life Designed to help parents develop a set of guiding parenting principles this guide is applicable to all situations and to children of all ages A Practical Guide for Raising a Self Directed and Caring Child offers a solid comprehensive resource for today s parents     **The Zen of an Uncontested Divorce** Vivian C. Rodriguez, Vivian C Rodriguez J D>, 2015-07-17 Divorce can be approached in a sane manner so that you and your family can move on to take care of your emotional aspects of divorce What makes divorce difficult is the expectations you bring to the divorce process expectations such as justice revenge vindication and a host of other emotionally loaded concepts or ideas that the legal system is just not equipped to provide you These are just a few examples of what most people expect when going into divorce court with only to be disappointed in what they ultimately get Discover the most straightforward route through the legal system to get a divorce The Zen of an Uncontested Divorce is all about this straight route which also happens to be the shortest and least expensive one If you re considering a divorce or have already discussed it with your spouse The Zen of an Uncontested Divorce will provide you perspective and context for you to be able to make the best possible choice for you     **A Practical Guide to the Death Duties and to the Preparation of Death Duty Accounts**

Charles Beatty,1907      **Do Your Own Divorce** John Bolch,2009-08-28 This book will save you money Even if the divorce is completely straightforward and there are no arrangements for children and finances to sort out a solicitor will typically charge between GBP500 and GBP1000 to deal with the divorce for you not including court fees If there are arrangements for children or finances to sort out then the solicitor s fees are likely to be many times that sum This book is for the increasing number of people who have to go through divorce proceedings without legal assistance and for those who just want to save legal costs It includes A guide to divorce proceedings including completing all the required forms Sorting out financial property arrangements whether by agreement or through the court Making arrangements for children Details of child support maintenance Dealing with domestic violence costs and mediation Plus specimen forms useful addresses and websites and a detailed glossary of legal terms This book is for anyone who is seeking or contemplating a divorce or anyone whose spouse has issued divorce proceedings against them Even if you are separating from your spouse and do not wish to divorce at this time this book will be useful to you as many of the principles with regard to arrangements for children and sorting out finances are the same Contents 1 Divorce 2 Children 3 Child maintenance 4 Finances and property 5 Domestic violence 6 Mediation 7 Costs and legal aid 8 Final thoughts Appendix 1 Example Documents Appendix 2 Useful Addresses and Websites Appendix 3 Glossary Appendix 4 List of Divorce County Courts Index      The New York Times Practical Guide to Practically Everything Amy D. Bernstein,Peter W. Bernstein,2006-10-17 A collection of information on aspects of daily life and a variety of popular topics such as the home health animals nature sports and entertainment      Divorce Mediation John M. Haynes,1981 Divorce mediation offers mental health professionals and lawyers an effective way to help couples dissolve their marriages minimizing the frustration and animosity commonly associated with the adversarial process The rapid growth of divorce mediation centers is evidence of the need for specially trained professionals who can continue working with clients once the decision to divorce is made This handbook will enable clinical psychologists counselors clergy and social workers to expand their practice into this important field Lawyers also will find the book useful in relating to divorce clients and to mediators The author presents a model for helping couples negotiate mutually beneficial separation agreements while coping emotionally with divorce He demonstrates how a mediator helps resolve key issues concerning the division of personal and real property support children and plans for the future He gives step by step guidelines for moving through the mediation process and illustrates this with nine case studies Also included are a discussion of the special problems of children of divorcing couples and appendixes containing a manual for clients and sample separation agreements Jacket      A Practical Guide to Divorce for the Silver Separators Karin Walker,2020-11-16 As the marriage rate falls and the millennials choose to cohabit the over 60s are topping the divorce charts Working with separating couples who are in later life requires a special level of expertise In addition to the provision of sound legal advice practitioners will need to have an understanding of the emotional and other wider issues faced by clients from this generation and the impact which these will have on the process

There is a need to explore into the family dynamic and recognise the influences which may have a profound effect upon your handling of the case on behalf of your client A Practical Guide to Divorce for the Silver Separators will take you through some of the most important considerations when acting for a client over the age of 60 and provide guidance to support you through the potential pitfalls The aim is to assist you in the provision of the best possible service for the growing number of separating couples in this age group likely to form a significant proportion of your caseload The book is full of practical tips with an illustrative case study It deals with the needs to understand the implications for the wider family especially adult children who although too old to be taken into account by the court can become over involved in the separation of their parents A Practical Guide to Divorce for the Silver Separators can be used as a quick reference book or an absorbing cover to cover read aimed at equipping the reader to tailor their service to the very specific requirements of the age group
