Sequence Steven R. Bates,2024-08-30 Sometimes the best way to let one know what something is is to let one know what it isn t Today s typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve

chapters six sequences will be presented from the three major sources in the New Testament regarding the subject i e Paul s letters to the Thessalonians the Olivet Discourse and John s visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there s only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it s theoretically impossible Scripture s six sequences only confirm one sequence and it is the one which has been presented in The Sequence **Every Man's Bible**

For 312 years the rotstorm has blighted the ruins of the Ferron Empire Born of an unholy war between gods themselves it scours the land with acid mists and deadly lightning spawning twisted monstrosities from its nightmarish depths On the Stormwall the men and women of the Stormguard maintain their vigil eyes sharp blades sharper defending the Undal Protectorate from the worst of the rotstorm's corruption But behind the storm front something is stirring kindling the embers of an ancient conflict and a plan to kill a god Will Stormguard steel be enough to meet the coming tempest Flor returns to the Undal Protectorate to find it blighted by the deadly ice and bitter winds of a Claw Winter Her people are dying and she is sworn to save them but she can think only of her daughter Marta slowly succumbing to her skein sickness trapped somewhere in the far far north Now Tullen One Eye the man they call the Deathless has been freed and roams the land once more There are
