Receiving The Spirit At Old First Church:

Receiving the Spirit at Old First Church Arthur A. Rouner, 2016-09-30 Receiving the Spirit is a gentle honest and sensitively written account of a Congregationalist minister who found the Holy Spirit in the Catholic Charismatic Movement and who then preached his deepened faith in mainline churches across the country The book focuses specifically on the Colonial Church of Edina in Minnesota where Arthur Rouner Jr was senior minister for thirty two years and where many members of the congregation of 3 800 also received the spirit The church grew significantly during the term of Rouner s pastorate reaching out into the surrounding community with social ministries and biblical studies programs *Receiving the Spirit at Old First Church* Arthur A. Rouner, 1982 [Israel and the Covenants in New Testament Times](#) Peter Williams, 2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

[The Spiritual Churches of New Orleans](#) Claude F. Jacobs, Andrew J. Kaslow, 2001 The New Orleans Spiritual churches constitute a distinctive African American belief system Influenced by Catholicism Pentecostalism Spiritualism and Voodoo the group is a New World syncretic faith similar to Espiritismo Santería and Umbanda The Spiritual Churches of New Orleans combines a historical account of the emergence of this religion with careful ethnographic description of current

congregations At the same time text and photographs eloquently convey the ecstasy at the heart of the Spiritual experience The Spiritual churches began in the 1920s as a women s movement Men later assumed leadership in an effort to legitimate the group within the New Orleans religious community and form associations with Spiritual churches elsewhere in the United States Unlike earlier researchers who treated practices in the churches as expressions of black folk traditions the authors see Spiritual ritual not as based on magic but as the way the sacred is acted out within an African American aesthetic During worship members may be filled by the Holy Spirit as in Pentecostal churches or entertain spirits or spirit guides as in Spiritualism or Voodoo Prophecy and healing are presented as the markers of this faith and the Native American figure Black Hawk as a major symbol of empowerment Based on extensive interviews with church members years of participant observation and careful research in documentary sources this book achieves rigorous conceptual clarity in a straightforward engaging style The Authors Claude F Jacobs holds a Ph D in anthropology from Tulane University He teaches at Oakland University Andrew J Kaslow holds a Ph D in anthropology from Columbia University He is a consultant to international organizations *The Doctrine of the Holy Spirit: Subject analysis and indexes* Esther Dech Schandorff,1995

The author is the only person ever declared medically dead to be resurrected by God and sent back with a message for God s people Taken away from a life in the fast lane while earning fame and riches for all the wrong reasons the author thought that when the government was done with him he would live the rest of his life comfortably along with all of his ill gotten gains That would not be the case because God in His mercy had answered his mother s prayers for her son to be returned to worshipping Jesus When the government was finished God was just getting started first stripping him of pride and wealth while teaching the author humility and obedience Then through revelations visions and prophecies followed with signs and wonders the author learned the truths that have not been taught to the church ever since the last apostle died This book teaches what God wants you to learn Overcoming sin obtaining perfection and living a holy life are the commandments from Jesus Christ to His church When these commandments are fulfilled as the apostles fulfilled them God will work the same signs and wonders through His people today that He did 1900 years ago in the first century apostolic church Within this book is the knowledge the apostles had that will allow Christians to once again worship in spirit and in truth Prophecy determined that the forgotten knowledge of the truth would return to the church and once again God would be glorified through His saints when people are healed and the dead are raised alive Through acquiring the wisdom revealed in this book you will gain the faith needed for miracles to happen and bring about the revival that will usher in the Kingdom of Heaven on earth
