Jesus and the Powers N. T. Wright,Michael F. Bird,2024-03-26 An urgent call for Christians everywhere to explore the nature of the kingdom amid the political upheaval of our day Should Christians be politically withdrawn avoiding participation in politics to maintain their prophetic voice and to keep from being used as political pawns Or should Christians be actively involved seeking to utilize political systems to control the levers of power In *Jesus and the Powers* N T Wright and Michael F Bird call Christians everywhere to discern the nature of Christian witness in fractured political environments In an age of ascending autocracies in a time of fear and fragmentation amid carnage and crises Jesus is king and Jesus's kingdom remains the object of the church's witness and work Part political theology part biblical overview and part church history this book argues that building for Jesus's kingdom requires confronting empire in all its forms This approach should orient Christians toward a form of political engagement that contributes to free democratic societies and vigorously opposes political schemes based on autocracy and nationalism Throughout Wright and Bird reflect on the relevance of this kingdom oriented approach to current events including the Russian Ukraine conflict the China Taiwan tension political turmoil in the USA UK and Australia and the problem of Christian nationalism

His Mighty Word of Power Twyman Preston Joyner,2012-08 This book is a theological apologetic Bible study aid that will assist the reader and theological students on creationism controversial topics like Bible inerrancy tithing glossolalia environmentalism the Christian prosperity movement plus a biblical summary of the entire Bible with a chart diagram of biblical and secular history as well as many other topics This book will open your eyes and heart to search the Scriptures without human embellished clichés that have robbed the Church from understanding God's Word

Shakspeare's Sonnets never before interpreted: his private friends identified: together with a recovered likeness of himself. By G. Massey William Shakespeare,1866

Money and Power Jacques Ellul,2009-02-05 Rich or poor we all face the problem of money But is money chiefly a personal problem of how we manage our resources or a societal problem of how we organize the economy Jacques Ellul exposes the folly of a purely societal approach whether communism collectivism socialism or capitalism and argues for individual responsibility Money he says is not neutral something we can use as we like Instead it is a powerful agent that sets itself against God's kingdom Tracing the scriptural attitudes toward wealth from Old Testament sacramentalism through New Testament renunciation he challenges Christians to live by the law of grace and not by the law of the marketplace

Alijla, 2023-10-14 This book uses the cases of Syrian factions in rebel held areas Hamas in the Gaza Strip Houthi in Yemen rebels in Libya Taliban in Afghanistan In Iraq and Somalia to explain the importance of examining genealogies tribalism common local knowledge and social networks in understanding the institutionalisation of armed group governance systems The book provides a series of studies employing heterogeneous methodological approaches to address the issue using qualitative quantitative and mixed methods The proposed project also attempts to move away from the central debate on the national political crisis trend by examining the sub national level patterns and assessing various factors and questions that bring about clear answers regarding how de facto rulers use tribes and tribal informal institutions to sustain their presence and create a safe social incubator **Shakespeare's Sonnets Never Before Interpreted** Gerald Massey, 1866 **The**

Works of William Shakespeare William Shakespeare, John Payne Collier, 1843 **Two Loves I Have** J. D.

Winter, 2016-04-19 Perhaps the most astonishing set of personal poems ever written Shakespeare's Sonnets have both delighted and puzzled readers down the ages Two Loves I Have is a reading of the sequence that brings the four characters involved to life The fair kind and true young man to whom the majority of poems are addressed the woman as black as hell as dark as night who dominates a part of the narrator's inner landscape against his will the narrator himself who at times is unexpectedly wholly at ease with his mistress but at other times is sunk in a form of self loathing and whom nothing on earth will deter in his devotion to the young man these three play out a drama as fierce as that in any of the author's plays And the author himself at some remove behind the narrator is the shadowy fourth character Did he invent the young man and the Dark Lady Did he adapt an existing situation in his life or indeed record it simply as it was Whatever the historical fact which can never be known the poetic situation is enthralling Without insisting on any particular view Two Loves I Have from sonnet 144 allows the reader a vista of the whole sonnet sequence and a sense of its shifting currents J D Winter carefully elucidates each individual poem thus enabling the reader not only to come to terms with their outward meaning but to appreciate the rhetorical flow and the poet's idiosyncratic use of the sonnet form itself The sonnet sequence has been a comparatively neglected part of the Shakespearean canon The 400th anniversary of Shakespeare's death in 2016 is an appropriate time to shed a new light upon the poems **Shakspeare's Sonnets Never Before Interpreted** Gerald Massey, 1866 *The Real*

and the Romantic Frances Spalding, 2022-07-07 The 21st century has seen a surge of interest in English art of the interwar years Women artists such as Winifred Knights Frances Hodgkins and Evelyn Dunbar have come to the fore while familiar

names Paul Nash Eric Ravilious and Stanley Spencer have reached new audiences High profile exhibitions have attracted recordbreaking visitor numbers and challenged received opinion In *The Real and the Romantic* Frances Spalding one of Britains leading art historians and critics takes a fresh and timely look at this rich period in English art The devastation of the First World War left the art world decentred and directionless This book is about its recovery Spalding explores how exciting new ideas co existed with a desire for continuity and a renewed interest in the past We see the challenge to English artists represented by C zanne and Picasso and the role played by museums and galleries in this period Women artists writers and curators contributed to the emergence of a new avant garde The English landscape was revisited in modern terms The 1930s marked a high point in the history of modernism in Britain but the mood darkened with the prospect of a return to war The former advance towards abstraction and internationalism was replaced by a renewed concern with history place memory and a sense of belonging Native traditions were revived in modern terms but in ways that also let in the past Surrealism further disturbed the ascetic purity of high modernism and fed into the British love of the strange Throughout these years the pursuit of the real was set against and sometimes merged with an inclination towards the romantic as English artists sought to respond to their subjects and their times

The Christian Story Gabriel Fackre,1996 An original work in systematic theology The Christian Story rises from and strives to be a resource to the life and witness of the church and its leadership In addition to covering the standard teachings of Christianity the doctrines of God creation the fall covenant Christ salvation church and consummation Volume 1 presents Fackre s introduction to systematic theology This revised third edition develops in more detail the doctrine of the Trinity takes up the issues of religious pluralism and Jewish Christian dialogue and offers a perspective on angelology New appendices discuss inclusive language and describe the surge of writing in the field of systematic theology

Creation, Power, and Truth N. T. Wright,2025-04-29 In *Creation Power and Truth* N T Wright invites readers to consider the crucial ways in which the Christian gospel challenges and subverts the intellectual moral and political values that pervade contemporary culture In doing so he asks searching questions about three defining characteristics of our time Neo gnosticism Neo imperialism Postmodernity Employing a robust Trinitarian framework Wright looks afresh at key elements of the biblical story while drawing out new and unexpected connections between ancient and modern worldviews The result is a vigorous critique of common cultural assumptions and controlling narratives past and present and a compelling read for all who want to hear speak and live the gospel of Christ in a world of cultural confusion
