helped tame it Now in *Winds of Promise* Thompson continues their fascinating legacy in a gripping story of love against the
backdrop of the wild Texas terrain In the chaos of the Civil War Sarah Peterson lost her beloved husband and only child and
endured seven years of captivity by the fierce Comanche Finally freed she returns to the only home she knows only to find
that she's just as much a prisoner of a cruel and judging society until an unexpected champion offers her an escape to a place
where her past will be unknown and a new life as his bride in name only A marriage of convenience to the commanding
Hunter Tate and a home on his Texas ranch seems an ideal solution But now Sarah is torn between the shame she feels for
her past and the fire and longing that Hunter Tate inspires What can she offer this ardent intelligent man Is it just possible
that love can heal and let two hot headed people share the promise of this rough and beautiful land and each other's hearts
