**Austerity** Bryan M. Evans, Stephen McBride, 2017-10-03 Bryan M Evans Stephen McBride and their contributors delve further into the more practical ground level side of the austerity equation in Austerity The Lived Experience Economically austerity policies cannot be seen to work in the way elite interests claim that they do Rather than soften the blow of the economic and financial crisis of 2008 for ordinary citizens policies of austerity slow growth and lead to increased inequality While political consent for such policies may have been achieved it was reached amidst significant levels of disaffection and strong opposition to the extremes of austerity The authors build their analysis in

three sections looking alternatively at theoretical and ideological dimensions of the lived experience of austerity how austerity plays out in various public sector occupations and policy domains and the class dimensions of austerity The result is a ground breaking contribution to the study of austerity politics and policies      *Lonely Planet Cruise Ports Mediterranean Europe* Lonely Planet, Virginia Maxwell, Kate Armstrong, Brett Atkinson, Alexis Averbuck, James Bainbridge, Cristian Bonetto, Gregor Clark, Duncan Garwood, Paula Hardy, Anna Kaminski, Catherine Le Nevez, Kate Morgan, Kevin Raub, Simon Richmond, Brendan Sainsbury, Regis St Louis, Nicola Williams, Hugh McNaughtan, Greg Ward, 2019-10-01 Lonely Planet The world s leading travel guide publisher Lonely Planet s Cruise Ports Mediterranean Europe is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Catch the cable car up Mt Srd for breathtaking views of Dubrovnik work up an appetite for the world s best pizza in Rome stroll Hania s lovely Venetian harbour and taste some of Greece s best food all with your trusted travel companion Discover the best of Mediterranean Europe and begin your journey now Inside Lonely Planet s Cruise Ports Mediterranean Europe Full colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money and get around like a local avoiding crowds and trouble spots Essential info at your fingertips hours of operation phone numbers websites transit tips prices Honest reviews for all budgets eating sleeping sightseeing going out shopping hidden gems that most guidebooks miss Cultural insights provide a richer more rewarding travel experience covering history art architecture politics landscapes wildlife cuisine customs etiquette Covers Spain France Italy Malta Croatia Montenegro Greece Turkey and more The Perfect Choice Lonely Planet s Cruise Ports Mediterranean Europe is filled with inspiring and colourful photos and focuses on Mediterranean Europe s most popular cruise destinations for those wanting to experience the best of the best About Lonely Planet Lonely Planet is a leading travel media company and the world s number one travel guidebook brand providing both inspiring and trustworthy information for every kind of traveller since 1973 Over the past four decades we ve printed over 145 million guidebooks and grown a dedicated passionate global community of travellers You ll also find our content online and in mobile apps video 14 languages nine international magazines armchair and lifestyle books ebooks and more Lonely Planet guides are quite simply like no other New York Times Lonely Planet It s on everyone s bookshelves it s in every traveller s hands It s on mobile phones It s on the Internet It s everywhere and it s telling entire generations of people how to travel the world Fairfax Media Australia eBook Features Best viewed on tablet devices and smartphones Downloadable PDF and offline maps prevent roaming and data charges Effortlessly navigate and jump between maps and reviews Add notes to personalise your guidebook experience Seamlessly flip between pages Bookmarks and speedy search capabilities get you to key pages in a flash Embedded links to recommendations websites Zoom in maps and images Inbuilt dictionary for quick referencing Important Notice The digital edition of this book may not contain all of the images found in the physical edition      **Assessing the Open Method of Coordination** E. University of Erlangen Nuremberg      Women's Rights to Social Security and Social Protection Beth Goldblatt, Lucie Lamarche, 2014-10-23 This collection examines the human rights to social security and social protection from a women's rights perspective. The contributors stress the need to address women's poverty and exclusion within a human rights framework that takes account of gender. The chapters unpack the rights to social security and protection and their relationship to human rights principles such as gender equality, participation and dignity. Alongside conceptual insights across the field of women's social security rights, the collection analyses recent developments in international law and in a range of national settings. It considers the ILO's Social Protection Floors Recommendation and the work of UN treaty bodies. It explores the different approaches to expansion of social protection in developing countries: China, Chile and Bolivia. It also discusses conditionality in cash transfer programmes, a central debate in social policy and development through a gender lens. Contributors consider the position of poor women, particularly single mothers, in developed countries: Australia, Canada, the United States, Ireland and Spain, facing the damaging consequences of welfare cuts. The collection engages with shifts in global discourse on the role of social policy and the way in which ideas of crisis and austerity have been used to undermine rights with harsh impacts on women.      *Human Rights of Aliens in Europe* Council of Europe/Conseil de l'Europe, 2024-09-02
