this couple's journey with their counsellor and become a fly on the wall as they journey into their most private and unknown places. Much more than a comic strip, the graphic novel *Couple Therapy Dramas of Love and Sex* takes you into the hidden world of the Relate counselling room and lets you into the private worlds of three fictional couples as they struggle to improve their relationships and their sex lives. Relate counsellor Barbara Bloomfield discusses each case with renowned family therapist Prof Rudi Dallos as they share thoughts, theories and active techniques that will help each couple to understand what's gone wrong and how to make changes for the better. WITH A FOREWORD BY RUTH SUTHERLAND CEO OF RELATE. *Couple Therapy* is a very innovative book exploring the private worlds of two fictional couples plus one family going through RELATE counselling. It is comic strip type graphic novel which highlights relationship issues in an exciting, easy and highly readable way. A must read for anybody experiencing problems in a relationship. Cary L Cooper CBE Distinguished Professor of Organizational Psychology and Health at Lancaster University UK and President of Relate. This wonderfully creative book provides a unique insight into the Relate counselling room. It is written with clarity and integrity and I would highly recommend it to anyone interested in learning more about Relate counselling. Jenny Porter Supervisor Relate Cymru and Tutor at The Relate Institute UK. This graphic novel explores some of the problems we all face in our relationships and beautifully describes what goes on in the counselling room to solve them. I love the real feeling of being in the room that the cartoons convey and then the what's going on in the counsellor's head commentary adds depth followed by some excellent supervision of the work at the end of each chapter. There's no dumbing down and the book gives real insights into the couple and family counselling process. Marvellous. Gwilym Roberts Chief Executive Relate Cymru UK. This beautifully illustrated graphic novel provides an informative and accessible guide to systemic oriented couple therapy with accompanying comments and thoughts helping the reader to understand the way the couple feels and the therapist works with their problems. The book can be recommended to anyone who wants to get an idea of what happens in couple therapy. Dr Andreas Vossler Director of the Foundation Degree in Counselling The Open University UK. Full of the drama and humanity of couple therapy. Barbara Bloomfield's thoughtful holding interventions and reflections match the vivid characters illustrated by Chris Radley in this energetic graphic narrative that showreels fictionalised episodes from inside the confidential couple therapy room. Entertaining, reflective, moving and educational, this is a riveting read.
