Rebirth in Washington Wallace Henley,1977-01-01 **The ^AEnd of Empathy** John W. Compton,2020-07-01 How did white evangelicals a group that had once rallied national support for the federal minimum wage and progressive child labor laws vote overwhelmingly for Donald Trump in 2016 In *The End of Empathy* John W Compton presents a nuanced portrait of the changing values of evangelical voters over the last century To explain the rise of white Protestant social concern in the latter part of the nineteenth century and its sudden demise at the end of the twentieth Compton argues that religious conviction by itself is rarely sufficient to motivate empathetic political behavior When believers do act empathetically championing reforms that transfer resources or political influence to less privileged groups within society for example it is typically because strong religious institutions have compelled them to do so **Religious Books and Serials in Print 1978-1979** R.R. Bowker Company. Department of Bibliography,1978-11 *Subject Catalog, 1979* Library of Congress,1979 **Worthy of the Nation** United States. National Capital Planning Commission,Frederick Gutheim,Antoinette J. Lee,2006-11-19 Illustrated with plans maps and new and historic photographs the second edition of *Worthy of the Nation* provides researchers and general readers with an appealing and authoritative view of the planning and evolution of the federal district **The Nation's Capital Brewmaster** Mark Elliott Benbow,2017-10-23 Christian Heurich 1842 1945 was not only Washington D C s most successful brewer he was the world s oldest with 90 years experience He walked across central Europe learning his craft survived a shipboard cholera epidemic recovered from malaria and worked as a roustabout on a Caribbean banana boat all by age 30 Heurich lived most of his life in Washington becoming its largest private landowner and opening the city s largest brewery He won a beer war against his rivals and his beers won medals at World s Fairs He was trapped in Europe while on vacation at the start of both World Wars once sleeping through an air raid and was accused of being a German spy plotting to assassinate Woodrow Wilson A notably odd episode when they began to tear down his old brewery to build the Kennedy Center the wrecking ball bounced off the walls Drawing on family papers and photos the author chronicles Heurich s life and the evolving beer industry before and after Prohibition **Library of Congress Catalogs** Library of Congress,1980 *Up-to-the-times Magazine* ,1907 **American Political Theology** Charles W. Dunn,1984 *Subject Catalog* Library of Congress,1979 **The Congregationalist and Christian World** ,1905 *Books in Print Supplement* ,1982 **Books Out-of-print** ,1986 **The Western Christian Advocate** ,1900 *The Christian Advocate* ,1927 **One Nation Under God** Kevin Kruse,2015-04-14 We re often told that the United States is was and always has been a Christian nation But in *One Nation Under God* historian Kevin M Kruse reveals that the idea of Christian America is an invention and a relatively recent one at that As Kruse argues the belief that America is fundamentally and formally a Christian nation originated in the 1930s when businessmen enlisted religious activists in their fight against FDR s New Deal Corporations from General Motors to Hilton Hotels bankrolled conservative clergymen encouraging them to attack

the New Deal as a program of pagan statism that perverted the central principle of Christianity the sanctity and salvation of the individual Their campaign for freedom under God culminated in the election of their close ally Dwight Eisenhower in 1952 But this apparent triumph had an ironic twist In Eisenhower s hands a religious movement born in opposition to the government was transformed into one that fused faith and the federal government as never before During the 1950s Eisenhower revolutionized the role of religion in American political culture inventing new traditions from inaugural prayers to the National Prayer Breakfast Meanwhile Congress added the phrase under God to the Pledge of Allegiance and made In God We Trust the country s first official motto With private groups joining in church membership soared to an all time high of 69% For the first time Americans began to think of their country as an officially Christian nation During this moment virtually all Americans across the religious and political spectrum believed that their country was one nation under God But as Americans moved from broad generalities to the details of issues such as school prayer cracks began to appear Religious leaders rejected this lowest common denomination public religion leaving conservative political activists to champion it alone In Richard Nixon s hands a politics that conflated piety and patriotism became sole property of the right Provocative and authoritative One Nation Under God reveals how the unholy alliance of money religion and politics created a false origin story that continues to define and divide American politics to this day Paperbound Books In Print, Fall 1981 Bowker Editorial Staff,1981-11

The Presidents Stephen Graubard,2009-05-07 In this magisterial examination of the Presidency over the course of the 20th Century the author explores the history of the world s greatest elective office and the role each incumbent has played in changing the scope of its powers Using individual presidential portraits of each of the presidents of the past century Graubard asks and answers a wide variety of crucial questions about each President What intellectual social and political assets did they bring to the White House and how quickly did they deplete or mortgage that capital How well did they cope with crises foreign and domestic How much attention did they pay to their election pledges after they were elected How did they use the media old and new Above all how did they conduct themselves in office and what legacy did they leave to their successors Graubard provides original analysis in each case and reaches many surprising conclusions **Revival Discourses** Thomas Cox Teasdale,1859 **The Christian Advocate** ,1915
