**The Politics Of Lust** John Ince, 2010-09-09 An attorney erotic arts activist and sexual theorist argues that the American culture s much touted sexual hedonism is in fact mere bravado Ince shows that though 30 years have elapsed since the sexual revolution negative attitudes are still prevalent toward nudity masturbation homosexuality and many other sexual subjects Man Made God Barbara G. Walker, 2010-04 Extraordinary independent scholar of comparative religion and mythology Walker examines a time when the Goddess and her consort son ruled supreme and forward into the era when the patriarchy usurped Her worship

**All About Sex...In the Bible** Alla Peace, John Anderson, 2012-02-27 All about Sex in the Bible is based exclusively on Biblical quotations which are related to sexual activity rules metaphorical meanings of sexual language and scientific knowledge on this subject Traditionally the Bible viewed as a religious book Surprisingly it is overloaded with countless verses on the topic of sexuality including a description of depravity of God of Old Testament Patriarchs and Kings all kind of sexual pleasures and seduction and cruelty triggered by sexual desire The book consists special chapters on associated subjects such as circumcision Marys virginity Jesus birthday analysis of the meaning of whore of Babylon described in Biblical Revelation and some scientific facts on related issues In addition the major chapters are supported by

Appendix which includes Glossary Index of Persons Geographical Glossary and Bibliography      **Understanding**

**Circumcision** George C. Denniston, Frederick Mansfield Hodges, Marilyn Fayre Milos, 2013-06-29 Every year in the United States and the third world combined 13 3 million boys and 2 million girls are circumcised Whether because of perceived medical cultural or religious necessity most of these parents feel they have no alternative but to allow their children to undergo this surgery Sparking intense debate the circumcision of children is a highly controversial and complex phenomenon that touches a variety of sociological areas such as religious beliefs identity issues medical conceptualizations fear and superstition The contributors to this volume comprise an international panel of experts in the fields of medicine psychology law ethics sociology anthropology history theology and politics In 18 chapters they discuss the history of circumcision document the physical and psychological consequences of circumcision present the latest anatomical discoveries about the male prepuce analyze the role of circumcision in various traditions reveal the medical industry's investment in the practice describe current legislative efforts to protect children from circumcision and outline effective culturally sensitive methods that are being implemented today to safeguard the human rights of at risk children For its insights into this troubling aspect of culture *Understanding Circumcision A Multi Disciplinary Approach to a Multi Dimensional Problem* is a critically important contribution to the growing body of literature on this subject      **Patriarchy and the Politics of Beauty** Allan D. Cooper, 2019-10-04 Political philosophers from the beginning of history have articulated the significance of beauty Allan D. Cooper argues that these writings are coded to justify patriarchal structures of power and that each epoch of global history has reflected a paradigm of beauty that rationalizes protocols of gender performance Patriarchy is a system of knowledge that trains men to become soldiers but is now being challenged by human rights advocates and women's rights activists

*Knowledge of Self* Supreme Understanding, Sunez Allah, C'BS Alife Allah, 2009-07-30 Do you know who and what you are Do you know who you're meant to be Do you know how to find the answers to questions like these Knowledge of Self is the result of a process of self discovery but few of us know where to begin when we're ready to start looking deeper Although self actualization is the highest of all human needs it is said that only 5% of people ever attain this goal In the culture of the Nation of Gods and Earths commonly known as the Five Percent students are instructed that they must first learn themselves then their worlds and then what they must do in order to transform their world for the better This often intense process has produced thousands of revolutionary thinkers in otherwise desperate environments where poverty and hopelessness dominate Until now few mainstream publications have captured the brilliant yet practical perspectives of these luminary men and women *Knowledge of Self A Collection of Writings on the Science of Everything in Life* presents the thoughts of Five Percenters both young and old male and female from all over the globe in their own words Through essays poems and even how to articles this anthology presents readers with an accurate portrait of what the Five Percent study and teach as well as sound direction on how to answer timeless questions like Who am I and why am I here Why is there so much injustice in the

world and what can be done about it Who is God and where on Earth is he How do I improve myself without losing myself Why are people of color in the situations they re in What can we do about the global problems of racism and poverty

**What's Wrong with Us?** Colin Feltham,2007-06-13 What s wrong with us Professor Colin Feltham believes that the current crises of the human condition are symptoms of a chronic wayward tendency which he terms anthropathology This interdisciplinary look at the zeitgeist of crisis traces the roots of human suffering exploring the contemporary issues of human violence deceit patriarchy abuse irrationality and greed Our human anthropathology is placed at the heart of all such problems Echoing the pessimism of Schopenhauer Cioran Beckett Gray and others Feltham nevertheless insists that answers may be formulated through confrontation Challenging and enlightening for professionals academics and students What s Wrong With Us is also a fascinating read for anyone with a general interest in our current social state

