Really Bad News:

Real Life Moments J. Mark Fox, 2008 One of the most challenging things I have faced as the husband of one wife and the father of five boys and two girls is the same thing you have faced no matter how many children you have It is a constant challenge to be the husband and the father we are called by God to be and to give our wife and children what they need us to give This book is designed to be read by the dad who is busy making a living at a job but does not want to overlook making a life at home My hope is that each story will make you laugh or think or even cry and that God will use this book to encourage you in your own journey as a godly man There are fifty two life lessons in this book one for each week of the year They are not dated so you can start anytime in the year and use it for the next 52 weeks Or you can read the lessons in 52 days if you like Or 52 hours Hey you could probably read through the whole book in about 52 minutes but I don't think you would be able to do all the action items that fast Nor would you want to At the end of each lesson there is a prayer you can read as an encouragement to your own heart's cry to the Lord There is also an action item that exhorts you to do something in response to what you just read Hey I'm a guy too I know the tendency we guys have to believe that just thinking about something or just hearing a good idea and agreeing with it is equivalent to actually DOING it Sorry I wish it were so but that's just not going to fly Go ahead and check your bags with Reality Airlines and follow through on those good intentions you have entertained for years This book I hope will help you to do that If nothing else you will have a collection of wild and funny and sobering stories to share with your family around the supper table Or if you are a pastor or a teacher these pages can help you illustrate biblical truths in your next sermon or Sunday School lesson No matter how you use this book my prayer is that it will be a blessing to you And I would love to hear from you Feel free to email me at markfox@antiochchurch.cc You can visit the church website at www.antiochchurch.cc I look forward to it Mark

Experiencing the Truth Anthony J. Carter, 2008-06-09 Experiencing the Truth communicates the need of a vibrant experiential Reformed Christianity among African Americans and all believers How does a believer choose a church to attend Sadly too many Christians search for churches that serve them and meet their perceived needs Instead they should prefer places where God is exalted and biblical truth and Christian doctrine are proclaimed Such churches are essential if Christians are to understand what God is doing and what he calls His people to be Experiencing the Truth presents these truths not simply to African American churches but also to the whole church today Anthony Carter Michael Leach and Ken Jones clearly present the need for a vibrant experiential Reformed Christianity among African Americans These authors lay out the biblical basis for choosing and attending a church and they
