Israel, 2007-12-13 Foster young children's early literacy skills and build a strong foundation for reading. Emphasizing the importance of providing emerging readers with the skills for future literacy success. *Early Reading First and Beyond* is a comprehensive resource that helps early childhood educators develop children's readiness for kindergarten by providing creative learning experiences based on the most current literacy research. In reader-friendly terms, Susan E. Israel illustrates how to create rich learning environments, provide activities to engage young minds and promote the important language cognitive and early reading skills necessary to encourage learners' self-confidence. Teachers will find proven practices, assessment tools, guidelines for meeting individual learning needs, examples, advice for professional development sessions and connections to International Reading Association standards. This book presents essential information for understanding and implementing the core components of an Early Reading First program: Designing early childhood programs of excellence, School-parent partnerships, Oral language development, Phonological awareness, Print awareness, Alphabetic knowledge, Early metacognitive thinking, Advocating strong connections between home and school. This accessible text offers teachers, early childhood education specialists, literacy coaches, administrators and parents the appropriate tools to make a significant positive difference in young children's futures. *Forthcoming Books* Rose Arny, 2002-02 **Children's Books in Print 1998** Bowker Editorial Staff, R R Bowker Publishing, Bowker, 1998 **Quotes to Inspire Great Reading Teachers** Cathy Collins Block, Susan E. Israel, 2006-05-12 Education is not the filling of a pail but the lighting of a fire. William Butler Yeats. These quotes will inspire reflection on your teaching and provide tools to inspire your students too. Teachers will find a year's worth of thought-provoking quotations by thinkers from in and out of education from across centuries and cultures. Tied to themes of best teaching practice and reading domains including goal setting, comprehension, vocabulary building, assessment and collaboration, these quotes give you a daily way to deepen your reflection and critical thinking. The book also shows how to use the quotes in the classroom to directly foster improvement of your students' literacy, metacognitive skills and goal setting and at the same time introduce them to some of the greatest names in history and literature. Following each quote, this inspirational guide includes three reflective questions relating the core idea of the quote to teaching practices, Lesson prompts that provide ways to use the quote with your students, Literature links that identify books for K through 2, 3 through 8 and 9 through 12 and how to use them to extend student learning and thinking related to the quote. The authors have created a unique resource to help you deepen your thinking. It can be used alone or as a companion book to *Reading First and Beyond* Block Israel 2005 which offers research-based practices for reading.