**Integrated Land and Water Resources Management in History** International Commission on Irrigation and Drainage. European Regional Conference,2005 **Hope For Humanity** Malcolm Hollick,2011-03-16 Trauma warps our personality blights our health stunts our development and condemns us to living well below our potential Yet it is so embedded in human culture that we do not recognize it We accept aggression violence hierarchy and the drive for power status and wealth as normal To survive we need to act urgently to reduce the incidence and impacts of trauma and develop a new culture of peace cooperation and equality We must evolve towards higher levels of compassion love and consciousness This book documents the nature of trauma and its role in history and the present before proposing a strategy for change that will foster the emergence of the possible human

Soils and Human Health Eric C. Brevik,Lynn C. Burgess,2012-12-12 Despite the connections between soils and human health there has not been a great amount of attention focused on this area when compared to many other fields of scientific and medical study Soils and Human Health brings together authors from diverse fields with an interest in soils and human health including soil science geology geography biology and anthropology to investigate this issue from a number of perspectives The book includes a soil science primer chapter for readers from other fields and discusses the ways the soil science community can contribute to improving our understanding of soils and human health Features Discusses ways the soil science community can contribute to the improvement of soil health Approaches human health from a soils focused perspective covering the influence of soil conservation and contact with soil on human health Illustrates topics via case studies including arsenic in groundwater in Bangladesh the use of Agent Orange in Vietnam heavy metal contamination in Shipham United Kingdom and Omaha Nebraska USA and electronic waste recycling in China In a scientific world where the trend has often been ever increasing specialization and increasingly difficult communication between fields and subfields the interdisciplinary nature of soils and human health studies presents a significant challenge going forward Fields with an interest in soils and human health need to have increased cross disciplinary communication and cooperation This book is a step in the direction of accessibility and innovation elucidating the state of knowledge in the meeting of soil and health

sciences and identifying places where more work is needed      *Body Psychotherapy* Tree Staunton, 2014-06-03 In the past the practice of body psychotherapy has been taken less seriously in professional circles than more traditional psychotherapeutic approaches Body Psychotherapy redresses the balance offering insights into a spectrum of approaches within body oriented psychotherapy A range of experienced contributors introduce new areas of development and emerging theory and clinical material covering the history of body psychotherapy theoretical perspectives on body psychotherapy including post Reichian and development of integrative methodologies body psychotherapy in practice including applications for trauma and regression the future for body psychotherapy This book shows how body psychotherapy can be healing reparative and rewarding It will make essential reading for postgraduates and professionals whether they are already involved in this field or wish to learn more about incorporating it into their own practice      **Near-Death Experiences, The Rest of the Story** P.M.H. Atwater, 2009-01-09 Real life stories of out of body experiences encountering a special light greeters from the afterlife life reviews tunnels and 360 degree vision are all part of this intriguing look at near death experiences NDEs by one of the world's noted authorities P M H Atwater Atwater shares her amazing findings based on her sessions with more than 4 000 adults and children and over 40 years of research a breathtaking culmination to a successful and controversial career Atwater examines every aspect of the near death phenomenon from first hand accounts of survivors experiencing flash forwards waking up in morgues and developing psychic abilities to stunning cases of groups experiencing NDEs together Atwater offers statistics from her findings to show the distinctive common patterns that people experience as well as the common aftereffects and how it changed their lives She also explores the physiological and spiritual changes that result from near death experiences and looks at the connections between the NDE experience and what is often called enlightenment Near Death Experiences not only provides a glimpse of what lies beyond the veil of our temporal existence but points to what or who we really are and what we are meant to be      *Body Psychotherapy* Totton, Nick, 2003-03-01 Body psychotherapy is an holistic therapy which approaches human beings as united bodymind and offers embodied relationship as its central therapeutic stance Well known forms include Reichian Therapy Bioenergetics Dance Movement Therapy Primal Integration and Process Oriented Psychology      **We've Never Been Alone** Paul Von Ward, 2011-09-01 Whether you call them gods angels ETs or aliens sufficient proof now exists that beings more advanced than humans have influenced our history Evidence suggests that these outsiders shaped our religions genes technology and cultures In fact they may have provided the impetus for modern civilization Paul Von Ward investigates why modern science and religion refuse to address the possibility that humans interact with Advanced Beings ABs He reviews sacred texts myths and legends from the Old Testament Hebrew texts and the Vedas to the Greek myths Sumerian tablets and other historical sources to make the link between religions their gods and alien intervention He shows how this history of AB intervention has been suppressed and challenges readers to reexamine the origins of notions like divine revelation to find common ground among the world's

cultures and religions Previously published as God Genes and Consciousness
