Miracle Israel John Barnett,2003 Deconstruction and Reconstruction in Yhwh's Universal Project Louismary Ocha,2022-01-27 Taking its bearing from the mission statement in prophet Jeremiah s vocation narrative Jer 1 10 the book examines YHWH s events of deconstruction and reconstruction in Israel of the Old Testament Through the analysis of the six verbs namely pluck up pull down demolish destroy build and plant the book gives a different dimension to the common impression that Jeremiah is a prophet of woes and laments thereby limiting his prophecies to only oracles of destruction hence total annihilation Rather it investigates Jeremiah s prophecies as flying with two wings oracles of judgement and oracles of salvation In other words the oracles are not only against the nations but also for the nations With the exile of the Israelites and their restoration to the land in view according to the book of Jeremiah YHWH continues His creative and restorative acts and depicts the divine full involvement and control of Israel s history In like manner the book portrays the abiding divine presence in the history of humankind in general Therefore Israel is only used to form a bridge of YHWH s concern for the nations hence the entire humanity As YHWH sets the history of Israel in motion so He performs for the rest of humanity The goal of which has always been for the good and salvation of humankind of which the culmination is in the person and advent of Jesus Christ

Sweeney,2014-07-15 In this volume Marvin A Sweeney builds upon his former work Form and Intertextuality in Prophetic and Apocalyptic Literature FAT 45 2005 He introduces further studies that take up several key issues including the reading of prophetic books in their final literary form and the significance of textual versions for this reading He also observes the intertextual relationships between the prophets and other works of biblical and post biblical literature and the reception of the prophetic books Following an introduction that lays out methodological perspective it includes the title essay for the volume Reading Prophetic Books as well as selections of papers devoted to Isaiah Jeremiah in both its Masoretic and Septuagint forms Ezekiel individual books from the Twelve Prophets and the reading of biblical texts in Qumran Rabbinic and Targumic literature Israel, Rapture, Tribulation Michael Earl Riemer,2021-05-23

Jesus is coming soon for all signs point to His arrival again The Last Days are upon us again The Great Tribulation is about to start again We will see the Lord coming in clouds of glory for we are the last generation again Even before William Miller pronounced these kinds of tidings for 1843 and when it didn t occur he assured his followers it would happen on October 22 1844 this refrain was common from Christians down throughout the ages However since the time of Miller and especially since 1948 when the nation of Israel was given birth the chorus of Christian voices proclaiming End Times and Last Days is a constant message The problem all those who have preached this since 70AD have been wrong always 100% of the time In the Revelation of Jesus given to Saint John he assures the seven Churches the time was near it was in fact at hand The letter closes with the assurance of that fact the Lord was coming soon for Jesus states Surely I come quickly Revelation 22 20 So that leaves us with two perplexing and bewildering conclusions Jesus was wrong about His soon coming and those who preach this have also been preaching a tall tale a cock and bull story However the early Christians did not believe what is being taught across today s pulpits concerning this teaching They knew those events would happen in their lifetime not 2 000 years in the future they took Jesus at His word and it saved their lives In this book you will find the doctrine believed by early Christians and the reason the modern Last Days doctrine has always been wrong and how it was fulfilled You will also find the message taught by Jesus and presented throughout the Holy Scriptures hope and victory for Christ s Church **The Dragon's Revelation:**

Moore,2024-11-01 In this eye opening exploration discover how Moses ancient prophecies on Israel the coming of Jesus and the End Times have striking connections to modern day events Delve into how these timeless predictions align with the unexpected rise of Donald Trump Nostradamus cryptic visions and the eerie legacy of the Kennedy curse With meticulous research this book unravels a complex web of prophetic clues leading to the conclusion that the mystery surrounding the assassination of JFK and its aftermath has finally been solved Prepare to be astonished as you uncover the undeniable threads that tie together history s greatest mysteries with prophetic foresight Is it coincidence or is there a higher plan at work **The Salvation of the Remnant in Isaiah 11** Gerald Emem Umoren,2007-10 As a response to this situation this dissertation which scored a summa grade on presentation to the Biblical section of the Faculty of Theology of the Pontifical University of St Thomas Rome is basically an exegetico theological inquiry into the meaning and possible implication of Is 11 11 12 which proposes the salvation of the remnant
